As a cardiologist, Dr. Terry Gordon dealt with life-and-death circumstances on a daily basis. He learned that life is precious and tenuous; it can change in an instant. Such a dramatic shift occurred when his son, Tyler, was involved in a car accident, sustaining a severe spinal-cord injury that left him paralyzed. Leading his family through the experience, Terry's journey resulted in a spiritual awakening to a clearer understanding of life and the truths it has to offer. Terry has learned that our experiences become calamities only if we make the conscious decision to make tragedies out of them. Rather than lamenting the so-called adversities, we can choose to be grateful for them, embracing them as gifts from the Divine. These gifts provide fertile soil for growth and enlightenment, offering us the opportunity to transform turmoil, disappointment, and suffering into understanding, insight, and resolve . . . and such gifts are presented to you in No Storm Lasts Forever.

A spellbinding debut novel about the trailblazing Iranian poet Forugh Farrokhzad, who defied society's expectations to find her voice and her destiny. "Remember the flight, for the bird is mortal." All through her childhood in Tehran, Forugh Farrokhzad is told that Persian daughters should be quiet and modest. She is taught only to obey, but she always finds ways to rebel, gossiping with her sister among the fragrant roses of her mother's walled garden, venturing to the forbidden rooftop to roughhouse with her three brothers, writing poems to impress her strict, disapproving father, and sneaking out to flirt with a teenage paramour over café glacé. During the summer of 1950, Forugh's passion for poetry takes flight, and tradition seeks to clip her wings. Forced into a suffocating marriage, Forugh runs away and falls into an affair that fuels her desire to write and to achieve freedom and independence. Forugh's poems are considered both scandalous and brilliant; she is heralded by some as a national treasure, vilified by others as a demon influenced by the West. She perseveres, finding love with a notorious filmmaker and living by her own rules, at enormous cost. But the power of her writing only grows stronger amid the upheaval of the Iranian revolution. Inspired by Forugh Farrokhzad's verse, letters, films, and interviews, and including original translations of her poems, this haunting novel uses the lens of fiction to capture the tenacity, spirit, and conflicting

desires of a brave woman who represents the birth of feminism in Iran, and who continues to inspire generations of women around the world.-- Amazon.

*Tell Me Your Dreams* University of California Press

These three novellas each shimmer with exactitudes of falling out of love and falling into death, as existence at critical moments renounces normal life for moments of absolute desire. These are narratives of obsession and calamity. Lovers and wives are at the edge of themselves, saying the unsayable, doing the undoable, challenging us to keep our eyes open to the disintegration and pain. At the core of each tale is an erotic intensity. The prose is urgent. The stories are unforgettable. Into the Green Ocean Deep sees a man's last days with a dying lover as they engage in a final burst of transgressive eroticism. Negative Space recites the anguished thoughts of a man whose wife of twenty years has confessed her love for someone else as she packs to leave. In Inviolate, a wife suffers the imminent death of her husband from a fall that has left him comatose. "Once coma defined the limit of her husband's existence for the rest of it he was as well as he would ever be and so his wife at the foot of the bed observed that this was as good as he was going to look."

