Analytic Talent: Becoming a Data Scientist by Vincent Granville Stay ahead with the world's most comprehensive technology and business learning platform. With Safari, you learn the way you learn best. About the Author - Developing Analytic Talent: Becoming a ... Developing Analytic Talent. Becoming a Data Scientist. Data science is one of the hottest disciplines in IT, but much of the talk is just hype. The aspiring data scientist requires a resource that covers the important topics comprehensively and avoids the hype and buzzwords surrounding data science and big data. Developing Analytic Talent - O'Reilly Media Over the past few years big data has become an increasingly important theme for those working in this field known as data scientists. This book highlights that there are many misconceptions about this topic, with confusion about what can be defined as big data, as well as just who might actually be called a data scientist and who is merely a statistician.
