JAMARCUS URIEL

Midnight Riot Jabberwocky Literary Agency, Inc.
The beloved, #1 global bestseller by John Green, author of *The Anthropocene Reviewed* and *Turtles All the Way Down* "John Green is one of the best writers alive." -E. Lockhart, #1 bestselling author of *We Were Liars* "The greatest romance story of this decade." -Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus

Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

Historical Mystery (Inspector Alan Grant Novel) Titan Comics

Detective Inspector Peter Grant is back in an all-new comic miniseries from author Ben Aaronovitch! Trouble never lies far from the race track. When a flash car belonging to a young boy racer from England washes up in the Netherlands with a bagload of unusual cargo, it's evident there is more than meets the eye happening at street races held in an Essex car park. Enter Detective Inspector Peter Grant. Fresh from suspension, he takes

to the track in his orange 'asbo' Ford Focus to try and infiltrate the big leagues. But Peter soon finds himself sucked back into an Otherworld - a real-life fairyland!

A Rivers of London Novella Titan Comics

BODY AND SOUL The song. That's what London constable and sorcerer's apprentice Peter Grant first notices when he examines the corpse of Cyrus Wilkins, part-time jazz drummer and full-time accountant, who dropped dead of a heart attack while playing a gig at Soho's 606 Club. The notes of the old jazz standard are rising from the body—a sure sign that something about the man's death was not at all natural but instead supernatural. Body and soul—they're also what Peter will risk as he investigates a pattern of similar deaths in and around Soho. With the help of his superior officer, Detective Chief Inspector Thomas Nightingale, the last registered wizard in England, and the assistance of beautiful jazz aficionado Simone Fitzwilliam, Peter will uncover a deadly magical menace—one that leads right to his own doorstep and to the squandered promise of a young jazz musician: a talented trumpet player named Richard "Lord" Grant—otherwise known as Peter's dear old dad.

Rivers of London: Body Work #1 Orbit

Constable Peter Grant, a magician and keeper of the flame, must discover if a mutilated body found in Crawley is the work of a common serial killer or an associate of the evil wizard known as the Faceless Man.

Rivers of London - Black Mould #3 Titan Comics

The authorized biography of the most notorious rock manager of all time, Peter Grant, best known for his work with Led Zeppelin, by the author of Comfortably Numb Peter Grant is the most

famous music manager of all time. Acknowledged as the "fifth member of Led Zeppelin," Grant has had his story appear in fragments across countless Zeppelin biographies, but none have explored who this brilliant and intuitive manager yet flawed and sometimes dangerous man truly was. No one has successfully captured the scope of his personality or his long-lasting impact on the music business. Acclaimed author and journalist Mark Blake seeks to rectify that. *Bring It On Home* is the first book to tell the complete, in-depth, and uncensored story of this industry giant. With support from Grant's family, new interviews with Led Zeppelin's surviving band members, and access to Grant's extensive archives as well as scores of unpublished material, including Grant's never-before-published final interview, Blake sets out to not only shed new light on the history of Led Zeppelin but also on the wider story of rock music in the '60s and '70s. Grant had a hand in the careers of Chuck Berry, Rod Stewart, Bad Company, Queen, the Rolling Stones, The Who, Guns N' Roses, and countless others, and his revolutionary approach to business, which included putting the band first, created a new industry standard that's still in effect today. Full of new insights into Grant's early life, new details about the formation of and his relationship with Led Zeppelin, an unrevealed plot by Jamaican gangsters to kidnap the band members' children, letters from police regarding threats made against the band by American Satanists, as well as Grant's seclusion late in life after the dissolution of the band and his recovery from substance abuse, *Bring It On Home* reveals a man who, after the extraordinary highs and lows of a career in music management, found both peace and happiness in a more ordinary life. It is a celebration, a

cautionary tale, and a compelling human drama.

