TORRES BLAKE

Confessions of an Illuminati, Volume I John Wiley & Sons
 This volume brings together leading representatives of the recent debate about the persistence of kabbalah in the modern world. It breaks new ground for a better understanding of the role of kabbalah in modern religious, intellectual, and political discourse.

 Martinism as a Way of Awakening
 How can one not be struck by the permanence of the experience revealed by the Martinist ritual? What is it that inhabits the Martinist temples that can be found neither in Freemasonry nor in the Order of the Elus Coëns? Is it not the dimension of the Heart, specific to this path that Papus was the first to describe as the Way of the Heart? Rémi Boyer suggests looking into the symbols specific to Martinism that characterize this heart axis. According to him, they illustrate how the ritual conveys a powerful sense of the freedom of our original nature. The Martinist orders constitute a living and influential movement carrying the principles and symbols of Illuminism. It is this expression of the complex and rich current called "Martinism" that the author invites you to traverse, in an extraordinary manner, in order to identify the way in which it can convey a path of awakening. Foreword by Piers A. Vaughan
History of Martinism and the F.U.D.O.S.I.
 List of bibliographies and trans. in v. 1-12.
The Encyclopedia of Magic and Alchemy Oxford University Press
 In A History of Conversion to Islam in the United States, Volume 1: White American Muslims before 1975, Patrick D. Bowen offers an account of white Muslims and Sufis and the movements they produced between 1800 and 1975.
The Masonic Trowel Lulu.com

The Man of Desire CCC Publishing
 A translation of two important books on the symbolism of Numbers from a Martinist viewpoint, including 'On Numbers' by Louis-Claude de Saint-Martin, published posthumously in 1861, and The Science of Numbers by Papus (Dr. Gérard Encausse) published posthumously in 1934. Over 340 footnotes help to explain the sometimes complicated theosophy of this subject. The first time these have been made available in English.
The Kingdom of God Jazzybee Verlag
 This book contains the practical ideas, principles, and teachings of the Rosicrucians and Hermetic masters and the methods that transform the apprentice into the MAGI. This book will rock your consciousness. This book contains the power and spiritual magic that most never find. If you want to stop settling for an average life and begin co-creating your destiny, you may want to buy this

book and keep it close to you until you see tangible results and power. The history and secrets unleashed in this book will shift your thinking. Be prepared for transformation, illumination and positive change.

A Comprehensive Encyclopedia of Beliefs and Practices Simon and Schuster

This short yet potent work takes us on a journey through the Kabbalist's Etz Chaim, the Tree of Life. Each chapter explores the alchemical essence of the 10 sephiroth that compose the Tree of Life.

Or the Ministry of the Spirit-Man Independently Published
 The "OMS - Threshold of Initiation" PDF contains all the relevant information on the Ordre Martinistes Souverains (OMS), its means, purposes, and how to apply. Included is the: -OMS Public Manifesto, -Pre-Associate Operation, -Rule of the Ordre in 9 Points, -Application. The Application, which is purely confidential, helps us to start to understand your esoteric history so that we can better serve you, and helps us both to ensure that we are a good fit for each other. The Pre-Associate Operation is required in order to be considered for initiation so that you may test some preliminary exercises, and we can both evaluate if you are a good fit for the Ordre, and if the Ordre is a good fit for you. Please direct further questions to the email grand.chancellor@martinism.net as instructed in the document.

Black Terror White Soldiers Oxford University Press
 In English for the first time, a guide to the true secret structure of the Illuminati and their invisible network made of various power structures, author Leo Lyon Zagami uses their internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies—just as those inside the most prestigious U.S. universities such as Yale or Harvard—have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur-Lodges.

Workbook for Interfaith Ambassadors Lulu.com
 Martines de Pasqually was born in Grenoble, around 1710, from a father of Spanish origin and a French mother. He was military in France for a few years with the rank of lieutenant. In 1747, he was in the service of Spain and fought in Italy at its service. In his book *The Life of Louis-Claude de Saint-Martin*, on page 9, the historian Jacques Matter writes about him: "He (Louis-Claude de Saint-Martin) met Martines de Pasqually, one of these extraordinary men, great hierophant of secret initiations which, to communicate their mysteries, seek less the great reputation than a confidential setting." He considers the masonry of his time being apocryphal, that is, diverted from his goal. In Foix, he founded a chapter, the Temple of the Elus Cohérens. However, it

is in Bordeaux that the activities of the Order of the Elus Cohérens begin. Martines moved there in April 1762 to establish the general center of his activities.

