Dynasty of Evil: Star Wars Legends (Darth Bane) Lucas Books

Across the galaxy, the Clone Wars are raging. The Separatists, led by Count Dooku, the onetime Jedi and now secret Sith Lord, continue to press forward, and more and more worlds are either falling, or seceding and joining the cause. Under the leadership of Supreme Chancellor Palpatine, the Republic heroically battles on, championed by its huge army of cloned soldiers and their Jedi generals. Anakin Skywalker, believed by some to be the prophesied "Chosen One" destined to bring balance to the Force, is now a Jedi Knight under the tutelage of his Jedi Master, Obi-Wan Kenobi. Death is a constant possibility—and his chances of survival aren't improved by the unexpected arrival of an apprentice:

Ahsoka, a brash, inexperienced fourteen-year-old Padawan apprenticed to Anakin. But there's no time for Anakin to question his latest orders: He and Obi-Wan have been assigned a new mission, and failure is not an option. Jabba the Hutt's precious infant son has been kidnapped, and when the frantic parent applies to the Jedi for help, it falls to Anakin, Obi-Wan, Ahsoka, and their clone troops to track down the evidence and retrieve the missing Huttlet. And more is at stake: For a grateful Jabba just might allow the Republic access to the Hutt-controlled space lanes that the Grand Army desperately needs in order to beat the Separatists into submission. But the Republic is not the only power that craves access to those space lanes. Count Dooku, determined to win the prize for the Separatists, has set a trap for the Jedi. When they find the Huttlet, they will also find Dooku's master assassin, Asajj Ventress, and countless legions of battle droids waiting to spring a trap. Kenobi Lucasbooks

Obi-Wan Kenobi and Anakin Skywalker must stem the tide of the raging Clone Wars and forge a new bond as Jedi Knights. The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy-and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone-and

his former master's insistence that he listen this time-Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal-but uncertain-footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together-and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

The Paradise Snare Del Rey

From widespread unemployment and mounting international hostilities, every day we are swept into more political chaos—so one brave man looks to the Star Wars universe for answers to our most urgent problems. “You can’t stop the change — anymore than you can stop the sun from setting.” Anakin Skywalker was never able to live with this wisdom shared by his mother on the day he left home to train as a Jedi Knight. That failure led him to becoming the fearsome villain we all know as Darth Vader. We’re living in a time of unprecedented and rapid change. An age of chaos. Democracies are in decline worldwide. Dictators are ascendant. Civic organizations are crumbling. People feel lonelier and more rudderless than in any other time in recent

history. We’ve tried to slow down, and in some cases we, like Anakin, have tried stop the change, but failed at every turn. The fears that come with living in an age of disruption have produced public anger, and that anger has swelled movements of hate. Author Stephen Kent believes part of the solution is hiding in plain sight. A story that binds together multiple generations with a common language, a moral framework, and a sense of wonder. It’s Star Wars. What if we looked to Star Wars for more than just entertainment? How the Force Can Fix the World takes this challenge on by analyzing the core principles of the Star Wars franchise: HOPE, CHOICE, HUMILITY, EMPATHY, REDEMPTION, BALANCE and rejecting FEAR. Together, these are the Star Wars roadmap for living better lives, and maybe even fostering a better politics. The path that we’re on — where fear leads to anger, and anger to hatred — will only end in suffering. But Star Wars shows us the way back from the brink. Shared stories of

virtue that are beloved across cultures and political divides are hard to come by, but Star Wars is one such story. Turn on the news; things are pretty broken right now — but the Force can fix the world.