A Path Forward Penguin

This memoir is a story of loss and gain, of alienation and reconciliation, and of how such experiences go into the making of a psychoanalyst. In sharing his own very troubled family history, his decade as a Carmelite monk, his marriage and career as a psychoanalyst, Gargiulo shows how the diverse pieces of one's life can fit together into something that is meaningful and real. This is one person's life - but it relates to us all. "We are bound together, each of us," the author writes, "in our living, our troubles and our joys. As we hear another's story, we are, simultaneously, writing our own autobiography."

The Fault in Our Stars Free Press

Ben Aaronovitch's bestselling Rivers of London urban fantasy series • "The perfect blend of CSI and Harry Potter." —io9 • 2015 Locus Recommended Reading for Fantasy When two young girls go missing in rural Herefordshire, police constable and wizard-in-training Peter Grant is sent out of London to check that nothing supernatural is involved. It's purely routine—Nightingale, Peter's superior, thinks he'll be done in less than a day. But Peter's never been one to walk away from someone in trouble, so when nothing overtly magical turns up he volunteers his services to the local police, who need all the help they can get. But because the universe likes a joke as much as the next sadistic megalomaniac, Peter soon comes to realize that dark secrets underlie the picturesque fields and villages of the countryside and there might just be work for Britain's most junior wizard after all. Soon Peter's in a vicious race against time, in a world where the boundaries between reality and fairy have never been less clear....

Amongst Our Weapons Little, Brown Books for Young Readers
"When blood and ghosts return to the Mayfair mansions of the super-rich, which have a haunted history as the last trip of the condemned, England's last wizard and the Metropolitan Police's reluctant investigator of all things supernatural is called in to get to the bottom of the sinister doings."--Atlas Publishing.

The Play of Daniel Keyes' Flowers for Algernon Titan Books (US, CA)

The fourth novel in Mercedes Lackey's magical Elemental Masters series reimagines the fairy tale The Snow Queen in a richly-detailed alternate Victorian England The letter that introduced twelve-year-old Sarah Jane Lyon-White to Isabelle Harton, who ran the Harton School in central London, seemed quite simple and straightforward. But it was what was not written in the letter that resonated to Isabelle's own finely tuned "extra" senses: "Sarah has gifts we cannot train," the letter whispered to her, "nor can anyone we know. Those we trust tell us that you can...." And it was true, for the Harton School was far from ordinary. It was Isabelle's job to train children who possessed the odd types of magic that could not be trained by London's powerful Elemental Masters: clairvoyants, telepaths, those with the ability to sense hidden danger, the vision to see into the past, and even that rarest of all talents: the ability to see and communicate with the dead. But Isabelle was uneasy, for though she knew that Sarah Jane had a touch of telepathy, there seemed to be something else about the girl—something that had not yet manifested. And Isabelle was right to be worried, for as soon as Sarah's full talents became evident, there was an attempt made on her life. For Sarah was that rarest of magicians: a true

medium, and for some reason, a powerful Elemental Master wanted her dead. Isabelle knew that to protect her ward she would have to seek help from the Elemental Masters of the city. That meant she would also see Lord David Alderscroft, the man she had once loved, but who had inexplicably chilled toward her and broken her heart long ago—for he was the leader of the city's Elemental Masters, the man who was now called the Wizard of London.

The October Man Titan Books (US, CA)

Return to the world of Rivers of London in this first short story collection from bestselling author, Ben Aaronovitch. Tales from the Folly is a carefully curated collection that gathers together previously published stories and brand new tales in the same place for the first time. wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London" -Nick Frost "A superlative blend of whimsy and grit...Jim Butcher meets Douglas Adams" —Publishers Weekly "...my favorite current series... delightful, compulsive and fresh—with a love of multicultural London evident on every page, wonderfully diverse characters, magic, mystery, and mayhem. Once you start, you will literally not be able to put them down." —Lavie Tidhar in Washington Post "...recounted with deadpan British wit and irony...packed with fascinating historical detail... Lively and amusing and different." —Kirkus

Rivers of London Volume 4: Detective Stories Titan Comics

Rivers of London - Black Mould #3Titan Comics

A Rivers of London Novella Jabberwocky Literary Agency, Inc.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of

wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Daughter of Time Rivers of London - Black Mould #3

