JENNINGS MELTON

Distraction Penguin

As a busy wife, new mother, business owner, and designer, Emily Ley

came to a point when she suddenly realized she couldn't do it all. She needed to simplify her life, organize her days, and prioritize the priorities. She realized that she had been holding herself to a standard of perfection, when what God was really calling her to do was step into his grace. In this four-session video-based study (DVD/digital downloads sold separately), Emily describes the journey that led to her pursuing a simpler life—one that allowed her to breathe, laugh, and grow—and provides ways for others to simplify their lives. She reminds each of us that God abundantly pours out grace on us, and because of this, we can surely extend grace to ourselves. This message is for everyone who has been trying to do it all... only to burn out. Learn to find joy and acceptance in the midst of life's beautiful messes. Sessions include: Let Go of the Perfect Life Surrender Control Build True Community Live in God's Grace Designed for use with the Grace, Not Perfection Video Study (sold separately). When Less Becomes More Oxford University Press The story of the people

who see beyond the stars—an astronomy book for adults still spellbound by the night sky. Humans from the earliest civilizations through today have craned their necks each night, using the stars to orient themselves in the large, strange world around them. Stargazing is a pursuit that continues to fascinate us: from Copernicus to Carl Sagan, astronomers throughout history have spent their lives trying to answer the biggest questions in the universe. Now, award-winning astronomer Emily Levesque shares the stories of modern-day stargazers in this new nonfiction release, the people willing to adventure across high mountaintops and to some of the most remote corners of the planet, all in the name of science. From the lonely quiet of midnight stargazing to tall tales of wild bears loose in the observatory, *The Last Stargazers* is a love letter to astronomy and an affirmation of the crucial role that humans can and must play in the future of scientific discovery. In this sweeping work of narrative science, Levesque shows how astronomers in this scrappy and evolving field are going beyond the

machines to infuse creativity and passion into the stars and space and inspires us all to peer skyward in pursuit of the universe's secrets.

Wrecked HarperChristian Resources

"Exposing the Lie" is fast-paced and at times heart-pounding journey of several families facing incredible adversity and spiritual warfare. Based in the small, sleepy Southern Oregon town of Hamilton, life there is not at all what it seems. Vacationers and those just passing through might pause and think that this might be the perfect town to retire in.....the locals and long-time residents know differently. The main characters are confronted with unspeakable wickedness, but instead of buckling or running, they stand up and fight. The tension builds as one by one they begin to reach out to each other and find strength within themselves, and between them and God, to continue to battle human foes and unseen forces of evil... murder, arson, corruption, greed and lust have become the norm. Regular everyday individuals come face-to-face with a town, a church, and local law enforcement that have

been taken over by the "vile" one. You think this couldn't happen to your town? Look around you, pay attention to what is really happening in your community, nation, and world; then sit back, relax, and try to convince yourself things are just peachy.....but....they probably are not.....

Blessing Our Goodbyes

Harlequin

Offers advice on writing essays about the works of Emily Dickinson and lists sample topics for twenty of her poems.

Croatian Life Letters

Thomas Nelson

Former overachiever Lucy Williams sucks at adulting. Recent divorce, check. Pending lawsuit, check. A move back to Boston to live with her mother, triple check. It can't get much worse, right? When she starts her new marketing job at EXtreme Effects, she's positive shit's stopped hitting the fan. Sure, what she's advertising is a little ... unorthodox, but it pays the bills. And since she's seconds away from becoming Lucy Williams: Wednesday Night Bingo Enthusiast, she needs money to get the hell out of her mother's house. The only problem is her boss, Mr. Extreme himself: Jace Exley. He's

everything any sane woman dreams of—alpha, successful, ridiculously gorgeous. He's also Lucy's worst nightmare. Because like every overachiever, she has that underachiever she brushed off. The slacker who, once upon a time ago, was the object of her dirtiest schoolgirl fantasies. Jace Exley—with his sarcastic smirk and delicious accent—just happens to be that guy. And the friction between them? Well, that's the only adulting Lucy seems to be winning at.

