Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Tinker Bell, banished from her homeland for doing the unthinkable, selling the hottest drug in Neverland-pixie dust-wants absolution. Determined to find a way home, Tink doesn't hesitate to follow the one lead she has, even if that means seducing a filthy pirate to steal precious gems out from under his...hook. Captain Hook believes he's found a real treasure in Tink. That is, until he recovers from her pixie dust laced kiss with a curse that turns the seas against him. With his ship and reputation at the mercy of raging storms, he tracks down the little minx and demands she remove the curse. Too bad she can't. However, the mermaid queen has a solution to both of their problems, if Tink and Hook will work together to retrieve a magical item for her. As they venture to the mysterious Shrouded Isles to find the priceless treasure, their shared nemesis closes in. However, his wrath is nothing compared to the realization that achieving their goal may mean losing something they never expected to find-each other. The swagger and adventure of *Pirates of the Caribbean* meets the sexy banter of *The Hating Game* with a healthy dose of steam in this retelling of *Peter Pan* that's far from the Neverland you know.

--It begins with a man and a woman on a train. She is there to interview him about the memories and impressions and half-remembered dreams of his lifetime in the arms and company of women. He has been interviewed before and thus, is ready for her questions. But she pushes for more. Who is he really? she asks. And why do women respond to him in ways they never do to other men? He

looks at her and realizes he has never told anyone the secrets to his success with women, and so now, for whatever reason, he does. The rest of the book then is the musings of a master seducer - a discourse, a brain-dump of everything he has learned about the heart and soul of women. At its core, it is a book about the heart of women written to the heart of women. Ah, how presumptuous is that?--

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

"[A] narrative of unfathomable courage... Ms. Strauss does her readers—and her subjects—a worthy service by returning to this appalling history of the courage of women caught up in a time of rapacity and war." —Wall Street Journal "Utterly gripping." —Anne Sebba, author of *Les Parisiennes* "A compelling, beautifully written story of resilience, friendship and survival. The story of Women's resistance during World War II needs to be told and *The Nine* accomplishes this in spades." —Heather Morris, New York Times bestselling author of *Cilka's Journey* *The Nine* follows the true story of the author's great aunt Hélène Podliasky, who led a band of nine female resistance fighters as they escaped a German forced labor camp and made a ten-day journey across the front lines of WWII from Germany back to Paris. The nine women were all under thirty when they joined the resistance. They smuggled arms through Europe, harbored parachuting agents, coordinated communications between regional sectors, trekked escape routes to Spain and hid Jewish children in scattered apartments. They were arrested by French police, interrogated and tortured by the

Gestapo. They were subjected to a series of French prisons and deported to Germany. The group formed along the way, meeting at different points, in prison, in transit, and at Ravensbrück. By the time they were enslaved at the labor camp in Leipzig, they were a close-knit group of friends. During the final days of the war, forced onto a death march, the nine chose their moment and made a daring escape. Drawing on incredible research, this powerful, heart-stopping narrative from Gwen Strauss is a moving tribute to the power of humanity and friendship in the darkest of times.

Aaron Sleazy is among the most infamous modern seducers of women. His unusually direct style gained him followers all around the globe. Due to his incredible boldness and complete disregard of social norms he has eventually reached a level of success that can only be described as surreal. Some people may consider him a despicable character, but men usually envy his abilities with women, while women wish more men were like him. This book chronicles Aaron Sleazy's development from a guy that got some female attention into a raunchy modern Don Juan. It contains his most memorable, his most entertaining, his craziest, and his most bizarre adventures on his quest of picking up women. *Sleazy Stories* is a collection of not even one year's worth of experiences. Nonetheless, it contains more variety and absurdities than a lifetime's sexual history of probably 99.9 % of guys out there.

Ah, how presumptuous is that?--Open Her Activate 7 Masculine Powers to Arouse Your Woman's Love & Desire Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and become free of negativity. During the many decades of the author's clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is described in this book. Dr Hawkins's previous books focused on advanced states of awareness and Enlightenment. Over the years, thousands of students had asked for a practical technique by which to remove the inner blocks to happiness, love, joy, success, health and, ultimately, Enlightenment. This book provides a mechanism for letting go of those blocks. The mechanism of surrender that Dr Hawkins describes can be done in the midst of everyday life. The book is equally useful for all dimensions of human life: physical health, creativity, financial success, emotional healing, vocational fulfillment, relationships, sexuality and spiritual growth. It is an invaluable resource for all professionals who work in the areas of mental health, psychology, medicine, self-help, addiction recovery and spiritual development.

I took home more in a year than the CEOs of McDonalds, IKEA, Ford, Motorola, and Yahoo....combined....as a kid in my twenties....using the \$100M Offer method. It works. And it will work for you. Not that long ago though, my business had gotten so bad that I literally couldn't even give my services away for free. At the end of each month, I would look at my bank account hoping to see progress (but there wasn't). I knew something had to change...but what? Over the 48 months, I went from losing money to making \$36 for every \$1 spent. In that time period, we generated over \$120,000,000 across four different industries: service, e-commerce, software, and brick & mortar. But, unlike everyone else, we didn't have great funnels, great ads, or a wealthy niche. In fact, we didn't even send emails until we had crossed \$50M in sales(!). Instead, we were able to do this one thing really well....we created offers so good, people felt stupid saying no. Here's exactly what this book will show you how to do: How To Charge A Lot More Than You Currently Are... A Spiritual Guide to Life & Death and Love & Sex CreateSpace

Can Masculine power successfully co-exist with the strong Feminine? Yes. In this book is a model of Masculine groundedness that you can manifest in your relationship with a strong and capable

woman. Such a woman doesn't settle for mediocre. She needs you to consistently follow through on your word, have purpose in life, remain grounded in the face of her intense emotion, make her feel safe, and provide leadership in the relationship. When that doesn't happen, she may start to drift. Things between you will start to feel flat, contentious, or even toxic. To you, she will seem to nag and criticize more, and have less interest in sex. When she gets really angry, you'll label it as "crazy" and blame her. But, in truth, she's just expressing the pain of you not stepping up. It is a relationship arc that is all too common. Fighting or defending yourself doesn't resolve anything. Withdrawing into work or your phone just makes it worse. And contorting yourself to avoid conflict just kills her respect for you. The answer is to develop and live from your Masculine core. This book shows you how in an actionable three-part framework: Respond vs. React, Provide Structure, and Create Safety. This is not the old model based on control, but a modern model based on clarity and leadership. This is not a manual for Alpha Dogs, nor a fuzzy spiritual guide. Rather, it is a clear set of principles that help you develop your Masculine leadership. And it doesn't take anything away from Feminine power. It is a blueprint for inspiring your woman's trust, lust, and devotion.
