Harper Collins

“What we call  
imagination is  
actually the  
universal  
library of  
what’s real.

You couldn't imagine it if it weren't real somewhere, sometime." - Terence Mckenna Scientific theories that were once considered right and mighty were later proven wrong. This is the case even with the best and most thorough scrutiny and investigation. There is no knowing when a better scientific theory will come to replace the old. It is clear that the study of Sumerian clay tablets

will continue to interest areas of science, history, archaeology, cosmology, and more, due to its continued "effect" of encompassing studies from unrelated fields. The Sumerians were the most extraordinary people who ever lived on the face of the earth. They seemed to come from out of nowhere, and they single-handedly invented civilization when most of the rest of the

world was still living in the Stone Age. What's more, they did it thousands of years before anyone else. The Sumerian civilization was already ancient when it ended in 2004 B.C., twenty centuries before Julius Caesar, sixteen centuries before Socrates, and seven centuries before Tutankhamen. "The highest form of ignorance is when you reject something

you don't know about."  
 ~ Wayne Dyer  
The Greatest Love Story Never Told  
 Rowman & Littlefield  
 Presents a collection of heroic true stories from airport firefighters, hazardous materials experts, smoke jumpers, and New York City firefighters who survived the collapse of the World Trade Center on September 11, 2001.  
*The True History of Allah and His*  
 5% Summit University

Press  
 This book is based on the true history of Allah "the Father" and His great Nation of Gods and Earths known as the Five Percenters. This is the greatest story that was never told by the Gods and the Earths during their younger years with Allah "the Father" from the early 1960s up until the time of his assassination on June 13, 1969. This was a time of struggle for the Black Man, Woman, and

Child (the Universal Family). This was the time of "the Big Five", who were: Allah "the Father", who brought about the Nation of Gods and Earths known as the Five Percenters; the Honorable Elijah Muhammad, who was the last and greatest messenger of Allah, also the leader and teacher of the Black Muslims; Malcolm X of the new arrival; Dr. Martin Luther King, Jr., the civil rights

leader; and the Black Panther Party on the East and West coasts. These five groups were called the Big Five, because they had the attention of every Black Man, Woman, and Child in the wilderness of North America and other parts of our planet. There was a host of other Black groups as well. This was a time when the Five Percenter's teachings were being taught/spoken so plain and simple that

even a child could understand. Black people were on the rise, and it was a time for a change—for Black Man, Woman, and Child to take their place on earth. Peace!  
**New York's Finest**  
Andrews McMeel Publishing  
The Torah is the first five books of the Hebrew and Christian Bible. Torah means to teach. What does the Torah teach? How does the Torah teach? Scholars agree the

Bible evolved from an oral tradition to its written form. This book examines the messages of the Book of Genesis, the first book of the Bible, based on what those messages would have sounded like to an audience in the original oral tradition. The episodes of Creation and the 21 separate stories of the iconic figure of Abraham are recast under the microscope of the prevailing Near Eastern

context of their birth. The reader is invited to experience the vivid world of antiquity and for the first time hear The Greatest Story Never Told. The Greatest Stories Ever Played Penguin Pain Peace & Prosperity is a 3 part book series which details the extremely hard and complex upbringing of rapper/actor Brian "Saigon" Carenard. Saigon is mostly known for his recurring role

on H.B.O.'s hit show Entourage; as well as being a legend in the NY underground Hip Hop scene for well over a decade. Before there were any film crews and music studios, there was project housing, poverty and years of being incarcerated that plagued Saigon's life. In this 3 part book series, he explains the source of the PAIN, that put him in search of the PEACE, that would ultimately

lead to some PROSPERITY. This is the reality of the guy who duped Turtle on Entourage. The reality of the guy who has had multiple public fist fights with other famous rappers. The reality of the guy we seen on Love and Hip Hop NY struggling to co parent with the mother of his son. This is the 100% complete, real and honest, in his own words, GREATEST STORY NEVER TOLD. It a most certainly a must READ.....