"A brilliant study of the wages of mortal love."
—The New York Times Book Review
What does it mean to be a success? To be a good parent? To live a meaningful life? Emily Rapp thought she knew the answers when she was pregnant with her first child. But everything changed when nine-month-old Ronan was diagnosed with Tay-Sachs disease, a rare and always-fatal degenerative disorder. He was not expected to live beyond the age of three. Rapp and her husband were forced to re-evaluate everything they thought they knew about parenting and to learn to

parent without a future. Even before the book's publication, Rapp set the Internet ablaze with her New York Times op-ed piece about parenting a terminally ill child. An immediate bestseller, *The Still Point of the Turning World* is Rapp's memorial to her lost son and an inspiring and exquisitely moving reminder to love and live in the moment.

A Standard of Grace

Simon and Schuster

Kinsey Brock knew Emmett Hudson would be a star the moment he swaggered into her life. Hell, by the time she was released for the crime his scheming sister accused her of he already had a number one single. Now, eight years and a helluva lot of heartache later, Kinsey's long since given up on the boy who stole her breath away and took all the love she had. She has someone in her life, and he's all she needs. She'll challenge anyone who tells her otherwise. But after a chance encounter sends Emmett hurtling back into her life, every emotion she's forced herself to forget since he gave up on her is pushed to the surface. Because this time, the country megastar's not giving up on her. No matter how furious he is

about the discovery of the other man who's become Kinsey's world.

The Enduring Story of Astronomy's Vanishing Explorers FriesenPress

It's been years since Veronica left—since I made her leave—but I've envied and hated every man who's touched her since. I've hated myself even more because I wasn't supposed to stop trusting myself around her. I wasn't supposed to love her at all. Our truth is ugly. So twisted and wrong that I would do everything to protect her from it. I have done everything. So I'll let her keep hating me and I'll keep pretending we're nothing. But Veronica ... she was everything. It's been years since she was mine, and she still is. *

Book 2 of the *This Love Trilogy*
Uncovered Emily Snow Books

Two years ago, Evie's sister died, leaving her lost. Existing without really living. Coping the only way she knew how: by wrecking things. Last year, Evie exposed her dad's affairs, finished ripping apart her relationship with her longtime boyfriend, and completely ruined her music scholarship. But today, she's reinventing

herself at her new university. Desperate to break away from all the destruction she's caused, Evie's ready to start over. For her sister, who never even had a chance. And for herself. Then Rhys, her new voice instructor, happens. He's gorgeous and insanely talented, but he's also a part of the dark past Evie is trying to overcome. Rhys's brother is the reason why her life went up in flames, the reason why Lily, Evie's sister, is dead. But even though Rhys is the last person Evie should ever want, for the first time in two years, wrecking things seems...right.

The Great Sibling Rivalry: Volume 1 Revell

A boy, a girl, a family and a secret...Carefree sixteen-year-old Levon and contemplative seventeen-year-old Harmony are best friends and family -- his DJ dad and her yogi father have been in love for years, and they all live together in Chicago's vibrant Boystown neighborhood. So what if the dads have been arguing more lately, Levon's latest girlfriend just had a pregnancy scare, and two summers ago, Levon and Harmony's relationship crossed a very important line? They don't need

anyone but each other -- until one September afternoon when Levon returns home to a half-empty apartment.

Harmony and her father have moved to Los Angeles, where Harmony discovers a new side of herself, including an attraction to enigmatic classmate Elke.

Meanwhile, back in Chicago, Levon tries to adjust to life without Harmony and with an increasingly distant dad, throwing himself into a choice role in *The Nutcracker* and considering a professional dance career that would take him far away from the city he's always called home. But as Levon and Harmony drift apart and back together, a sudden tragedy reveals a secret kept by their blended families -- a secret that could change their already-complex relationship forever. Told in Levon and Harmony's alternating perspectives, with flashbacks to the times when life was easier (or was it?), *Satellite* is both an exploration and celebration of the messiness of love.

