The Harvard Business Review Manager's Handbook HBR Guide to Project Management (HBR Guide Series)
 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Succeed as a project manager, even if you've never run a project before! This book is the fastest way to master every project management task, from upfront budgeting and scheduling through execution, managing teams through closing projects, and learning from experience. Updated with more insights from the front lines, including agile approaches, dealing with security and privacy priorities, and leading remote/virtual teams, along with the latest on Microsoft Project and PMI standards and certifications and a special bonus chapter on preparing for the PMP certification. This book will show you exactly how to get the job done, one incredibly clear and easy step at a time. Project management has never, ever been this simple! Who knew how simple project management could be? This is today's best beginner's guide to modern project

management... simple, practical instructions for succeeding with every task you'll need to perform! Here's a small sample of what you'll learn:

- Master the key skills and qualities every project manager needs
- Lead projects, don't just "manage" them
- Avoid 15 most common mistakes new project managers make
- Learn from troubled, successful, and "recovered" projects
- Set the stage for success by effectively defining your project
- Build a usable project plan and an accurate work breakdown structure (WBS)
- Create budgets and schedules that help you manage risk
- Use powerful control and reporting techniques, including earned value management
- Smoothly manage project changes, issues, risks, deliverables, and quality
- Manage project communications and stakeholder expectations
- Organize and lead high-performance project teams
- Manage cross-functional, cross-cultural, and virtual projects
- Work successfully with vendors and Project Management Offices
- Make the most of Microsoft Project and new web-based alternatives
- Get started with agile and "critical chain" project management
- Gain key insights that will accelerate your learning curve
- Know how to respond to real-life situations, not just what they teach you in school

Make an Impact, Inspire Your Organization, and Get to the Next Level Harvard Business Review Press

Is this blue book more valuable than a business degree? Most people enter their professional careers not understanding how to grow a business. At times, this makes them feel lost, or worse, like a fraud pretending to know what they're doing. It's hard to be successful without a clear understanding of how business works. These 60 daily readings are crucial for any professional or business owner who wants to take their career to the next level. New York Times and Wall Street Journal bestselling author, Donald Miller knows that business is more than just a good idea made profitable – it's a system of unspoken rules, rarely taught by MBA schools. If you are attempting to profitably grow your business or career, you need elite business knowledge—knowledge that creates tangible value. Even if you had the time, access, or money to attend a Top 20 business school, you would still be missing the practical knowledge that propels the best and brightest forward. However, there is another way to achieve this insider skill development, which can both drastically improve your career earnings and the satisfaction of achieving your goals. Donald Miller learned how to rise to the top using the principles he shares in this book. He wrote *Business Made Simple* to teach others what it takes to grow your career and create a company that is healthy and profitable. These short, daily entries and accompanying videos will add enormous value to your business and the organization you work for. In this sixty-day guide, readers will be introduced to the nine areas where truly successful leaders and their businesses excel: Character: What kind of person succeeds in business? Leadership: How do you unite a team around a mission? Personal Productivity: How can you get more done in less time? Messaging: Why aren't customers paying more attention? Marketing: How do I build a sales funnel? Business Strategy: How does a business really work? Execution: How can we get things done? Sales: How do I close more sales? Management: What does a good manager do? *Business Made Simple* is the must-have guide for anyone who feels lost or overwhelmed by the modern business climate, even if they attended business school. Learn what the most successful business leaders have known for years through the simple but effective secrets shared in these pages. Take things further: If you want to be worth more as a business professional, read each daily entry and follow along with the free videos that will be sent to you after you buy the book.

HBR Guide to Buying a Small Business Harvard Business Press

Find the right person to help supercharge your career. Whether you're eyeing a specific leadership role, hoping to advance your skills, or simply looking to broaden your professional network, you need to find someone who can help. Wait for a senior manager to come looking for you—and you'll probably be waiting forever. Instead, you need to find the mentoring that will help you achieve your goals. Managed correctly, mentoring is a powerful and efficient tool for moving up. The HBR Guide to Getting the Mentoring You Need will help you get it right. You'll learn how to:

- Find new ways to stand out in your organization
- Set clear and realistic development goals
- Identify and build relationships with influential sponsors
- Give back and bring value to mentors and senior advisers
- Evaluate your progress in reaching your professional goals

Reinventing Project Management Harvard Business Review Press

"You've got a great idea that will increase revenue or productivity—but how do you get approval to make it happen? By building a business case that clearly shows its value. Maybe you struggle to win support for projects because you're not sure what kind of data your stakeholders will trust, or naysayers always seem to shoot your ideas down at the last minute. Or perhaps you're intimidated by analysis and number crunching, so you just take a stab at estimating costs and benefits, with little confidence in your accuracy. To get any idea off the ground at your company you'll have to make a strong case for it. This guide gives you the tools to do that"--

