Raleigh, N.C., USA :
American Biographical
Institute
The African writer, Yvonne
Vera, used to recall that,
as a young girl in the
cotton fields, the urge to
write was so strong that
with no pen and paper

available she picked up a
twig and started to
scratch words onto her
skin. Stories in South
Africa kept the dream of
freedom alive during the
colonial and apartheid
years; and the tradition of
the people and elders of a
village meeting under the
shade of a tree is based
on telling stories as a way
of arriving at an
understanding. This rich

tradition is brought to life
here, by women who write
of and from the landscape
and its people. Part of a
series showcasing
contemporary women
writers from around the
world.

contemporaries.

Cincinnati Magazine

Metuchen, N.J. :

Scarecrow Press

In more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a

discerning look at the history and development of the Girl Scout Movement in the United States. Scholars and aficionados of Girl Scout history, costume history, women's studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks,

as well as dolls, postcards, posters, calendars, and more--from the founding of the Girl Scouts in 1912 through the present day. "An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the world's preeminent organization dedicated solely to girls." --Cynthia B. Thompson, chair, National Board of Directors, and Kathy

Cloninger, national chief executive officer, GSUSA "An indispensable reference for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the

expansion of opportunities for American girls. Reading this book is like walking through a fine museum where material culture brings the past to life." -- Anastatia Sims, author of *Negotiating Boundaries of Southern Womanhood* [Annual Report - Girl Scouts of the United States of America](#) Girl Scouts of USA A guide to how to earn various badges and insignia in the Girl Scout organization. *Fire Preparedness Activity Booklet* Texas Tech

University Press Jerri Garretson lived a total of 33 years in Manhattan, Kansas, in three periods. This book features 55 topics about life in the years she was growing up there, plus 13 mini-biographies of teachers and neighbors that were important in her life. It is illustrated with over 800 photos of people, places, and events, and even everyday objects most of us no longer use. To assist readers unfamiliar with Manhattan, she has included maps, and to

anchor local events to the nation and the world, there is a timeline. The book is thoroughly indexed. Though many dates and events are mentioned, it is not a history of the city, but rather an entertaining account about the way of life in that time and place. Please be aware that this is a 298 page, heavily illustrated book in the same fixed format as the printed book. As such, it is a download of about large download of approximately 227 MB and will take much longer

to download than a novel in flowing format that has no illustrations.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that

Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Worlds to Explore

At once darkly comedic and moving, this witty exploration of female friendship, envy, and misguided ambition by the author of the number-one bestseller *Drowning Ruth*, deliciously satirizes the desire to shine in the world. In *All is Vanity*, Margaret and Letty, best friends since childhood and now living on

opposite coasts, reach their mid-thirties and begin to chafe at their sense that they are not where they ought to be in life. Margaret, driven and overconfident, decides the best way to rectify this is to quit her job and whip out a literary tour de force. Frustrated almost immediately and humiliated at every turn, Margaret turns to Letty for support. But as Letty, a stay-at-home mother of four, begins to feel pressured to make a good showing in the upper-middle-class Los Angeles

society into which her husband's new job has thrust her, Margaret sees a plot unfolding that's better than anything she could make up. Desperate to finish her book and against her better nature, she pushes Letty to take greater and greater risks, and secretly steals her friend's stories as fast as she can live them. Hungry for the world's regard, Margaret rashly sacrifices one of the things most precious to her, until the novel's suspenseful conclusion shows her the terrible consequences of

her betrayal. Widely celebrated for her debut novel, *Drowning Ruth*, Christina Schwarz once again proves herself to be a writer of remarkable depth and range. Like *Drowning Ruth*, *All is Vanity* probes into the mysteries of the human heart and uncovers the passions that drive ordinary people to break the rules in pursuit of their own desires.