Read and  
Review now.  
**The Greatest  
Story NEVER  
Told**  
Abingdon  
Press  
The gritty,  
true blue story  
of two  
remarkable  
cops and an  
equally  
extraordinary  
nurse who  
provided the  
spirit and  
smarts that  
transformed  
Fear City into  
the safest big  
city in  
America. NEW  
YORK'S  
FINEST is the  
story of a  
city's  
transformation  
through the  
tireless efforts  
of Detective  
Steven

McDonald,  
Nurse  
Justiniano,  
Jack Maple,  
and a host of  
hero  
cops—including  
the great  
niece of Jazz  
Age great  
Josephine  
Baker—the  
finest of The  
Finest. The  
son and  
grandson of  
cops, Officer  
McDonald was  
shot and  
paralyzed  
from the neck  
down while on  
patrol in 1986.  
The doctors  
said that if he  
did survive, he  
would be  
better off  
dead. It was  
then he came  
under the care  
of one Nurse

Nina  
Justiniano.  
Where the  
teenage  
gunman was  
produced by  
the worst of  
Harlem's  
social ills, she  
personified its  
many graces,  
rescuing  
Steven from  
despair and  
urging him to  
transcend  
hate and  
bitterness.  
McDonald was  
then  
promoted to  
detective at  
the urging of  
NYPD Deputy  
Commissioner  
Jack Maple, a  
postal  
worker's son  
who sported a  
bow tie,  
Homburg hat,  
and two-tone

shoes as he implemented transformative crime-fighting strategies to deter violent subway robberies. Coming up in the force, Maple had been routinely mocked for imagining the impossible: that Times Square would one day be a destination for families and tourists. Now, resentments and tensions are mounting in the same neighborhoods that most benefited from the careful consideration of officers like McDonald and

Maple. But as NEW YORK'S FINEST illustrates, their legacies, and those of people like Nurse Justiniano, may well rescue New York City from its present state of unrest and struggle in the wake of protests and the pandemic. *ISSA Dc Comics Discover hidden mysteries behind the early Christian teachings, suppressed by the Church and shunned by the clergy.* This is a not a book for the

faint of heart who bow to the dogmas, distortions and coercion of organized religions, but it is for those who seek wisdom and knowledge. From Leonardo da Vinci's sacred geometry and the five-pointed star to the star of Bethlehem, you will uncover the mysteries of the heavens above and the heaven within while expanding your knowledge of astrology, mythology and

psychology. Transform your life. Master the power and magic of the spoken word, light, and the subconscious mind. Secrets hidden for centuries are now uncovered in this astonishing revelation. **The Thousand and One Nights** Mango Media Inc. Almost three centuries have passed since the oldest manuscript of "The Thousand and One Nights" arrived in Europe. Since

then, the "Nights" have occupied the minds of scholars world-wide, in particular the questions of origin, composition, language and literary form. In this book, Muhsin Mahdi, whose critical edition of the text brought so much praise, explores the complex literary history of the "Nights," bringing to fruition the search for the archetype that constituted the core of the surviving editions, and

treating the fascinating story of the growth of the collection of stories that we now know as "The Thousand and One Nights," The Greatest Love Story Ever Told Writers Republic LLC The inspirational and true story of James Herman Banning, the first African American pilot to fly across the country, comes to life in this picture book biography perfect for fans of Hidden Figures and

Little Leaders. Includes art from a Coretta Scott King award-winning illustrator. James Herman Banning always dreamed of touching the sky. But how could a farm boy from Oklahoma find a plane? And how would he learn to fly it? None of the other pilots looked like him. In a journey that would span 3,300 miles, take twenty-one days, and inspire a nation, James Herman Banning proved that you can't put barriers on dreams. Louisa Jaggar incorporates over seven years of research, including Banning's own writings and an interview with the aviator's great-nephew. She teams up with cowriter Shari Becker and award-winning illustrator Floyd Cooper to capture Banning's historic flight across the United States. "A pathos-filled picture book that celebrates the life of a figure in American history who hasn't been featured often." -School Library Journal, Starred Review "A story well worth sharing." -Kirkus Reviews

