The Kane Chronicles, Book Three: The Serpent's Shadow Kane Chronicles
 Siblings Sadie and Carter Kane discover that the gods of Egypt are waking, and the worst of them--Set--has his sights on them. To stop him, the duo embarks on a dangerous journey across the globe, one that brings Carter and Sadie ever closer to the truth about their family and its connection to a secret order that has existed since the time of the pharaohs. The heart-stopping action and magic explode off the page in *The Red Pyramid, The Graphic Novel*, based on the worldwide best-selling novel by Rick Riordan.
Olympians: Dionysos Disney Electronic Content
 Since their mother's death, Carter and Sadie have become near-strangers. While Sadie has lived with her grandparents in London, Carter has traveled the world with their father, the famed Egyptologist Dr. Julius Kane. /DIVDIVOne night, Dr. Kane brings the siblings together to the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. Soon, Sadie and Carter discover that all the gods of Egypt are waking, and that Set now has his sights on them. To stop him, the duo embarks on a dangerous journey across the globe, one that brings them ever closer to the truth about their family and its connection to a secret order that has existed since the time of the pharaohs. The heart-stopping action and magic explode off the page in *The Red Pyramid, The Graphic Novel*, based on the worldwide best-selling novel by Rick Riordan.
The Devil Went Down to Austin HarperCollins
 Percy Jackson fought Greek Gods. Now the Gods of Egypt are waking in the modern world... 'I GUESS IT STARTED THE NIGHT OUR DAD BLEW UP THE BRITISH MUSEUM . . .' CARTER AND SADIE KANE'S dad is a brilliant Egyptologist with a secret plan that goes horribly wrong. An explosion shatters the ancient Rosetta stone and unleashes Set, the evil god of chaos . . . Set imprisons Dr Kane in a golden coffin and Carter and Sadie must run for their lives. To save their dad, they embark on a terrifying quest from Cairo to Paris to the American South-West and discover the truth about their family's connection to the House of Life: an Egyptian temple of magic that has existed for thousands of years. The pharaohs of ancient Egypt are far from dead and buried. And so, unfortunately, are their gods . . .
The Son of Sobek First Second Books
 Soon to be an animated series from Nickelodeon! "Big Nate is funny, big time."—Jeff Kinney, author of *Diary of a Wimpy Kid* The fifth Big Nate novel in the New York Times bestselling series by Lincoln Peirce, all about king of detention and cartooning genius

Nate Wright! Everyone knows N-A-T-E does not equal N-E-A-T! And when Nate's sloppiness gets out of hand, his best friend, Francis, is in serious trouble. Can Nate clean up his act, or will he flip out first? For fans of the *Diary of a Wimpy Kid* series: Meet Big Nate, world-class boredom buster and definitely NOT the teacher's pet.
The Red Pyramid: The Graphic Novel (The Kane Chronicles Book 1) Penguin UK
 Carter and Sadie Kane, descendants of the magical House of Life, are in pretty big trouble. Despite their bravest efforts, Apophis, the giant snake of Chaos, is still threatening to plunge the world into eternal darkness. Now the Kanes must do something no magician has ever managed - defeat Apophis himself. No pressure there then. Battling against the forces of Chaos, their only hope is an ancient spell - but the magic has been lost for a millennia. Will they find the serpent's shadow, or will they be led to their deaths in the depths of the Underworld? Don't miss any of the explosive action in the final thrilling instalment of the Kane Chronicles Trilogy.
 Little, Brown
 ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlock with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.
A Wrinkle in Time: The Graphic Novel The Kane Chronicles, The, Book One: Red Pyramid: The Graphic Novel
 In the final volume of the New York Times--bestselling Olympians graphic novel series, author/artist George O'Connor focuses on Dionysos, the god of wine and madness. The Olympians saga draws to a close with the tale of Dionysos, the last Olympian, and maybe, just maybe, the first of a new type of God. His story is told by the first Olympian herself, Hestia, Goddess of the hearth and home. From her seat in the center of Mt. Olympus, Hestia relates the rise of Dionysos, from his birth to a mortal mother, to his discovery of wine, his battles with madness and his conquering of death itself, culminating, finally, in his ascent to Olympus and Godhood.
The Kane Chronicles, Book Three: Serpent's Shadow: The Graphic Novel Hyperion
 The Pulitzer Prize-winning columnist's "astonishing" and "enthraling" New York Times bestseller and Notable Book about how the Founders' belief in natural rights created a great American political tradition (Booklist) -- "easily one of the best books on American Conservatism ever written" (Jonah Goldberg).

