AAK spies ongoing growth in cocoa butter alternatives
Cocoa Butter Alternatives
From AakAAK are experts in developing

natural, efficient, and sustainable alternatives to cocoa butter that deliver improved functionality. Our solutions let you create chocolate that meet needs such as longer shelf life, great taste, and

flavor release. Chocolate | AAK Cocoa butter is widely regarded as an essential ingredient in chocolate production. But the fact is that cocoa butter is not always the best choice. At AAK, we are experts in developing natural, efficient alternatives to cocoa butter that both make life on your processing line a whole lot easier and that provide you with the desired chocolate. Compounds | AAK "By using these different Cocoa Butter Alternatives, you can develop coatings with higher melt points, higher bloom resistance and specific functionalities as in, you can tell them to be for either moulding or enrobing," says Ed Wilson, v.p. sales and marketing, AarhusKarlshamn (AAK) USA, Inc. Cocoa Butter Alternatives - Candy Industry "The global recession has provided a strong incentive for our customers to reduce costs and to further drive the substitution of expensive cocoa butter", said Arne Frank, President and CEO of AAK. Growing uncertainty However, the growth in cocoa alternatives has been offset by a reduction in confectionery consumption in recession-hit areas. AAK spies ongoing growth in cocoa butter alternatives Where To Download Cocoa

Butter Alternatives From Aak The Natural Choice benefits of Cocoa Butter Substitutes are that they melt down and give flavor release equal to that of pure cocoa butter," Wilson says. Cocoa Butter Alternatives - Candy Industry Cocoa butter is widely regarded as an essential ingredient in chocolate production.
