The precise shape of a protein is a crucial factor in its function. How do proteins become folded into the right conformation? Molecular chaperones and protein folding catalysts bind to developing polypeptides in the cytoplasm and ensure correct folding and transport. This Guidebook catalogues the latest information on nearly 200 of these molecules, including the important class of heat shock proteins; each entry is written by leading researchers in the field.

It is not a peaceful time in the Algardis Empire. War is raging between the mages and seventeen-year-old Sara Fairchild will be right in the middle of it. She just doesn't know it yet. Sara is the daughter of a disgraced imperial commander, executed for desertion. Sara is also the best duelist and hand-to-hand combatant in Sandrin. She lives quietly with her family's shame but when challenged about her family's honor, her opponent inevitably loses. On the night she finds out her father's true last actions, she takes the Mercenary Guilds' vows to serve in the emperor's army. Using her quick wits and fierce fighting skills, she earns a spot in the first division. There she discovers secrets the mages on both sides would prefer stay hidden. Dark enemies hunt her and soon it's not just Sara questioning the motivation behind this war. While fighting mages, blackmailing merchants and discovering new friends, Sara comes across something she's never had before - passion. The question is - can she fight for her empress against a mage who might unwittingly claim her heart? This is year one of the Initiate Wars. Sara is hoping it doesn't become the year she dies.

When it comes to knitting, who knows better than our nan? If you get tangled in a ball of wool, she's always the first person you call to help you sort your cross stitch from your cable. While recruiting for her fledgling online knitwear company, Katie Mowat swiftly realised that it was mainly older women, namely grannies, who were volunteering their services, and so Grannies Inc. was born. Since 2009 they have gone from strength to strength, and from one product (beanies), they now design and produce a whole range of knitwear. Her crack squad of 15 grannies will be contributing their 'purls' of wisdom and patterns to help the new knitting generation in this attractive book. With knitting patterns for snoods, legwarmers, slouch socks, laptop cases and beanies, you'll be cool and cosy in no time. As the grannies say, 'May your bobbin always be full.'
