Technology has evolved to support more species, in

cleaner and longer lasting environments. Aquascaping: Aquarium Landscaping Like a Pro eBook by Moe ... Aquascaping, short for aquatic landscaping, is appealing to a growing band of young enthusiasts who enjoy constructing underwater gardens with natural materials in the comfort of their own homes. Jason Toh, 56, owner of That Aquarium, who has stores in Changi, Yishun and Clementi, said that 70 per cent of his new customers since the circuit breaker period have been hobbyists in their 20s and 30s. Unable to travel, some young Singaporeans turn to ... In gardening, landscaping is all about designing your surroundings. With aquascaping, you're simply doing the same thing but in an aquatic setting - typically in aquariums. This can be a fun way to create an underwater landscape with plants growing in natural curves and slopes. Fish and other aquatic creatures can be included too. Aquascape Design Ideas: Different Types Of Aquascapes Aquascaping is the craft of arranging aquatic plants, as well as rocks, stones, cavework, or driftwood, in an aesthetically pleasing manner within an

aquarium—in effect, gardening under water. Aquascape designs include a number of distinct styles, including the garden-like Dutch style and the Japanese-inspired nature style. Typically, an aquascape houses fish as well as plants, although it is possible to create an aquascape with plants only, or with rockwork or other hardscape and no ...Aquascaping - WikipediaAt it's simplest, aquascaping is the craft of arranging aquatic plants along with rocks, stones and driftwood in an aesthetically pleasing manner within an aquascape aquarium. There are many different styles of aquascape. In the past the garden-like Dutch style was popular. Aquascaping is the skill of laying out aquariums, ponds or lakes with hardscapes like rocks, stones and wood, as well as species of plants. They are a form of aquatic gardening and there are lots of different aquascape types. These range from simple to complex with some taking many years to perfect.
