MARSHALL POLLARD

The Tuttle Twins and the Creature from Jekyll Island Courier Dover Publications
 GOODREADS CHOICE AWARD WINNER FOR GRAPHIC NOVELS AND COMICS! These casually drawn, perfectly on-point comics by the hugely popular young artist Sarah Andersen are for the rest of us. They document the wasting of entire beautiful weekends on the internet, the unbearable agony of holding hands on the street with a gorgeous guy, and dreaming all day of getting home and back into pajamas. In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. Adulthood Is a Myth presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah's frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.

Hyperbole and a Half Crown

Decorated former Ranger Jacob Stearne must discover why secret cabals are willing to kill for an ancient artifact in the newest addition to Seeley James's sensational Sabel Security series. Jacob and his fiancé Jenny, plan their future during their adventure deep in the Yucatán to repatriate a Mayan artifact. Together they hope to leave the past behind them and start anew. They arrive at the remote excavation site only to have one expert declare their stone age carving a fake and another call it the destroyer of civilizations. While the power of myth is debatable, Jacob and Jenny's good intentions quickly turn dangerous when a murderous executioner comes in search of their relic. Three warring secret societies draw Jacob ever deeper into their competing beliefs forcing him to choose sides. Then a series of events leave him mystified: a hostage who doesn't want to be rescued; freedom fighters who sabotage his efforts; and a professor who reveals far too little of the ancient lore. Everyone wants his help, but no one will tell him why. Sifting through unreliable alliances, Jacob must determine whose cause is just and whose is a myth. As Jacob peels back layers of sinister sects, he uncovers plots against the world's largest economies. With tight security by the finest police, he leaves it to the experts. But his deep concerns lead to a revelation. How can he explain a threat posed an archaic legend without sounding insane? Jacob will need to marshal his extraordinary Ranger skills, and to enlist help from both friends and enemies alike, to root out a diabolically evil plan ... before the few remaining democracies lose their freedoms. The latest installment in Seeley James's highly acclaimed Sabel Security series, this international adventure races from Mayan temples to Chicago mansions to a nail-biting ice climb on the tallest mountain in Germany. But be warned: it'll keep you up all night. READ THE NEXT BLOCKBUSTER BEFORE SOMEONE ELSE DOES. Click now to order! REVIEWS: I fell in love with the characters and can't get enough of them ... "Superb. The best junior novel I've ever read about big-city life." — The New York Times. After another fight with Pop, 14-year-old Dave storms out of their apartment and nearly gets hit by a car. Kate, the local cat lady, comes to the rescue, and Dave returns home with an ally: Cat, the stray tom that becomes Dave's confidante and his key to new friendships and experiences. Cat inadvertently leads Dave to Tom, a troubled 19-year-old who needs help, and Mary, a shy girl who opens Dave's eyes and ears to music and theater. Even the Cat-related confrontations with Pop take on a new spirit, with less shouting and more understanding. *It's Like This, Cat* offers a vivid tour of New York City in the 1960s. From the genteel environs of Gramercy Park to a bohemian corner of Coney Island, the atmospheric journey is punctuated by stickball games, pastrami sandwiches, and a ride on the Staten Island Ferry. Recounted with humor, a remarkably realistic teenage voice, and Emil Weiss's pitch-perfect illustrations, this 1964 Newbery Award-winning tale recaptures the excitement

and challenges of growing up in the big city.

Sleuth on Skates Feiwel & Friends

This psychological sci-fi thriller from a debut author follows one doctor who must discover the source of her crew's madness... or risk succumbing to it herself. Misanthropic psychologist Dr. Grace Park is placed on the Deucalion, a survey ship headed to an icy planet in an unexplored galaxy. Her purpose is to observe the thirteen human crew members aboard the ship—all specialists in their own fields—as they assess the colonization potential of the planet, Eos. But frictions develop as Park befriends the androids of the ship, preferring their company over the baffling complexity of humans, while the rest of the crew treats them with suspicion and even outright hostility. Shortly after landing, the crew finds themselves trapped on the ship by a radiation storm, with no means of communication or escape until it passes—and that's when things begin to fall apart. Park's patients are falling prey to waking nightmares of helpless, tongueless insanity. The androids are behaving strangely. There are no windows aboard the ship. Paranoia is closing in, and soon Park is forced to confront the fact that nothing—neither her crew, nor their mission, nor the mysterious Eos itself—is as it seems.

