Love, Mom and Me: a Mother and Daughter and Son a Shared Journal Gifts Diary Notebook Bruno Gmuender Gmbh Poetry. Drawings by Paul Blake. Originally published in 1977 by Good Gay Poets of Boston. "A book whose page has come. ruth weiss has been sounding these poems, alone or with jazz accompaniment, for many years. It's now ocheny chorosho that they appear for the senses of those potential poets searching for new modulations of expression; for her poems are of the rhythms of our time and the interlaced, repetitive subtleties are sewn by that 'thread for those who breathe in rags' (Vallejo) which bespeaks and sings the deep loom of the bronze lotus."—Jack Hirschman

Thinner Than Thou Aladdin

TV says it. Magazines say it. American society commands it. You must be thin. You must be young. Fad diets. Fat-purging pills. Fitness clubs. Liposuction. Breast implants. Steroids. In the tomorrow of Thinner Than Thou, the cult of the body has become the one true religion. The Dedicated Sisters are a religious order sworn to help anorexic, bulimic, and morbidly obese youth. Throughout the land, houses of worship have been replaced by the health clubs of the Crossed Triceps. And through hypnotically powerful evangelical infomercials, the Reverend Earl preaches the heaven of the Afterfat, where you will look like a Greek god and eat anything you want. Just sign over your life savings and come to Sylphania, the most luxurious weight-loss spa in the world, where the Reverend himself will personally supervise your attainment of physical perfection. But the glory of youth and thinness that America worships conceals a hidden world where teens train for the competitive eating circuit, where fat porn and obese strippers feed people's dark desires, and where an underground railroad of rebellious religions remember when people worshipped God instead of the Afterfat. As Annie, an anorexic, and her friend Kelly, who is so massive she can barely walk, find out, the tender promises of the Dedicated Sisters are fulfilled by forced feedings and enforced starvation in hidden prisons. As middle-aged Jeremy discovers, Sylphania is a concentration camp where failure to lose weight and tone up leads to brutal punishment. The Rev. Earl's public sympathy for the overweight conceals a private contempt . . . and, beneath that, a terrible longing known only to a select few. The inevitable decay of old age is the only thing keeping mankind from reaching perfection. Luckily, Reverend Earl has a plan that will take care of that At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Begging Round

A book that draws mother and child closer together. Mom and Me: An Art Journal to Share is a full-color art journal for moms and kids to color and draw together. Designed to be a sharing experience, mom and child can write each other letters, draw what scares them, imagine what they want to be when they are grown up, color a scene using only one favorite color, and more. The journal is filled with fun hand-lettering and artwork from Bethany Robertson along with creative prompts from licensed art therapist Lacy Mucklow. It is intended to maximize quality time and conversation between mom and child - a way to communicate without interrogation, prodding, or all the other ineffective methods for learning about your child. It's for those moms who want to hear more about a child's day, what happened, how they felt, their thoughts, etc. Lacy Mucklow will offer up the best ways to communicate with a child through creating together: how to start an open conversation with your child, questions you can ask that will help generate thoughtful responses, and how to tailor the quality time so it's still fun and engaging for your child. This art journal has 50 full-color spreads to color, fill in, draw, and more. Each spread has a creative prompt or another exercise for mom and child to fill out together.
