designed to present the young students comprehensive Islamic education, comprising general Islamic knowledge based on the Quran and Hadith. Instead of teaching moral principles directly, they are taught through themes chosen from the Quran and other Islamic sources. A major portion of the course comprises the text of the Quran, which is followed by exercises to test the depth of understanding of the students. Though basically intended for use as a school text book, it is also an ideal tool for home schooling involving both the parents and the children. The Unique Miracle (Goodword) Goodword Books

The importance of the rule of law is universally recognised and of fundamental value for most societies. Establishing and promoting the rule of law in the Muslim world, particularly in the Middle East, North Africa, and Central Asia, has become a pressing but complicated issue. These states have Muslim majority populations, and the religion of Islam has an important role in the traditional structures of their societies. While the Muslim world is taking gradual steps towards the establishment of rule of law systems, most

Muslim majority countries may not yet have effective legal systems with independent judiciaries, which would allow the state and institutions to be controlled by an effective rule of law system. One important aspect of the rule of law is freedom of expression. Given the sensitivity of Muslim societies in relation to their sacred beliefs, freedom of expression, as an international human rights issue, has raised some controversial cases. This book, drawing on both International and Islamic Law, explores the rule of law, and freedom of expression and its practical application in the Muslim world.

Muhammad

Storybook-2 takes the reader back to the early days of Makkah when the Prophet

reached manhood. It tells of how he became a successful merchant, married Khadija, a wealthy business woman, and then soon thereafter gave up all worldly activities in search of the truth. How he attained prophethood and began his mission is related in a series of fascinating stories. Everything is covered from the first revelation of the Quran by the Archangel Jibril, to the early preaching of the Prophet and the opposition of the people of Makkah. This book then goes on to narrate amazing tales of how Islam began to spread in Makkah. The Prophet Muhammad Storybook-2, meant for 7 year olds and above,

encourages children to discover for themselves the message of the life of the Prophet and to find their own ways of applying the Prophet's timeless teachings to their lives. With its colourful, child-friendly illustrations, this book is perfect for reading to your children or grandchildren, and is excellent for use at home or at school.
