COHEN HOLMES

Unlocking the Power of Sleep and Dreams

Hachette UK

Jefferson regarded Jesus as a moral guide rather than a divinity. In his unique interpretation of the Bible, he highlights Christ's ethical teachings, discarding the scriptures' supernatural elements, to reflect the deist view of religion.

Believing Jesus Charisma Media

Tired of trying to measure up? Trade your anxiety and frustration for rest and relaxation. Many of us believe that in order to please God, we have to be perfect. It's an easy lie to buy into. In a culture that emphasizes accomplishment and ever-higher goals, we feel driven to do more, achieve more, be more. And we get caught up in the unforgiving treadmill of self-imposed rules, believing that we should,

we need to, we must. The result? Anger, frustration, and anxiety that keep us far away from the life of peace that Jesus promised. For years, Sandra McCollom lived in this trap. Finally worn out from striving for perfection but constantly feeling like a failure, one day she prayed in desperation, begging God for help. God answered Sandra by setting her on a life-changing journey to discover the riches of His grace. In *I Tried Until I Almost Died*, Sandra shares how she left behind her burden of anxiety and fear and shows you how to experience for yourself the freedom of trusting solely in the perfecting power of God's grace.

A Journey Through the Book of Acts Wilder Publications

Pray your way to health and wholeness Based on Pastor Prince's teaching on the Holy Communion, this new prayer guide will help readers put their faith into action when it comes to their health. Day by day, Pastor Prince

highlights simple, specific Scriptures you can pray to help increase your faith and partake of the benefits Jesus purchased on the cross. Learn to walk with God, commune with the Holy Spirit, and meditate on the finished work of Jesus. Then watch His peace and power reign in your life. Be encouraged and start walking in a greater measure of health today! *The Secrets to Attracting the Opposite Sex with 7-Day Action Plan* Courier Dover Publications
Designed as an introduction to emergency management, this book includes pieces on: social, political, and fiscal aspects of risk management; land-use planning and building code enforcement regulations; insurance issues; emergency management systems; and managing natural and manmade disasters.
Our Declaration: A Reading of the Declaration of Independence in Defense of Equality GENERAL PRESS

In these days of danger, trouble, and evil, New York Times bestselling author Joseph Prince reveals how God's children can have round-the-clock protection through the power of prayer. THE PRAYER OF PROTECTION unveils the Bible's ultimate psalm of protection, Psalm 91, to help you understand more about how God guards His children. Joseph Prince offers simple keys and practical advice to finding and resting in the secret place of the Most High, where no evil can even come near you. You'll begin to live unafraid and with boldness as you allow the certainty of your heavenly Father's love and the sure promises of His Word to guard your heart against every fear. Come under the wings of the Almighty and live life divinely protected, positioned, and free from all fears with our covenant-keeping God!

The Jefferson Bible W. W. Norton & Company
NEW YORK TIMES
BESTSELLER • This instant classic explores how we can change our lives by changing our habits.
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The Power of Habit, award-

winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author "Sharp, provocative, and useful."—Jim Collins "Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good."—Financial Times "A flat-out great read."—David Allen,

bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* "You'll never look at yourself, your organization, or your world quite the same way."—Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind* "Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change."—The New York Times Book Review

The Life and Morals of Jesus of Nazareth The Power of Right Believing 7 Keys to Freedom from Fear, Guilt, and Addiction Shows readers how they can be healed through prayer and God's grace and compassion.

Unlock the Power of the Holy Communion

This great masterpiece in your hand was written to help you discover the power of believing in yourself and how you can harness the power to achieve your dream and become who you want to be in life. The height you will ever get to will be determined by how much you believe in yourself and in your ability to succeed. The simple truth is that if you believe in yourself, have dedication and the determination never to quit, you will be

a winner. The price of victory is high but so are the rewards. There will be rewards for achieving your dreams but there are also price you must be ready to pay. In this book, you will learn how to overcome challenges that will come on your way as you make efforts to succeed. I hope this book will help you to see yourself better than who you are now and discover the great power you carry within you. You have to be ready to see yourself in the reality of who you are. You can be more than who you are now, you can achieve more, and get to a greater height. Don't stop believing in yourself is my message for you.

[Eat Your Way to Life and Health](#) Thomas Nelson

The updated edition of the bestselling book that has changed millions of lives with its insights into the growth mindset “Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life.”—Bill Gates, GatesNotes After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D.,

discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities.

People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed.

Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

What you believe is powerful. If you can change what you believe, you can change your life! Many today are struggling to control their behaviors and actions because they don't have control over their emotions and feelings. They don't have control over their emotions and feelings because they don't have control over their thoughts. And they don't have control over their thoughts because they are not controlling what they believe. Put simply, if you believe wrong, you will struggle with wrong thoughts, toxic emotions, and destructive addictions. The good news is, there is a way out of this vicious cycle of defeat. THE POWER OF RIGHT BELIEVING will guide you to victory with these seven simple but practical keys that you can apply every day in your life: - Believe In God's Love For You - Learn To See What God Sees - Receive God's Complete Forgiveness - Win The Battle For Your Mind - Be Free From Self-Occupation - Have A Confident Expectation Of Good - Find Rest In The Father's Love These seven keys are easy and highly

effective Bible-based principles that will calibrate your mind to develop positive habits for right believing. Start believing right and experience freedom from every fear, guilt, and addiction.

Citizens Against the State in Central Eastern Europe

Multnomah

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for

God.