A Failsafe Guide to Keeping Projects On Track and On Budget Harvard Business Review Press

ARE YOUR WORKING RELATIONSHIPS WORKING AGAINST YOU? To achieve your goals and get ahead, you need to rally people behind you and your ideas. But how do you do that when you lack formal authority? Or when you have a boss who gets in your way? Or when you're juggling others' needs at the expense of your own? By managing up, down, and across the organization. Your success depends on it, whether you're a young professional or an experienced leader. The HBR Guide to Managing Up and Across will help you: Advance your agenda—and your career—with smarter networking Build relationships that bring targets and deadlines within reach Persuade decision makers to champion your initiatives Collaborate more effectively with colleagues Deal with new, challenging, or incompetent bosses Navigate office politics

HBR Guide to Managing Up and Across (HBR Guide Series) Harvard Business Press

Don't let destructive drama sideline your career. Every organization has its share of political drama: Personalities clash. Agendas compete. Turf wars erupt. But you need to work productively with your colleagues—even difficult ones—for the good of your organization and your career. How can you do that without compromising your personal values? By acknowledging that power dynamics and unwritten rules exist—and navigating them constructively. The HBR Guide to Office Politics will help you succeed at work without being a power grabber or a corporate climber. Instead you'll cultivate a political strategy that's authentic to you. You'll learn how to: Gain influence without losing your integrity Contend with backstabbers and bullies Work through tough conversations Manage tensions when resources are scarce Get your share of choice assignments Accept that not all conflict is bad Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Making Better Decisions Harvard Business Press
MEET YOUR GOALS—ON TIME AND ON BUDGET. How do you rein in the scope of your project when you've got a group of demanding stakeholders breathing down your neck? And map out a schedule everyone can stick to? And motivate team members who have competing demands on their time and attention? Whether you're managing your first project or just tired of improvising, this guide will give you the tools and confidence you need to define smart goals, meet them, and capture lessons learned so future projects go even more smoothly. The HBR Guide to Project Management will help you: Build a strong, focused team Break major objectives into manageable tasks Create a schedule that keeps all the moving parts under control Monitor progress toward your goals Manage stakeholders' expectations Wrap up your project and gauge its success
Business Made Simple Harvard Business Press

HBR Guide to Data Analytics Basics for Managers (HBR Guide Series) Harvard Business Press

Bring strategy into your daily work. It's your responsibility as a manager to ensure that your work—and the work of your team—aligns with the overarching objectives of your organization. But when you're faced with competing projects and limited time, it's difficult to keep strategy front of mind. How do you keep your eye on the long term amid a sea of short-term demands? The HBR Guide to Thinking Strategically provides practical advice and tips to help you see the big-picture perspective in every aspect of your daily work, from making decisions to setting team priorities to attacking your own to-do list. You'll learn how to: Understand your organization's strategy Align your team around key objectives Focus on the priorities that matter most Spot trends in your company and in your industry Consider future outcomes when making decisions Manage trade-offs Embrace a leadership mindset

HBR Guide to Office Politics (HBR Guide Series) Harvard Business Press

DON'T LET YOUR FEAR OF FINANCE GET IN THE WAY OF YOUR SUCCESS Can you prepare a breakeven analysis? Do you know the difference between an income statement and a balance sheet? Or understand why a business that's profitable can still go belly-up? Has your grasp of your company's numbers helped—or hurt—your career? Whether you're new to finance or you just need a refresher, this go-to guide will give you the tools and confidence you need to master the fundamentals, as all good managers must. The HBR Guide to Finance Basics for Managers will help you: Learn the language of finance Compare your firm's financials with rivals' Shift your team's focus from revenues to profits Assess your vulnerability to industry downturns Use

financial data to defend budget requests Invest smartly through cost/benefit analysis

HBR Guide to Project Management (HBR Guide Series) Harvard Business Review Press

If you manage a team, you need to be able to measure and manage their performance. From establishing a performance review cycle and building toward your year-end assessment, to providing individual feedback and coaching and establishing group cohesion and accountability, this collection teaches you the skills you need to inspire your team to greater success. This specially priced four-volume set includes books from the HBR Guide series on the topics of Performance Management, Coaching Employees, Delivering Effective Feedback, and Leading Teams. You'll learn how to: Set—and adapt—employee and team goals Assess performance fairly Coach your employees through tough situations React calmly if someone gets defensive when you deliver feedback Create plans for individual development Rethink how you use performance ratings Avoid burnout on your team Foster group camaraderie and cooperation Hold your team accountable Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guides to Being an Effective Manager Collection (5 Books) (HBR Guide Series) Harvard Business Review Press