Religions of the World: A Comprehensive Encyclopedia of Beliefs and Practices, 2nd Edition [6 volumes] CCC Publishing

- Shares the history and meaning of Freemasonry and its symbols
- Offers thoughtful explorations of different areas of Masonic experience, drawing on esoteric doctrines and paralleling them with experiences found in daily life
- Provides simple exercises and practices to help internalize and personalize the lessons presented, including dreamwork, journaling, meditation, and prayer

In this practical guide, Mark Stavish details the spiritual lessons and rituals of Freemasonry as a step-by-step path of spiritual development and self-improvement for both Masons and non-Masons, men and women, alike. He explores the history and meaning of Freemasonry and its symbols—from its origins in the Temple of Solomon to the Medieval craft guilds to the Renaissance—and explains how the Craft promotes personal growth through the symbolic building of self and an inner Temple of Wisdom in much the same way that Masonry's rituals symbolize the building of Solomon's Temple in accordance with the mystical architectural instructions of Hiram. Drawing on esoteric doctrines, including the Qabala, alchemy, sacred geometry, John Dee's angelic magic, and the secrets of the Gothic cathedral builders, each chapter addresses an area of the Masonic experience, paralleling them with experiences each of us finds in our own lives. The author provides simple practices to help internalize and personalize the lessons presented, including dreamwork, journaling, meditation, prayer, and understanding sacred architecture. The author also examines the crafting and use of the spiritual and symbolic tools of Freemasonry, such as the trestle or tracing board and the Chamber of Reflection. Providing the tools to make the Craft an initiatic experience of self-improvement, the author shows that, ultimately, the Masonic experience is the human quest for self-realization and self-expression, so that we each may find our place in the Temple of Wisdom.

The Craft as a Spiritual Practice Cornell University Press
 The Western magical traditions are currently undergoing an international resurgence. In *Stealing Fire from Heaven*, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and

Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as "stealing fire from heaven." Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.

This original book by Lazare Lenain is the source of many later books about the Shemhamphorash used by several Western

esoteric currents, in particular the Hermetic Order of the Golden Dawn and Martinism. Published in 1823, it provided an early guide to the 72 Angels or Geniuses at a time when the Age of Enlightenment was carrying the torch of science and rationality. Reprinted by Papus, he wrote a Preface on behalf of the Ordre Kabbalistique de la Rose-Croix, it was reintroduced to the Western esoteric current. This current edition is the first translated into English, and contains a number of important Appendices, including several forms of angelic sigils and seals.

The Path of Freemasonry BRILL

This seminal book on Martinism was written by Papus (Dr. Gérard Encausse) some twelve years after he founded the Ordre Martiniste in France. By then the Order had taken root and spread across Europe and the world. He gives an introduction to the three branches on Martinism's origins: the Elus Cohen of Martines de Pasqually, the Rectified Rite of Jean-Baptiste Willermoz, and the mystical Christian writings of Louis-Claude de Saint-Martin. He continues with a scathing analysis of the state of Freemasonry in France at the turn of the twentieth Century, and ends with the comment that Martinism would be an ideal organization to unite the esoteric societies of the world for three reasons: They have an existing global structure in place, there is no money - and therefore corruption - involved, and they have no interest in politics (a claim which could not be said of French Freemasonry). This is an important book in the history of Martinism. While some of Papus' comments are either incorrect in light of history, or blatantly propagandist, English-speaking Martinists will find this a valuable addition to their source documents.

Occult Theocracy David Livingstone

This early work by Arthur Edward Waite was originally published in 1922 and we are now republishing it with a brand new introductory biography. 'Saint-Martin, the French Mystic, and the Story of Modern Martinism' is one of Waite's works on the history of mysticism. Arthur Edward Waite was born on the 2nd of

October, 1857 in America. After the death of his father, Waite and his mother returned to her native England, where he was raised in North London, attending St. Charles' College from the age of thirteen. Waite left school to become a clerk, but also wrote verse in his spare time. The death of his sister, Frederika Waite, in 1874 soon attracted him into psychical research. Waite became a prolific author with many of his works being well received in academic circles. He wrote occult texts on subjects including divination, esotericism, Rosicrucianism, Freemasonry and ceremonial magic, Kabbalism, and alchemy.

Freemasonry Literary Licensing, LLC

Now in a fully corrected edition, one of the true spiritual classics of the twentieth century. Published for the first time with an index and Cardinal Hans Urs von Balthasar's afterword, this new English publication of *Meditations on the Tarot* is the landmark edition of one of the most important works of esoteric Christianity. Written anonymously and published posthumously, as was the author's wish, the intention of this work is for the reader to find a relationship with the author in the spiritual dimensions of existence. The author wanted not to be thought of as a personality who lived from 1900 to 1973, but as a friend who is communicating with us from beyond the boundaries of ordinary life. Using the 22 major arcana of the tarot deck as a means to explore some of humanity's most penetrating spiritual questions, *Meditations on the Tarot* has attracted an unprecedented range of praise from across the spiritual spectrum.
