England and Wales* Oxford University
Press, USA

Collection of articles previously
published in various periodicals, mainly
on the economic and financial
administration of the great English
monasteries.

From the Earliest Times; Its Present

**Condition in Europe and the United
States; with a Biography of Eminent
Architects, and a Glossary of
Architectural Terms** Greenwood

Publishing Group

Drawing on new work published over the
past twenty years, the author offers a
history of building in Western Europe
from 300 to 1200. Medieval castles,
church spires, and monastic cloisters are
just some of the areas covered.