Living Fearlessly in Dangerous Times

Createspace Independent Publishing Platform
Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The Classic Guide to Unlocking the Power of Your Mind Penguin

Winner of the Francis Parkman Prize, Society of American Historians "A tour de force. . . . No one has ever written a book on the Declaration quite like this one."—Gordon Wood, New York Review of Books
Featured on the front page of the New York Times, Our Declaration is already regarded as a seminal work that reinterprets the promise of American democracy through our founding text. Combining a personal account of teaching the Declaration with a vivid evocation of the colonial world between 1774 and 1777, Allen, a political philosopher renowned for her work on justice and citizenship reveals our nation's founding text to be an animating force

that not only changed the world more than two-hundred years ago, but also still can. Challenging conventional wisdom, she boldly makes the case that the Declaration is a document as much about political equality as about individual liberty. Beautifully illustrated throughout, Our Declaration is an "uncommonly elegant, incisive, and often poetic primer on America's cardinal text" (David M. Kennedy).

From Anxiety and Frustration to Rest and Relaxation Penguin

Prince invites readers to embark on a purposeful and powerful journey in discovering and experiencing the unmerited favor of God. *The Lost Sisterhood* Bookcraft Pubs
"An elegant, impassioned demand that America see gender-based violence as a cultural and structural problem that hurts everyone, not just victims and survivors... It's at times downright virtuosic in the threads it weaves together."—NPR
From the woman who gave the landmark testimony against Clarence Thomas as a sexual menace, a new manifesto about the origins and course of gender violence in our

society; a combination of memoir, personal accounts, law, and social analysis, and a powerful call to arms from one of our most prominent and poised survivors. In 1991, Anita Hill began something that's still unfinished work. The issues of gender violence, touching on sex, race, age, and power, are as urgent today as they were when she first testified. *Believing* is a story of America's three decades long reckoning with gender violence, one that offers insights into its roots, and paths to creating dialogue and substantive change. It is a call to action that offers guidance based on what this brave, committed fighter has learned from a lifetime of advocacy and her search for solutions to a problem that is still tearing America apart. We once thought gender-based violence--from casual harassment to rape and murder--was an individual problem that affected a few; we now know it's cultural and endemic, and happens to our acquaintances, colleagues, friends and family members, and it can be physical, emotional and verbal. Women of color experience sexual

harassment at higher rates than White women. Street harassment is ubiquitous and can escalate to violence. Transgender and nonbinary people are particularly vulnerable. Anita Hill draws on her years as a teacher, legal scholar, and advocate, and on the experiences of the thousands of individuals who have told her their stories, to trace the pipeline of behavior that follows individuals from place to place: from home to school to work and back home. In measured, clear, blunt terms, she demonstrates the impact it has on every aspect of our lives, including our physical and mental wellbeing, housing stability, political participation, economy and community safety, and how our descriptive language undermines progress toward solutions. And she is uncompromising in her demands that our laws and our leaders must address the issue concretely and immediately. [The Power of Knowing What You Don't Know](#) Hachette UK Translated into 15 languages with more than 7 million copies sold, *The Power of Positive Thinking*

is unparalleled in its extraordinary capacity for restoring the faltering faith of millions. This book will show you how you can deal more effectively with tough situations and difficult people, and dramatically improve your performance and confidence. You will learn:

- How to eliminate that most devastating handicap—self doubt
- How to free yourself from worry, stress and resentment
- How to climb above problems to visualize solutions and then attain them

With inspiring examples and anecdotes, the book successfully delivers stimulating ideas and practical techniques to adopt optimism and live a victorious life. *The Power of Positive Thinking* is a phenomenal bestseller that has inspired millions of people across the world. [A 90-Day Devotional](#) Charisma Media "One of the greatest inspirational and motivational books ever written." — Norman Vincent Peale In this bestselling self-help book, a successful businessman reveals the secrets behind harnessing the unlimited energies of the subconscious. Millions of readers have benefited

from these visualization techniques, which show you how to turn your thoughts and dreams into actions that can lead to enhanced income, happier relationships, increased effectiveness, heightened influence, and improved peace of mind. World War I veteran Claude M. Bristol (1891-1951) wrote *The Magic of Believing* to help former soldiers adjust to civilian life. A pioneer of the New Thought movement and a popular motivational speaker, Bristol addressed those in all walks of life, from politicians and leaders to performers and salespeople. His timeless message of the powers of focused thinking and self-affirmation remains a vital source of inspiration and a practical path to achievement.

[The Power of Believing in Yourself](#) Simon and Schuster

The Reason for God

Penguin

Ye have not, because ye ask not (James 4:2). I BRING YOU A MESSAGE FROM GOD contained in seven short words. Six of the seven words are monosyllables, and the remaining word has but two syllables and is one of the most familiar and most easily understood words in the English language. Yet there is so much in these seven

short, simple words that they have transformed many a life and brought many an inefficient worker into a place of great power. I spoke on these seven words some years ago at a Bible conference in central New York. Some months after the conference, I received a letter from the man who had presided at the conference, one of the best-known ministers of the gospel in America. He wrote me, "I have been unable to get away from the seven words on which you spoke at Lake Keuka, they have been with me day and night. They have transformed my ideas, transformed my methods,

transformed my ministry."

The man who wrote those words has since been the pastor of what is probably the most widely known of any evangelical church in the world. I trust that the words may sink into some of your hearts today as they did into his on that occasion and that some of you will be able to say in future months and years, "I have been unable to get away from those seven words, they have seen with me day and night. They have transformed my ideas, transformed my methods, transformed my life, and transformed my service for God."
