Composing the administration within a government organization is a task of a bureaucrat. Bureaucracy is a

government system where every decision is taken by the officers selected by professional merit. These merit holders are the Civil servants of the nation. The government runs through an administration and the Civil Servants are the major part of the Public Administration. Every administrative decision is first taken under the state bureaucrats before their implementation. A similar case is that of West Bengal. West Bengal Public Service Commission is the entry

to manage every administrative activity of the state. Not only administration but implementation and regulation of rules in the state of West Bengal are the major tasks after entering in the services of WBPSC.

The 2nd edition of this book covers the entire question papers from 2007 to 2018 of JK PSC.

The explanations to these questions have been provided in such a manner that they cover NEET exams, AIIMS, PGI, JIPMER, DNB and other important post-graduate exams as well. The inclusion of high yielding facts in the form of NEET EDGE has added a new dimension to this book. The explanation and NEET EDGE have been updated based on latest guidelines and updates. In addition, important expected question for NEET and PSC have been added to make book more useful.

In this edition two senior faculty members from prestigious Sher-I - Kashmir Institute of medical sciences, Dr. Cimona L Saldhana and Dr. Muzzafer Wani have contributed in Obs/gynae and nephrology respectively besides reviewing other questions as well. The contribution of Dr. Suhail Naik is immense in the subject of paediatrics. In addition, senior residents from GMC Sri Nagar, SKIMS medical college bemina have also revised their respective subjects. The feedback I

received from 1st edition really motivated me to come up with this edition. I am sure that this book will live upto its expectations and help students in their exams. An important thing for all exams is that approximately 15 to 25% questions are repeated in one form or the other so keeping this thing in mind I have highlighted all questions which were repeated. Feedback from 1st edition This book is very much helpful for state aspirants and also for medicos preparing for

neet exams. I personally recommend every Medico to go through this book before such exams. -DR. TABASSUM SAMOON SKIMS Very nice and helpful book for JK PSC and other state exam. Easy language and good retention. Precise and very informative explanations of every question. -DR.