Emily's House St. Martin's Press

My name is Lizzie Connelly, and I have it all. The gorgeous apartment.

The new job most women would rip out their own souls for—working for Margaret Emerson at Emerson & Taylor. I have one of those lives you've always dreamt about, the kind you only see on HBO. But, the thing is, that life is a lie. A façade. It all started with one call. “Everything you know about your story—your father's story—is a lie. It's up to you to uncover everything.” One call, and I turned my world upside down to dig my way into Margaret's life—the woman who I'd never laid eyes on until recently. My stepmother who took everything after my father died fourteen years ago. The plan was simple—figure out what role she played in my father's death and expose her to the world. But here's another thing: simplicity doesn't exist, and my plans are flawed from the beginning because I never anticipated Oliver. Sexy, too smart for his own good, and infuriating, he's the one person who could blow my plans to uncover Margaret. She's his mother, and in another life, that would have made him my stepbrother. I want to pretend that none of that matters, that I can simply

finish what I came to do without sparing him a second glance and another thought. Like I said, though, there's no such thing as simplicity. My real name is Gemma Emerson. And this is my story.

A Novel Harlequin One of... Amazon's Best Romances of January Popsugar's Best New Romances of 2022 BuzzFeed, GMA.com, Shondaland, and Bustle's Best of January Oprah Daily's Most Anticipated Romances of 2022 E! News' Books to Add To Your Reading List in January Bookbub's Most Anticipated Romances of Winter The Nerd Daily's Swoonworthy 2022 Releases They were cowriting literary darlings until they hit a plot hole that turned their lives upside down. Three years ago, Katrina Freeling and Nathan Van Huysen were the brightest literary stars on the horizon, their cowritten book topping bestseller lists. But on the heels of their greatest success, they ended their partnership on bad terms, for reasons neither would divulge to the public. They haven't spoken since, and never planned to, except they have one final book due on contract. Facing crossroads in their

personal and professional lives, they're forced to reunite. The last thing they ever thought they'd do again is hole up in the tiny Florida town where they wrote their previous book, trying to finish a new manuscript quickly and painlessly. Working through the reasons they've hated each other for the past three years isn't easy, especially not while writing a romantic novel. While passion and prose push them closer together in the Florida heat, Katrina and Nathan will learn that relationships, like writing, sometimes take a few rough drafts before they get it right.

Friction Penguin

A woman who wants nothing to do with love or friendship finds both in the unlikeliest ways in this hilarious and heartwarming debut by Kerry Rea. Once upon a time, Willa Callister was a successful blogger with a good credit score, actual hobbies, and legs that she shaved more than once a month. But after finding her fiancé in bed with her best friend, she now spends her days performing at children's birthday parties in a ball gown that makes her look like a walking bottle of Pepto Bismol. Willa

dreams of starting fresh, where no one knows who she used to be, but first she needs to save up enough money to make it happen. Maisie Mitchell needs something too: another bridesmaid for her wedding. After a chance encounter at a coffee shop, Maisie offers to pay Willa to be in her bridal party. Willa wants nothing to do with weddings—or Maisie—but the money will give her the freedom to start the new life she so badly desires. Willa's bridesmaid duties thrust her into Maisie's high-energy world and into the path of hotshot doctor Liam Rafferty. But as Willa and Maisie form a real friendship, and Liam's annoyingly irresistible smile makes her reconsider her mantra that all men are trash, Willa's exit strategy becomes way more complicated. And when a secret from Maisie's past threatens to derail the wedding, Willa must consider whether friendship—and romance—are worth sticking around for.

The Last Stargazers

Emily Snow Books

An icon of American poetry, Emily Dickinson was also an avid gardener and botanist. Her

knowledge of the natural world profoundly influenced her poetry, her gardens inspiring the language and metaphors of her poems. This stunning notecard collection contains four distinctive Emily Dickinson passages on the nature and passage of time, inspiring both sender and receiver to savor life's precious moments. The box and enclosed envelopes are made with prints from the beloved poet's pressed-flower albums, where she collected over four hundred specimens.