*The Greatest Story in Sports - Green Bay Packers 1919 -2019* Contagious Publishing

The story opens in the stinking latrines of the Schubin camp as an American and a Canadian lead the digging of a tunnel which

enabled a break involving 36 prisoners of war (POWs). The Germans then converted the camp to Oflag 64, to exclusively hold US Army officers, with more than 1500 Americans ultimately housed there. Plucky Americans attempted a variety of escapes until January, 1945, only to be thwarted every time. Then, with the Red Army advancing closer every day, camp

commandant Colonel Fritz Schneider received orders from Berlin to march his prisoners west. Game on! Over the next few days, 250 US Army officers would succeed in escaping east to link up with the Russians - although they would prove almost as dangerous as the Nazis - only to be ordered once they arrived back in the United States not to talk about their adventures. Within months,

General Patton would launch a bloody bid to rescue the remaining Schubin Americans. In The Big Break, this previously untold story follows POWs including General Eisenhower's personal aide, General Patton's son-in-law, and Ernest Hemingway's eldest son as they struggled to be free. Military historian and Paul Brickhill biographer Stephen Dando-Collins expertly chronicles this

gripping story of Americans determined to be free, brave Poles risking their lives to help them, and dogmatic Nazis determined to stop them.

What most of us don't know about our presidents could fill a book—and this just happens to be that book!

From the archives of The History Channel® comes a treasure trove of quirky presidential history that

will truly astonish, bewilder, and stupefy. Like Abraham Lincoln's duel or Jimmy Carter's UFO sighting . . . and let's not forget about the president who went skinny-dipping in the Potomac every day! That's the kind of presidential history you'll find in *The Greatest Presidential Stories Never Told: One hundred little-known stories to make you shake your head in wonder. If you want to find*

out how "Hail to the Chief" came to be the president's song, why the Oval Office isn't square, which president saved the game of football, and why Washington, D.C., could have been named Hertburn, this is the book for you. Did You Know About: The custody battle that made George Washington an American? The counterfeiters who tried to steal Lincoln's body? The

woman who brought down Andrew Jackson's cabinet? The man who was president for a day? You know what makes the presidents famous, but it's the stuff you don't know that makes them interesting. A feast of fascinating presidential tidbits awaits. [Hate/Smile](#) St. Martin's Press

Rights Agency  
Tuberculosis is the greatest killer of all time. In this century and the previous one, it was responsible for the deaths of a thousand million human beings. Half way through the 20th century, people did not believe that a cure would ever be possible, but a few scientists throughout the world each played a part in finding that cure. The discovery changed history, yet that story has never been

told.  
[Everything I Never Told You](#) The Greatest Stories Never Told  
The Ghost Army of World War II describes a perfect example of a little-known, highly imaginative, and daring maneuver that helped open the way for the final drive to Germany. It is a riveting tale told through personal accounts and sketches along the way—ultimately, a story of success

against great odds. I enjoyed it enormously. – Tom Brokaw  
 In the summer of 1944, a handpicked group of young GIs—including such future luminaries as Bill Blass, Ellsworth Kelly, Arthur Singer, Victor Dowd, Art Kane, and Jack Masey—landed in France to conduct a secret mission. Armed with truckloads of inflatable tanks, a massive collection of sound-effects records, and

more than a few tricks up their sleeves, their job was to create a traveling road show of deception on the battlefields of Europe, with the German Army as their audience. From Normandy to the Rhine, the 1,100 men of the 23rd Headquarters Special Troops, known as the Ghost Army, conjured up phony convoys, phantom divisions, and make-believe headquarters to fool the

enemy about the strength and location of American units. Between missions the artists filled their duffel bags with drawings and paintings and dragged them across Europe. Every move they made was top secret and their story was hushed up for decades after the war's end. The Ghost Army of World War II is the first publication to tell the full story of how a traveling road show of artists wielding

imagination, paint, and bravado saved thousands of American lives.

