The Addams Family (Songbook) Boat Angel Outreach Center (Vocal Selections). "This show has guts!" proclaimed Richard Zoglin of Time magazine about this 2012 revival, which won the Off-Broadway Alliance Award for Best Musical Revival. It features music by Michael Gore, lyrics by Dean Pitchford, and book by Lawrence D. Cohen (based on the novel by Stephen King). Our folio features vocal selections for 18 songs from that revival, including: Alma Mater * And Eve Was Weak * Carrie * Carrie

(Reprise) * Do Me a Favor * Dreamer in Disguise * Epilogue * Evening Prayers * I Remember How Those Boys Could Dance * In * A Night We'll Never Forget * Once You See * Open Your Heart * Unsuspecting Hearts * When There's No One * Why Not Me? * The World According to Chris * You Shine.

Baseball Franks Hal Leonard Corporation

A biography of the actor who gained fame playing Count Dracula in the 1931 classic film.

Footloose University Press of Kentucky

Posthumously inducted into the National Radio Hall of Fame in 2007, Richard Durham creatively chronicled and brought to life the significant events of his times. Durham's trademark narrative style engaged listeners with fascinating characters, compelling details, and sharp images of pivotal moments in American and

African American history and culture. In *Word Warrior*, award-winning radio producer Sonja D. Williams draws on archives and hard-to-access family records, as well as interviews with family and colleagues like Studs Terkel and Toni Morrison, to illuminate Durham's astounding career. Durham paved the way for black journalists as a dramatist and a star investigative reporter and editor for the pioneering black newspapers the *Chicago Defender* and *Muhammed Speaks*. Talented and versatile, he also created the acclaimed radio series *Destination Freedom* and *Here Comes Tomorrow* and wrote for popular radio fare like *The Lone Ranger*. Incredibly, his energies extended still further—to community and labor organizing, advising Chicago mayoral hopeful Harold Washington, and mentoring generations of activists. Incisive and in-depth, *Word Warrior* tells the story of a tireless champion of African American freedom, equality, and justice during an epoch that forever changed a nation.

How many children have died before they were even born. They missed the excitement of Christmas the birth of Christ and the candy canes. Now you can see how much children in Heaven will love Christmas plays.

Return to the Sea Top Shelf Productions

THE STORY: The Acting Edition contains notes showing how nearly all scene changes may be made with a minimum of effort. People are inclined to laugh at Joe, a moody young Italian with cockeyed notions. At heart a musician—he has a real talent for *Unscripted* Boat Angel Outreach Center

The definitive account of the life and tragic death of baseball legend Lou Gehrig. Lou Gehrig was a baseball legend—the Iron

Horse, the stoic New York Yankee who was the greatest first baseman in history, a man whose consecutive-games streak was ended by a horrible disease that now bears his name. But as this definitive new biography makes clear, Gehrig's life was more complicated—and, perhaps, even more heroic—than anyone really knew. Drawing on new interviews and more than two hundred pages of previously unpublished letters to and from Gehrig, *Luckiest Man* gives us an intimate portrait of the man who became an American hero: his life as a shy and awkward youth growing up in New York City, his unlikely friendship with Babe Ruth (a friendship that allegedly ended over rumors that Ruth had had an affair with Gehrig's wife), and his stellar career with the Yankees, where his consecutive-games streak stood for more than half a century. What was not previously known, however, is that symptoms of Gehrig's affliction began appearing in 1938, earlier than is commonly acknowledged. Later, aware that he was dying, Gehrig exhibited a perseverance that was truly inspiring; he lived the last two years of his short life with the same grace and dignity with which he gave his now-famous "luckiest man" speech. Meticulously researched and elegantly written, Jonathan Eig's *Luckiest Man* shows us one of the greatest baseball players of all time as we've never seen him before.

Rent Henry Holt and Company

On the front steps and in the cellar of ten-year-old producer-director Rosie's Brooklyn row house, Rosie herself and her Nutshell friends put on a musical extravaganza.

Inside Out The Shooting Script Cambridge Scholars Publishing (Vocal Selections). Based on the macabre cartoon Charles Addams created in 1938 for *The New Yorker*, this Broadway

musical was nominated for multiple awards in 2010, including two Tony nods. Our songbook features vocal lines with piano accompaniment for 14 fantastic tunes by Andrew Lipka: The Addams Family Theme * Crazier Than You * Happy/Sad * In the Arms * Just Around the Corner * Let's Not Talk About Anything Else but Love * Live Before We Die * The Moon and Me * Morticia * One Normal Night * Pulled * Waiting * What If * When You're an Addams.