"This book blew me away, completely. Gripping from page one, I—quite literally—couldn't put it down."—Christina Lauren, New York Times bestselling author of *The Unhoneymooners* Growing up, Mallory Dodge learned that the best way to survive was to say nothing. And even though it's been four years since her nightmare ended, she's beginning to worry that the fear that holds her back will last a lifetime. Now, after years of homeschooling, Mallory must face a new milestone—spending her senior year at a public high school. But she never imagined she'd run into Rider Stark, the friend and protector she hasn't seen since childhood, on her very first day. It doesn't take long for Mallory to realize that the connection she shared with Rider never really faded. Yet soon it becomes apparent that she's not the only one grappling with lingering scars from the past. And as she watches Rider's life spiral out of control, Mallory must make a choice between staying silent and speaking out—for the people she loves, the life she wants and the truths that need to be heard. Praise for *The Problem with Forever*: "We're left breathless and a little haunted and wanting more."—Danielle Paige, New York Times bestselling author of *Dorothy Must Die* "Heartbreakingly real...a remarkable novel about the power of first love and the courage it takes to face your fears."—Kami Garcia, #1 New York Times bestselling author Also from #1 bestselling author Jennifer L. A riveting collection of five short stories from critically acclaimed and Emmy Award winning author Jack Norton. Slow burning supernatural thrillers...tales influenced by the golden age of pulp fiction...gritty noir with a dark comedic edge. *Nothing Lasts Forever* is the latest collection of shorts from a master storyteller. Stories in this collection are: 1. The Man Who Never Lived...Until He Died Tom rolled over. Kissed his sleeping wife on her forehead. Rolled back around. Opened the drawer of his bedside table. Pulled out his pistol. Opened his mouth. Pulled the trigger... 2. Living And Dying At Perky's Cafe, or: Feigning Love He remembers the loving, the fighting, the grass, the writing, the knocking, but after that...he remembers nothing. Just a big, ol' glorious blank space in his brain where thoughts outta be. Everyone wants to see the train wreck, but nobody wants to be the engineer... 3. The Girl The Heart The Killer Her name is Emily. She just turned ten years old. Her mother is Karen...It's a very risky procedure. A 50/50 chance of survival...His name is Mike. Killing isn't really his fault: it is The Hunger that makes him do it... 4. Swami Lars Leah Lane didn't need to dig too deep. The truth, as it turns out, was all around here. She just needed to open her eyes to it. If you have no real dogma, any dogma will do... 5. And Then I See A Darkness Theodore Turner simply floated and flickered through his days: life becoming just a series of never-ending strange feelings, constantly plagued by The Darkness and his wife Annabelle. Late one night a strange woman named Sadie Green arrives at Theodore's door - and she stands to change everything...

Addison Schacht and his best friend Digger become obsessed with investigating the murder of a classmate as they travel through Washington DC's underworld in this "thoughtful coming-of-age story and engaging teenage noir" (The New York Times). High school senior Addison Schacht is taking the prompt for his college entry essay to the University of Chicago to heart: What are your best and worst qualities? He begins to look back on his life so far and considers what getting into college, selling some pot to his classmates, his relationship with his best friend—not girlfriend—Digger, Virgil's Aeneid, and his growing obsession with the murder of a classmate, Kevin Broadus, all mean. The more he digs into his own past, the farther he stumbles into the middle of the murder investigation. Filled with classic adolescent reflection and an intriguing mystery, *The November Criminals* is "one of the funniest, most heartfelt novels in recent memory—a book every bit as worthy of Mark Twain and J.D. Salinger" (The Chicago Tribune).

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster *Die Hard*. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!

*The Last Forever* Unvoiced Heart

Decades after his father's murder, a Los Angeles cop gets a chance to set things right Michael Gallagher is twelve years old when his father is hit by a speeding truck. While crusading for public housing, his father ran afoul of the city's most corrupt politicians, and Michael is certain they were responsible for the crash. As his father is lowered into the ground, Michael vows vengeance—no matter how long it takes. Decades later, Michael, now a police officer, is awakened one night by gunfire. Outside his window, he sees helicopters and squad cars arriving at the scene of the crime. It's a massive operation, but the next day, there is nothing about it in the logbooks. To learn what really happened that night, Michael descends into the black heart of Los Angeles, where he will learn the truth about his father—if he's lucky enough to stay alive.

This is the story of a Kanaka, a Samoan warrior caught up in the illegal practice of Blackbirding to acquire Pacific Islanders as unpaid workers. Mel Milo is the son of the king of Samoa. His life of privilege came to a sudden end when he was taken aboard a slave ship bound for the cane fields in the Great Southern Land: Australia. His mother had educated him in reading, writing, and arithmetic, against the wishes of his father, who taught the heir to his throne the traditional ways of Samoa. He was later bought by a sheep farmer, who treated Mel as a son. His devoted friend, a young Aborigine, shared many adventures, while a temperamental ghost liked to stir the pot. His European education opened unexpected doors to a life of respectability and fulfillment. His greatest joy was his wife and family. He was one of the lucky ones.

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately.

Change is constant. It happens regardless of how careful you are in your actions. The same goes in ecosystems. There are events that trigger short-term and/or long-term changes. Some of these events occur naturally while others are man-made. This book will examine the effects of change in different ecosystems. It will categorize changes between beneficial and otherwise. What can you do to help preserve ecosystems?
