Earth, the player can choose to play as Jovians, aliens from Jupiter, or humans. Humans and Jovians have different menu layouts and tactics which they can employ for offensive and defensive actions. Also, the Jovians must deal with the atmosphere of the Earth, which obstructs their view, by using special troops; the humans also face a problem in the sulphur shrouds of Jupiter. Conquest Earth - Wikipedia Overall, Conquest Earth is a flashy and ornate casualty in the

Real Time Strategy (RTS) gaming war. The overall approach seems sound -- take a cool alien concept, add a beautifully rendered interface, hand-painted photo-realistic maps, and semi-transparent explosions, and you get a real-time strategy game that stands out graphically.