The NFL, Concussions, and the Battle for Truth Hal Leonard Corporation

Welcome to the world of the Alley Cats, they are just trying to get a break for their band, but with opposition from the locals they are having a hard time. You can sing, dance and play your saxophone and piano like a master, but sometimes you still have to scratch your way to the top.

Golden Boy An Actor Prepares Golden Boy Play in 3 Acts

Flat Stanley and Arthur are excited to go ice-skating on the frozen lake. But when the weather suddenly warms up, Stanley finds himself skating on thin ice! Beginning readers will love following along with Flat Stanley's winter adventure. Flat Stanley: On Ice is a Level Two I Can Read book, geared for kids who read on their own but still need a little help.

Considered a masterpiece since its first appearance on stage in 1904, Peter Pan is JM Barrie's most famous work and arguably the greatest of all children's stories. Humorous, satiric, filled with suspenseful cliff-hangers and bittersweet truths, Peter Pan works

an indisputable magic on readers of all ages, making it a true classic of imaginative literature. Ever since Peter Pan flew in through Wendy Darling's nursery window and took her off to Never Land, Barrie's classic adventure story has thrilled and delighted generations of theatre-goers.

The LITTLE Mermaid 2 Paw Prints

In this version of the pop rock song "Footloose," zookeeper Jack joins the zoo animals in an all-night dance party.

Shrek the Musical (Songbook) Boat Angel Outreach Center

Getting teenagers ready for life is a challenge to every teacher.

How do you teach them about what is coming up without crushing their inherent sense of innocence. Life is hard but it also is often very good. This collection of musicals will help take them into a world ruled by others without the shock value that so much literature wishes to display.

Bonus CD! "Footloose" Performed by Kenny Loggins Boat Angel Outreach Center

Ernie Johnson Jr. has been in the game a long time. With one of the most recognized voices in sports broadcasting, he is a tireless perfectionist when it comes to preparing and delivering his commentary. Yet he knows that some of sports' greatest triumphs--and life's greatest rewards--come from those unscripted moments you never anticipated. In this heartfelt, gripping autobiography, the three-time Sports Emmy Award-winner and popular host of TNT's Inside the NBA provides a remarkably candid look at his life both on and off the screen. From his relationship with his sportscaster father to his own rise to the top of sports broadcasting, from battling cancer to raising six children with his wife, Cheryl, including a special needs child

adopted from Romania, Ernie has taken the important lessons he learned from his father and passed them on to his own children. This is the untold story, the one Ernie has lived after the lights are turned off and the cameras stop rolling. Sports fans, cancer survivors, fathers and sons, adoptive parents, those whose lives have been touched by a person with special needs, anyone who loves stories about handling life's surprises with grace-- Unscripted is for all of these.

The Life and Films of Bela Lugosi Samuel French, Inc.

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

HBO's Ruthless Pursuit of New Frontiers Univ of Georgia Press+ORM

NEW YORK TIMES BESTSELLER • The story of how the NFL, over a period of nearly two decades, denied and sought to cover up mounting evidence of the connection between football and brain damage “League of Denial may turn out to be the most influential sports-related book of our time.”—The Boston Globe “Professional football players do not sustain frequent repetitive blows to the brain on a regular basis.” So concluded the National Football League in a December 2005 scientific paper on concussions in America’s most popular sport. That judgment, implausible even to a casual fan, also contradicted the opinion of a growing cadre of neuroscientists who worked in vain to convince the NFL that it was facing a deadly new scourge: a chronic brain disease that was driving an alarming number of players—including some of the all-time greats—to madness. In *League of Denial*, award-winning ESPN investigative reporters Mark Fainaru-Wada and

Steve Fainaru tell the story of a public health crisis that emerged from the playing fields of our twenty-first-century pastime.

Everyone knows that football is violent and dangerous. But what the players who built the NFL into a \$10 billion industry didn’t know—and what the league sought to shield from them—is that no amount of padding could protect the human brain from the force generated by modern football, that the very essence of the game could be exposing these players to brain damage. In a fast-paced narrative that moves between the NFL trenches, America’s research labs, and the boardrooms where the NFL went to war against science, *League of Denial* examines how the league used its power and resources to attack independent scientists and elevate its own flawed research—a campaign with echoes of Big Tobacco’s fight to deny the connection between smoking and lung cancer. It chronicles the tragic fates of players like Hall of Fame Pittsburgh Steelers center Mike Webster, who was so disturbed at the time of his death he fantasized about shooting NFL executives, and former San Diego Chargers great Junior Seau, whose diseased brain became the target of an unseemly scientific battle between researchers and the NFL. Based on exclusive interviews, previously undisclosed documents, and private emails, this is the story of what the NFL knew and when it knew it—questions at the heart of a crisis that threatens football, from the highest levels all the way down to Pop Warner.