Hot Mess Emily Snow Books

The Oxford Handbook of Emily Dickinson is designed to engage, inform, interest, and delight students and scholars of Emily Dickinson, of nineteenth-century US literature and cultural studies, of American poetry, and of the lyric. It also establishes potential agendas for future work in the field of Dickinson studies. This is the first collection on Dickinson to foreground the material and social culture of her time while opening new windows to interpretive possibility in ours. The volume strives to balance Dickinson's own center of

gravity in the material culture and historical context of nineteenth-century Amherst with the significance of important critical conversations of our present, thus understanding her poetry with the broadest "Latitude of Home"—as she puts it in her poem "Forever-is composed of Nows." Debates about the lyric, about Dickinson's manuscripts and practices of composition, about the viability of translation across language, media, and culture, and about the politics of class, gender, place, and race circulate through this volume. These debates matter to our moment but also to our understanding of hers. Although rooted in the evolving history of Dickinson criticism, the chapters foreground truly new original research and a wide range of innovative critical methodologies, including artistic responses to her poetry by musicians, visual artists, and other poets. The suppleness and daring of Dickinson's thought and uses of language remain open to new possibilities and meanings, even while they are grounded in contexts from over 150 years ago, and this collection expresses and

celebrates the breadth of her accomplishments and relevance.

Signs of You Lulu.com
When William and Emily Smith had their third child, they were quite happy that, after their first two children were both boys, they finally had a little girl of their own. At first, both of their sons; William and Andrew, embraced their baby sister, but soon Andrew started getting jealous of the baby because she started getting all the attention from aunts, uncles, cousins and anyone outside the family, really, that used to be reserved for him. This started Andrew and baby Carol Anne on the road to "The Great Sibling Rivalry," as they kept bickering especially once Carol Anne started being able to crawl around and get into Andrew's things, the two little siblings acting just like the typical brother-sister sibling rivals

The Christian Union

Simon and Schuster
Emily Freeman offers advice to the Christian woman on letting go of expectations and trusting in God.
Createspace Independent Pub

Fresh out of rehab, Hollywood starlet Willow Avery, to redeem herself, accepts the lead in a beach drama, set in Hawaii, where she meets a gorgeous Australian surfer who refuses to see her fail, but when a toxic old friend re-enters her life, she must make a difficult decision. Original.
The Still Point of the Turning World
Independently Published
"Politics. Sex. And all the angst. I couldn't put it down. Like reality tv but so much hotter!" #1 NYT Bestseller Rachel Van Dyken He's know as the "sexy senator." Cold, wickedly handsome, and too cocky for his own good, he gets what he wants with filthy promises and a smirk. I had no plan to be that girl. But that was before he found out my secret. Before he made me a proposition--one semester. Anything goes. And my problem would go away. "I'm a politician, Ms. Courtney. Twisting the truth is in my DNA." I should have left when he said that. I didn't. Because I couldn't get enough of the way he possessed my body, my soul, my heart. My name is Elle Courtney, but Graham Delaney--he

called me his dove. He should have called me his pawn.

His Pawn Penguin

He's the king of the Upper East Side. A playboy with a penchant for fast cars and beautiful girls. And I just woke up beside him... In a perfect world, I would never have gone to one of the Delaney brothers' fabled summer parties. He wouldn't have kissed me. And he wouldn't be making my body do wicked, beautiful things when he calls out my name or touches me. Thank god the world's not perfect. But Bennett Delaney is. He's filthy rich and arrogant. So achingly gorgeous that my heart skips a beat when he looks at me. I'm the daughter of his family's nanny- turned-housekeeper. The scholarship student from Queens. The girl who's had a thing for him her whole life. The one currently tangled up in his sheets. Again. I know I shouldn't get attached. That this might end as quickly as it started. That falling in love with Bennett is wrong. I know all this but my heart? It's already his. *THIS LOVE is the first book in the THIS LOVE trilogy
