Sprinkles and Sea Serpents Winterspell

****One of BuzzFeed's Great LGBTQ+ YA novels to Warm up Your Winter**** From New York Times bestselling author Claire Legrand comes a new, bone-chilling YA horror novel about a girl who joins a coven to root out a vicious evil that's stalking her village. Perfect for fans of *The Handmaid's Tale* and *The Grace Year*. Her name is unimportant. All you must know is that today she will become one of the four saints of Haven. The elders will mark her and place the red hood on her head. With her sisters, she will stand against the evil power that lives beneath the black mountain—an evil which has already killed nine of her village's men. She will tell no one of the white-eyed beasts that follow her. Or the faceless gray women tall as houses. Or the girls she saw kissing in the elm grove. Today she will be a saint of Haven. She will rid her family of her mother's shame at last and save her people from destruction. She is not afraid. Are you? This searing and lyrically written novel by the critically acclaimed author of *Sawkill Girls* beckons readers to follow its fierce heroine into a world filled with secrets and blood—where the truth is buried in lies and a devastating power waits, seething, for someone brave enough to use it.

Tossed into a world of mean girls on ice, where competition is everything, Claire realizes that her sweet dream come true has sharper edges than she could have imagined. Can she find the strength to stand up to the people who want to see her fail and the courage to decide which dream she wants to follow?

Have you ever wished your cat could talk to you? If so, allow my story to be your cautionary tale. My life was going just fine by most standards. I ran a successful business in a tight-knit magical community, and lived just blocks from a beautiful lake and series of hiking trails. Then Selene showed up. According to some magical code I inherit my aunt's ancient familiar; a grumpy ten-pound cat with a broken filter. She fancies herself something of a saber-toothed tiger, and claims to have wrestled the thread of her ninth life from the hands of the Fates themselves - although, I'm pretty sure that last part isn't true. Almost positive. I'm still looking into the magical fine print, but in the meantime I'm stuck as the guardian to a cat with the personality of Sophia from the *Golden Girls*. Oh, and by another cruel twist of fate, my ex-husband just moved back into town. I thought I couldn't take any more, but when a murder rocks my small community, I wind up entangled in the investigation thanks to a handsome stranger. If only life came equipped with a rewind button. ****Witchy Whiskers** is the first book in a brand new series by paranormal mystery author, Danielle Garrett. Grab your

copy now and dive into a colorful world filled with magic, mystery, adventure, and a spark or two of romance.**