For more than four decades, George F. Will has attempted to discern the principles of the Western political tradition and apply them to America's civic life. Today, the stakes could hardly be higher. Vital questions about the nature of man, of rights, of equality, of majority rule are bubbling just beneath the surface of daily events in America. The Founders' vision, articulated first in the Declaration of Independence and carried out in the Constitution, gave the new republic a framework for government unique in world history. Their beliefs in natural rights, limited government, religious freedom, and in human virtue and dignity ushered in two centuries of American prosperity. Now, as Will shows, conservatism is under threat -- both from progressives and elements inside the Republican Party. America has become an administrative state, while destructive trends have overtaken family life and higher education. Semi-autonomous executive agencies wield essentially unaccountable power. Congress has failed in its duty to exercise its legislative powers. And the executive branch has slipped the Constitution's leash. In the intellectual battle between the vision of Founding Fathers like James Madison, who advanced the notion of natural rights that pre-exist government, and the progressivism advanced by Woodrow Wilson, the Founders have been losing. It's time to reverse America's political fortunes. Expansive, intellectually thrilling, and written with the erudite wit that has made Will beloved by millions of readers, *The Conservative Sensibility* is an extraordinary new book from one of America's most celebrated political writers.

The Conservative Sensibility Turtleback Books
 Percy Jackson, son of Poseidon, has come face to face with two snake-haired ladies who refuse to die. But they're the least of his problems. Because Percy finds himself at a camp for half-bloods, which doesn't ring any bells for him. There's just one name he remembers from his past. Annabeth. One thing is certain - Percy's adventuring days aren't over. He faces the most important quest of all: the Prophecy of Seven. If he fails, it's not just their camp at risk. Percy's old life, the gods, and the entire world might be destroyed . . .

selling series, siblings Sadie and Carter Kane discover that the gods of Egypt are waking, and the worst of them--Set--has his sights on them. to Stop him, the duo embarks on a dangerous *Big Nate Flips Out* Disney Electronic Content Expanding upon his viral TEDx Talk, psychology professor and social scientist John V. Petrocelli reveals the critical thinking habits you can develop to recognize and combat pervasive false information that harms society in *The Life-Changing Science of Detecting Bullshit*. Bullshit is the foundation of contaminated thinking and bad decisions leading to health consequences, financial losses, legal consequences, broken relationships, and wasted time and resources. No matter how smart we believe ourselves to be, we're all susceptible to bullshit—and we all engage in it. While we may brush it off as harmless marketing sales speak or as humorous, embellished claims, it's actually much more dangerous and insidious. It's how Bernie Madoff successfully swindled billions of dollars from even the most experienced financial experts with his Ponzi scheme. It's how the protocols of Mao Zedong's Great Leap Forward resulted in the deaths of 36 million people from starvation. Presented as truths by authority figures and credentialed experts, bullshit appears legitimate, and we accept their words as gospel. If we don't question the information we receive from bullshit artists to prove their thoughts and theories, we allow these falsehoods to take root in our memories and beliefs. This faulty data affects our decision making capabilities, sometimes resulting in regrettable life choices. But with a little dose of skepticism and a commitment to truth seeking, you can build your critical thinking and scientific reasoning skills to evaluate information, separate fact from fiction, and see through bullshitter spin. In *The Life-Changing Science of Detecting Bullshit*, experimental social psychologist John V. Petrocelli provides invaluable strategies not only to recognize and protect yourself from everyday bullshit, but to accept your own lack of knowledge about subjects and avoid in engaging in bullshit just for societal conformity. With real world examples from people versed in bullshit who work in the used car, real estate, wine, and diamond industries, Petrocelli exposes the red-flag warning signs found in the anecdotal stories, emotional language, and buzzwords used by bullshitters that persuade our decisions. By using his critical thinking defensive tactics against those motivated by profit, we will also learn how to stop the toxic misinformation spread from the social media influencers, fake news, and op-eds that permeate our culture and call out bullshit whenever we see it. *Red Pyramid, The (The Kane Chronicles, Book 1)* Farrar, Straus and Giroux (BYR) Thrown from Mount Olympus as a newborn and caught by Thetis and Eurynome, who raised him on the island of Lemnos, Hephaistos had an aptitude for creating beautiful objects from a

very young age. Despite his rejection from Olympus, he swallowed his anger and spent his days perfecting his craft. His exquisitely forged gifts and weapons earned him back his seat in the heavens, but he was not treated as an equal—his brothers and sisters looked down at him for his lame leg, and even his own wife, Aphrodite, was disloyal. In this installment of the bestselling Olympians graphic novel series, witness Hephaistos' wrath as he creates a plan that'll win him the respect he deserves. *The Throne of Fire* Hachette Books The Highlights Book of Things to Do is the essential book of pure creativity and inspiration. Kids ages seven and up will find hundreds of ways to build, play, experiment, craft, cook, dream, think, and become outstanding citizens of the world.