*The Greatest Music Stories Never Told*  
Penguin

A portrait of notorious gambler and New York businessman Arnold Rothstein examines the myths that surrounded his life, from his alleged links to the fixing of the 1919 World Series to his inspiration of literary and stage characters.

**The Greatest Story Never**

**Told** Harper Encourages Methodists to re-explore their spiritual identities in order to stir up dormant passions and challenge contemporary critiques of the faith.

Harper Collins Search the annals of military history and you will discover no end of quirky characters and surprising true stories: The topless dancer who saved the Byzantine Empire. The World War I battle that was halted so

a soccer game could be played. The scientist who invented a pigeon-guided missile in 1943. And don't forget the elderly pig whose death triggered an international crisis between the United States and Great Britain. This is the kind of history you'll find in *The Greatest War Stories Never Told*. One hundred fascinating stories drawn from two thousand years of military history, accompanied

by a wealth of photographs, maps, drawings, and documents that help bring each story to life. Little-known tales told with a one-two punch of history and humor that will make you shake your head in disbelief -- but they're all true! Did You Know That: One military unit served on both sides during the Civil War The War of Jenkins's Ear was actually fought over a sea captain's ear Daniel Boone was

once tried for treason A siege on Poland in 1519 gave birth to the marriage of bread and butter Discover how war can be a catalyst for change; an engine for innovation; and an arena for valor, deceit, intrigue, ambition, revenge, audacity, folly, and even silliness. Want to know how the mafia helped the United States win World War II, when the word bazooka was coined, or

how Silly Putty was invented? Read on! The Greatest Stories Never Told Harper Collins The book Hate/Smile- The Greatest Story Never Told is an autobiography of Neal Studzinski. The story captures the various facets and the ups and downs of the personal life of the author. The narration is casual, friendly, empathetic, and expressive, taking into account the stressful

experiences of his bipolar disorder and other life problems, and how he conquers it. Neal Studzinski is a multi-talented creative mind who has shown his prowess as a marketing professional, entrepreneur, front-end developer, and writer. A business graduate from Baker College of Clinton Township, MI, Studzinski went to high school on 8 Mile and hung out with Eminem and his

roommates: Robert Claus (Chedda' Bob), Mike (Manix) & Matt (Butterfingers) Ruby, and the late James Deel (Chaos Kid). He learned to walk the walk at a young age hanging out with those guys. Neal watched the formation of the groups Soul Intent and Bassmint Productions. He already knew how to talk the talk. The Greatest Story Ever Told--So Far Simon & Schuster/Paul a Wiseman Books

An award-winning theoretical physicist and best-selling author of *A Universe from Nothing* traces the dramatic discovery of the counterintuitive world of reality, explaining how readers can shift their perspectives to gain greater understandings of our individual roles in the universe. -- Publisher. *The Greatest Presidential Stories Never Told* Rowman & Littlefield In this fun and

informative YA Non-fiction title, Dustin Hansen, author of Game On!, a self-confessed video game addict with over 20-years experience in the gaming industry, examines the storytelling skills shown in some of the most beloved and moving games of all time. We all know that video games are fun, but can a video game make you cry? Can it tell you a powerful love

story? Can a video game make you think differently about war? About the environment? About the choices you make? Whether it's playing through blockbuster-esque adventures (Uncharted, God of War, The Last of Us), diving deep into hidden bits of story and lore (Red Dead Redemption II, Bioshock, Journey) or building relationships

that change the fate of the world itself (Persona 5, Undertale), video games are bringing stories to life in ways that are immediate, interactive and immersive. Focusing on some of the best, most memorable, experiences in gaming, The Greatest Stories Ever Played, examines the relationship between gaming and storytelling in a new way.