Martin Chorley, aka the Faceless Man, wanted for multiple counts of murder, fraud and crimes against humanity, has been unmasked and is on the run. Peter Grant, Detective Constable and apprentice wizard, now plays a key role in an unprecedented joint operation to bring Chorley to justice. But even as the unwieldy might of the Metropolitan Police bears down on its foe, Peter uncovers clues that Chorley, far from being finished, is executing the final stages of a long term plan. A plan that has its roots in London's two thousand bloody years of history, and could literally bring the city to its knees. To save his beloved city Peter's going to need help from his former best friend and colleague - Lesley May - who brutally betrayed him and everything he thought she believed in. And, far worse, he might even have to come to terms with the malevolent supernatural killer and agent of chaos known as Mr Punch . . .

An unmissable brand-new era in the life of full-time cop and part-time wizard, Peter Grant. A werewolf is on the loose and will stop at nothing to avoid capture! It's up to Peter and his cohort of chums to hunt the deadly lycanthrope and bring him to justice! [Rivers Of London Vol. 6: Water Weed](#) National Academies Press
When the son of a wealthy, politically powerful family is found dead, London constable and sorcerer's apprentice Peter Grant investigates this case, which is linked to a rogue magician known as the Faceless Man--and which takes him deep within the deadliest subway system in the world. Original. 50,000 first printing.

The Wizard of London Hachette UK

What starts as a routine undercover operation to break up an organized teenage pickpocket gang turns into something far more dangerous when the Metropolitan police are confronted by a Swedish werewolf who'll stop at nothing to avoid capture. Now

it's up to full-time cop and part-time wizard Peter Grant and his cohort of chums to hunt the deadly lycanthrope and bring him to heel! Written by acclaimed Rivers of London author Ben Aaronovitch and Andrew Cartmel (Doctor Who, The Vinyl Detective), with art by Jose Maria Beroy (The Phantom of the Opera, Deadman), Monday, Monday is a shaggy-dog story like no other, and another twisting, roaring crime adventure involving magic and supernatural weirdness through London's dark underbelly. "Nestles wonderfully into place in the greater Rivers of London world and brings it to life." – Major Spoilers Collects Rivers of London: Monday, Monday issues 1-4

Body Work Harper Collins

"Midnight Riot is what would happen if Harry Potter grew up and joined the Fuzz. It is a hilarious, keenly imagined caper."—Diana Gabaldon Probationary Constable Peter Grant dreams of being a detective in London's Metropolitan Police. Too bad his superior plans to assign him to the Case Progression Unit, where the biggest threat he'll face is a paper cut. But Peter's prospects change in the aftermath of a puzzling murder, when he gains exclusive information from an eyewitness who happens to be a ghost. Peter's ability to speak with the lingering dead brings him to the attention of Detective Chief Inspector Thomas Nightingale, who investigates crimes involving magic and other manifestations of the uncanny. Now, as a wave of brutal and bizarre murders engulfs the city, Peter is plunged into a world where gods and goddesses mingle with mortals and a long-dead evil is making a comeback on a rising tide of magic. "Filled with

detail and imagination . . . Aaronovitch is a name to watch."—Peter F. Hamilton "Fresh, original, and a wonderful read . . . I loved it."—Charlaine Harris

The Reality Dysfunction Random House Digital, Inc.

Four self-contained magical crimes, ripped from the streets of supernatural London! From the million-selling Rivers of London novel and graphic novel series by writer Ben Aaronovitch comes this unmissable next chapter in the saga, as PC Peter Grant faces his gruelling Detective exam, forcing him to relieve the strangest cases of his career. From foiling an aspiring god, to confronting a Virtual Flasher, Peter's police history has been anything but conventional; whether that's chasing down 'Falcon' crimes with the aid of modern technology, or confronting timeless villainy with his magical skill-set. Does Peter have what it takes... or will DI Chopra judge him unsuitable for a badge?
