Have you ever wondered how corrupt businesses evolve and thrive? Are you curious about the inner workings of a nefarious enterprise? Have you been scammed or hurt by a predatory business? *Bad Biz* is an educational satire that'll show you how bad businesses become successful, and how they get away with their schemes and scams. There are a lot of books written from the perspective of the good guy, but *Bad Biz* is written from the perspective of the corrupt tycoon. Imagine yourself as a fly on the wall listening to a fictional profiteer guiding a nefarious entrepreneur. The author of this book worked in the for-profit college industry, and wishes to share first-hand knowledge and experience with you. Again, this is satire, so the author is writing from the perspective of a fictional bad biz owner. You'll gain a keen understanding of how for-profit colleges scam vulnerable people, cheat taxpayers, increase student loan debt, and devastate communities. Go to badbizbooks.com to learn more, or submit your idea for the next *Bad Biz*. If you're an expert on a bad biz, a whistleblower, or a creative author, feel free to send a message through the website. Don't forget to look for *Bad Biz* on social media, and share with your community.