Learn how to make better; faster decisions. You make decisions every day—from prioritizing your to-do list to choosing which long-term innovation projects to pursue. But most decisions don't have a clear-cut answer, and assessing the alternatives and the risks involved can be overwhelming. You need a smarter approach to making the best choice possible. The HBR Guide to Making Better Decisions provides practical tips and advice to help you generate more-creative ideas, evaluate your alternatives fairly, and make the final call with confidence. You'll learn how to: Overcome the cognitive biases that can skew your thinking Look at problems in new ways Manage the trade-offs between options Balance data with your own judgment React appropriately when you've made a bad choice Communicate your decision—and overcome any resistance Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

HBR Guide to Getting the Mentoring You Need Harvard Business Press

Are you looking for an alternative to a career path at a big firm? Does founding your own start-up seem too risky? There is a radical third path open to you: You can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards—as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you: Determine if this path is right for you Raise capital for your acquisition Find and evaluate the right prospects Avoid the pitfalls that could derail your search Understand why a "dull" business might be the best investment Negotiate a potential deal with the seller Avoid deals that fall through at the last minute

How to Launch, Lead, and Sponsor Successful Projects BenBella Books, Inc.

Managing Projects Large and Small: The Fundamental Skills for Delivering on Cost and On Time When it comes to project

management, success lies in the details. This book walks managers through every step of project oversight from start to finish. Thanks to the book's comprehensive information on everything from planning and budgeting to team building and after-project reviews, managers will master the discipline and skills they need to achieve stellar results without wasting time and money. The Harvard Business Essentials series is for managers at all levels but is especially relevant for new managers. It offers on-the-spot guidance, coaching, and tools on the most relevant topics in business. Each book includes the critical information that managers need on a given topic—from budgeting to hiring to communication to strategy—and offers interactive tools and worksheets that translate advice into action. Providing ready answers to day-to-day issues, these guides make sound, trusted mentoring advice available whenever managers need it. Other Books in the HBE Series: *Managing Change and Transition* *Hiring and Keeping the Best People* *Finance for Managers* *Business Communications* *Innovation* *Negotiation* *Think Big, Buy Small, Own Your Own Company* Harvard Business Press

Don't let a fear of numbers hold you back. Today's business environment brings with it an onslaught of data. Now more than ever, managers must know how to tease insight from data—to understand where the numbers come from, make sense of them, and use them to inform tough decisions. How do you get started? Whether you're working with data experts or running your own tests, you'll find answers in the HBR Guide to Data Analytics Basics for Managers. This book describes three key steps in the data analysis process, so you can get the information you need, study the data, and communicate your findings to others. You'll learn how to: Identify the metrics you need to measure Run experiments and A/B tests Ask the right questions of your data experts Understand statistical terms and concepts Create effective charts and visualizations Avoid common mistakes

HBR Guide to Being More Productive (HBR Guide Series)
Harvard Business Press

The one primer you need to launch, lead, and sponsor successful projects. We're now living in the project economy. As the number of projects initiated in both the public and private sectors skyrockets, project management skills have become essential for all leaders and managers. But despite this project boom, the failure rate remains extremely high. Why? Leaders have too many projects and too little visibility into them, and they lack the

project implementation competencies necessary to deliver their projects successfully. Project managers have the technical skills, but they often have trouble translating their hands-on know-how up to the leaders'-eye view. Worthy projects languish and fail to deliver benefits, starved of resources, while too much investment is made in projects with less merit or potential value. The HBR Project Management Handbook will help you bridge this gap. In this comprehensive guide, project management expert Antonio Nieto-Rodriguez presents a simple and intuitive framework that will increase any project's likelihood of success. Packed with case studies from many industries worldwide, you'll learn to more effectively navigate through your organization's inventory of projects, programs, and strategic, and agile initiatives in order to better select which ones to push forward and which to kill, as well as how they should be prioritized and how you can ensure they're completed as planned. Timeless yet forward-looking, the advice in this book will help you and your organization thrive in the project-driven world. HBR Handbooks provide ambitious professionals with the frameworks, advice, and tools they need to excel in their careers. With step-by-step guidance, time-honed best practices, real-life stories, and concise explanations of research published in Harvard Business Review, each comprehensive volume helps you to stand out from the pack—whatever your role.

HBR Guide to Thinking Strategically (HBR Guide Series)
Harvard Business Review Press

Break down the barriers to effective collaboration. For cross-functional projects to work, you need to bring together diverse ideas and resources from across your organization. But office politics, conflicting objectives, and lack of clear authority can get in the way. The HBR Guide to Collaborative Teams provides practical tips and advice to help you collaborate more effectively. Whether you're leading your own direct reports or building a talented group from disparate parts of your organization, you'll discover how to align others' goals and skills so you can solve problems as a team and deliver great results. You'll learn to: Develop a shared purpose Bust departmental silos Lead employees who don't report to you Overcome conflict and turf wars Prevent collaborative overload and fatigue Use the right tools for virtual information sharing Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.
