...Facial clues, microexpressions, types of deception, detecting deceit from words, voice, body and face are explained. Amazing book gives us scientific research and clues about lying. It starts with universal emotions, leaking, concealing them and stalking clues. Telling Lies: Clues to Deceit in the Marketplace, Politics ... For starters, there are two kinds of clues to deceit. A mistake may reveal the

truth, or it may only suggest that what was said or shown is untrue without revealing the truth. When a liar mistakenly reveals the truth, I call it leakage. When the liar's behavior suggests he or she is lying without revealing the truth, I call it a deception clue. For example, if a patient's doctor notes hand-wringing as she tells him she feels fine, he would have a deception clue, a reason to suspect she

Telling the
truth falsely:
telling the
truth but with
such
exaggeration
or humor that
the target
remains
uninformed or
misled.
Example: A
teenager

doesn't want
to take their
vitamins one
morning and
decides to
flush them
down the
toilet instead.
When their
parent asks
them if they
took their
vitamins, the
teen
sarcastically
admits, "No, I
flushed them
down the
toilet!"
