Banking Theory and Practice covers the entire gamut of topics in the field of banking—from its evolution to the latest trends. The Indian banking system is undergoing unprecedented changes as a result of new legislations and reforms in response to the contemporary needs. The present edition has kept pace with these developments, including the changes in legislation, growing globalization of banking, as well as the expansion of the banking business to meet the needs of customers for a wider range of services. The book, which was initially aimed to serve the needs of undergraduate students, has over the

years deepened and widened in both scope and contents. It is now an essential resource not only for undergraduate students, but also for professional bankers and those who pursue more advanced and practically oriented studies on the subject.

KEY FEATURES •
