Marijuana Applications, Standard Operating Procedures ...
 Marijuana Dispensary Operations Manual
 Medicine Man Technology state-of-the-art dispensary operations model ensures patients and consumers have safe and secure access to a variety of medical and recreational cannabis products. Our proprietary dispensary manual includes guidance and best practices to launch, manage, and grow a successful cannabis dispensary.
 Marijuana Dispensary Operations | Medicine Man Technologies
 Dispensary Operations Manual
 The operations of the medical marijuana dispensary or recreational marijuana dispensary are generally documented in an operations manual. Many States mandate that dispensaries provide a copy of their internal procedures manual which in certain States must be approved, and any edits or revisions must also be submitted for approval.

 Home - The Marijuana Business and Operations Guide
 We have written customized Standard Operating Procedures (SOP) for marijuana businesses for many different cannabis business types and markets. We have consolidated the policies and procedures into a downloadable template to be added to and used by future cannabis businesses. These SOP's are great for use in cannabis business license applications and operations.
 Standard Operating Procedures
 Creation of employee guides is a time consuming and arduous practice, but once completed, they help guide the relationship between employee and employer. Employees should review the employee manual and sign off upon receipt and review. This will serve to protect the employer in the future should an issue covered by the manual arise.

 operations, as well as how to comply with the various state agencies. Our approach is to provide you with as many resources as we can in order for you to successfully open and operate a medical marijuana dispensary (or grow operation) under the guidelines set forth by the state of California.
 California Medical Marijuana Dispensary & Grower's Guidebook
 An Operating Plan is required for all recreational marijuana applications. If you will operate under a formal Operating Plan, you may submit that information as a supplement, but this form is required. In addition to the Operation Plan, an approved security plan is required for all licenses.
 Marijuana Business Operating Plan
 Operations. Operations is a broad and extremely important category. It covers how you intake inventory, how you sell it, and a variety of other topics. Rather than try to create a comprehensive list of dispensary operations items, I'm going to focus on the process I would recommend to organize operations.
