Mis memorias SUNY Press El presente estudio analiza un conjunto de cartas que establecen el escenario sentimental, laboral y familiar en el que se movían las mujeres de la clase trabajadora. En su mayoría las cartas no se radiaron y constituyeron una vía de comunicación paralela al programa de radio y se contestaron particularmente.

Named one of the Best Cookbooks of the Year / Best Cookbooks to Gift by the New York Times, Food & Wine, Saveur, Rachael Ray Every Day, National

Geographic, The Guardian and more “Truly insider access, an authentic look at the traditions of one of the most incredible culinary regions of the world.” —José Andrés
Tucked away in the northwest corner of Spain, Basque Country not only boasts more Michelin-starred restaurants per capita than any other region in the world, but its unique confluence of mountain and sea, values and tradition, informs every bite of its soulful cuisine, from pintxos to accompany a glass of wine to the elbows-on-the-table meals served in its legendary eating clubs. Yet Basque Country is more than a little inaccessible—shielded by a unique language and a distinct culture, it’s an enigma to most outsiders. Until now. Marti Buckley, an American chef, journalist, and passionate Basque transplant, unlocks the mysteries of this culinary world by bringing together its intensely ingredient-driven recipes with stories of Basque customs and the Basque kitchen, and vivid photographs of both food and place. And surprise: this is food we both want to eat and can easily make. It’s not about exotic ingredients or

flashy techniques. It’s about mind-set—how to start with that just-right fish or cut of meat or peak-of-ripeness tomato and coax forth its inherent depth of flavor. It’s the marriage of simplicity and refinement, and the joy of cooking for family and friends.

Why does one man succeed and another fail? There is an answer. And it will be found in this book. Often the rules for success are so simple and so obvious they aren't even seen. But when you search for them, you, too, can find them. And during the search something wonderful happens—you acquire knowledge, you gain experience and you become inspired. And then you begin to realize the necessary ingredients for success. All of these things and more can be yours if you will follow a few simple rules and put to work the easy to follow

principles in this book. Within these pages, it is proven that success can be reduced to a formula...to a system that NEVER fails. In your hands lies the golden key to a glittering future and the true riches of life.

Esta es una antología pensada, una selección de presentaciones, introducciones, prólogos, artículos y ensayos, con agudas reflexiones en y desde la génesis de nuestra historia nacional. Atrapa en su coherencia historiográfica de tres tomos. Con estos estudios históricos, en su primer tomo, Torres-Cuevas incita a identificarnos a profundidad con la Cuba pensada, en el concepto raigal de la cubanidad. Desde tres grupos temáticos: «En busca de las raíces», «El criollo. De la sensibilidad a la racionalidad» y «La razón ilustrada», diversas aristas se interrelacionan en única estructura ideotemporal, la cual permite valorar las esencias del desarrollo, en acción y pensamiento, de la sociedad cubana, desde la

conquista hasta los inicios del siglo XIX.

Manuel Castillo fue durante toda su vida un republicano convencido. Desde muy joven se comprometió con un ideal que marcó su trayectoria personal y profesional hasta obligarle a tomar el camino del exilio, primero en Francia y, definitivamente, en México. Pocos años antes de morir redactó un relato autobiográfico en el que reunió sus experiencias durante la España de la Restauración, de la Segunda República y del exilio. De su mano se evocan desde la vida en un barrio popular madrileño en tiempos de

la Primera República, a la lucha política en la Salamanca de los años noventa del siglo XIX, pasando por las huellas de su vocación política, docente y periodística desarrollada con intensidad en Cáceres y Valencia hasta su huida de España. Finalmente, las Memorias de Manuel Castillo permiten a los lectores recordar la quiebra de esperanzas y proyectos que supuso la guerra civil, la derrota republicana y el exilio para varias generaciones de españoles. Su compromiso con la educación y el desarrollo humano ha dejado huella en la sociedad valenciana a través de su legado a la

Universitat de València, haciendo posible la creación de su primer órgano de cooperación universitaria al desarrollo: el Patronat Sud-Nord.
