of behaviors linked
together in a continuous
sequence by cues,
delivered by the handler
or from the environment
and maintained by a
reinforcer at the end of
the chain.Unit 2 Lesson 10
Flashcards | QuizletLesson
10 Summary. Here is a
line drawn on a grid.
There are also four right
triangles drawn. Do you
notice anything the
triangles have in

common? These four
triangles are all examples
of slope triangles. One
side of a slope triangle is
on the line, one side is
vertical, and another side
is horizontal.Grade 8
