GCE O Level Examination Past Papers with Answer Guides: English Language India

Edition Hodder Education

Cambridge Global English Stages 7-9 follow the Cambridge Secondary 1 English as a Second Language (ESL) Curriculum Framework. Workbook 9 is organised into eighteen thematic units of study based on the Cambridge International Examinations English as a Second Language Scheme of Work for Stage 9. The units are carefully structured to reinforce the language learning of the Coursebook, at the same time as extending students' knowledge via a range of exercise types. CEFR Level: B1.

Just In Case Collins Cambridge Lower Secondary Science

Practical Faster Reading provides the basis for a reading improvement course lasting a total of 30 class hours and has proved popular with students and teachers in a variety of settings. Thirty passages covering a wide range of topics of general interest and accompanying exercises give practice in the reading skills needed at upper-intermediate and more advanced levels. Substantial increases in reading speed are usually attained with improvements in comprehension and vocabulary. The full answer key for self-checking also makes this useful for the student working alone.

Third Edition Cambridge University Press

Perfect your knowledge and skills ahead of the test with concise explanations, expert advice and questions on each topic.

Cambridge Checkpoint Science Workbook 7 Hodder Education

The Primary Checkpoints series is designed to provide ready-made stimulating activities.

Familiarises students with a variety of assessment formats, such as, NAPLAN* Thematic units of work covering areas of the curriculum such as reading; language conventions and numeracy to provide students with solid and relevant practice towards assessment tasks at the appropriate Primary level. Each unit of work contains:

- a text type, based on a theme that is relevant to the age and ability level of the student
- reading comprehension
- language convention
- numeracy including mental arithmetic questions and problem solving

Each of the units also includes motivation or encouragement pages in which students complete tasks related to other curriculum areas such as:

- science
- geography
- history
- health
- nutrition and fitness
- social issues

Four Checkpoint Units to be completed in a 'test-like' or as a self-assessment activity. A removable answers insert.

Cambridge Primary Science Stage 4 Activity Book Cambridge University Press

This volume has three sections, covering biology, physics and chemistry, so teachers can still teach the three sciences separately if they prefer. The introductory chapter includes a new section on scientific enquiry, reflecting the focus of the new framework.
