"Breathlessly atmospheric...A gorgeous, hopeful

book." —Rachel Lynn Solomon, author of Today Tonight Tomorrow The Hating Game meets I Am Not Your Perfect Mexican Daughter in this Pura Belpré Award-winning novel that's an irresistible romance starring a Mexican American teen who discovers love and profound truths about the universe when she spends her summer on a road trip across the country. When her twin sister reaches social media stardom, Moon Fuentez accepts her fate as the ugly, unwanted sister hidden in the background, destined to be nothing more than her sister's camerawoman. But this summer, Moon also takes a job as the "merch girl" on a tour bus full of beautiful influencers and her

fate begins to shift in the best way possible. Most notable is her bunkmate and new nemesis, Santiago Phillips, who is grumpy, combative, and also the hottest guy Moon has ever seen. Moon is certain she hates Santiago and that he hates her back. But as chance and destiny (and maybe, probably, close proximity) bring the two of them in each other's perpetual paths, Moon starts to wonder if that's really true. She even starts to question her destiny as the unnoticed, unloved wallflower she always thought she was. Could this summer change Moon's life as she knows it?

Dawn and the Impossible Three

Thorndike Striving Reader

"The New York Times

and USA Today bestselling series soars to even greater heights with a new prophecy and five new dragonets ready to claim their destiny! Peril has been loyal to Queen Scarlet, who used her fatal firescales to kill countless dragons in the SkyWing arena. Now, Peril is loyal to Clay, the only dragonet who has ever been her friend. So when Scarlet threatens Jade Mountain Academy, Peril sets off to find her former queen, stop her, and save the day, no matter what it takes. There's just one problem: a strangely persistent SeaWing, Turtle, insists on coming along, too. Turtle is worried about his friends, who left to search for Scarlet and haven't returned. Peril is worried that she

might accidentally burn Turtle -- or burn him on purpose, for being so annoying -- and frustrated that she keeps saying and doing the wrong things. She can't escape her firescales, and she can't escape her reputation as the deadliest dragon in Pyrrhia. So when she's offered a chance to trade everything for a second chance, Peril has to decide who she's really loyal to . . . and whether her own scales might actually be worth saving."

The Hidden Kingdom

Qibli knows Darkstalker must be stopped. And he knows he could stop him -- if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him . . .

Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or

will he be the one to bring Jade Mountain -- and his family, his friends, his whole world -- crashing down?

The Dragonet Prophecy Standard Ebooks

God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Johnny Enlow. He describes seven culture-shaping areas of influence over each society—media, government, education, economy, family, religion, and celebration (arts and entertainment)—that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine

his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this "spiritual tsunami," as the author calls it.
