An Archicomic on Architectural Evolution
... Yes is More is the rare book that
combines a manifesto on the new (?)
course architecture should take, the
presentation of a large number of
projects designed by the BIG Danish
architecture power-house, a large
number of anecdotes and stories related
to all these projects, all wrapped-up as a
comic. Overall, the manifesto is weak
and the presentation is often self-
servient, but the architecture, the stories
behind getting projects done, and the
archicomic ideas are fantastic. Yes is