Death and Deception Grand Central Publishing

"Public figures as you rarely if ever hear them: strikingly personal, surprisingly open, and profoundly emotional." — Entertainment Weekly "I'm British, so I'm medically dead inside, but even I can't help but open up whenever I talk to Marc. He uses his honesty like a scalpel, cutting himself open in front of anyone he's talking to, and in doing so, invites you to do the same." —John Oliver From the beloved and wildly popular podcast WTF with Marc Maron comes a book of intimate, hilarious and life changing conversations with some of the funniest, and most important people in the world like you've never heard them before. Waiting for the Punch features the stories and thoughts of such luminaries as Amy Schumer, Mel Brooks, Will Ferrell, Amy Poehler, Sir Ian McKellen, Lorne Michels, Judd Apatow, Lena Dunham, Jimmy Fallon, RuPaul, Louis CK, David Sedaris, Bruce Springsteen, and President Obama. This book is not simply a collection of these interviews, but instead something more wondrous: a running narrative of the world's most recognizable names working through the problems, doubts, joys, triumphs, and failures we all experience. With each chapter covering a different topic: parenting, childhood, relationships, sexuality, success, failures and others, Punch becomes a sort of everyman's guide to life. Barack Obama candidly discusses the challenges of the presidency, and the bittersweet moments of seeing your children grow up. Amy Schumer recounts the pain of her parents' divorce. Molly Shannon uproariously remembers the time she and her best friend hopped a plane from Ohio to New York City when they were twelve on a dare. Amy Poehler dishes on why just because you become a parent doesn't mean you have to like anybody else's kids but your own. Bruce Springsteen expounds on the dual nature of desperation to both motivate and devastate. Full of stories that are at once laugh-out loud funny, heartbreakingly honest, joyous, tragic and powerful, *Waiting for the Punch* is a book to be read from cover to cover, but it is also one to return to again and again.

Too many discipleship books are written for clean, perfect people who know all the right Sunday school answers. The Imperfect Disciple is for the rest of us--people who screw up, people who are weary, people who are wondering if it's safe to say what they're really thinking. For the believer who is tired of quasi-spiritual lifehacks being passed off as true, down-and-dirty discipleship, here is a discipleship book that isn't afraid to be honest about the mess we call real life. With incisive wit, warm humor, and moving stories, Jared Wilson shows readers how the gospel works in them and in their lives when - they can't get their act together - they think God is giving them the silent treatment - they think church would be better without all the people - they're not happy with the person in the mirror - and much more Wilson frees readers from the self-doubt and even the misplaced self-confidence they may feel as they walk with Jesus down the often difficult road of life. The result is a faith that weathers storms, lifts burdens, and goes forth to make more imperfect disciples.

Swallow Me Whole Tor Books

Former Olympic figure skater and self-professed America's Sweetheart Adam Rippon shares his underdog journey from beautiful mess to outrageous success in this hilarious, big-hearted memoir. Your mom probably told you it's what on the inside that counts. Well, then she was never a competitive figure skater. Olympic medalist Adam Rippon has been making it pretty for the judges even when, just below the surface, everything was an absolute mess. From traveling to practices on the Greyhound bus next to ex convicts to being so poor he could only afford to eat the free apples at his gym, Rippon got through the toughest times with a smile on his face, a glint in his eye, and quip ready for anyone listening. Beautiful on the Outside looks at his journey from a homeschooled kid in Scranton, Pennsylvania, to a self-professed American sweetheart on the world stage and all the disasters and self-delusions it took to get him there. Yeah, it may be what's on the inside that counts, but life is so much better when it's beautiful on the outside.

The Probability of Miracles Libertas Press

A goat who wants to sell you some meth. A giraffe who might be violating his restraining order. An alpaca with a very dirty secret. A cat who's really mad at you for cancelling Netflix instant. These are just a few of the hilariously human animals you'll meet in *Animals Talking in All Caps*. Inspired by the wildly popular blog of the same name and including some of the site's best-loved entries as well as gobs of never-before-seen material, these pages provide a brilliantly unhinged glimpse into the animal mind.

The Bermudez Triangle Simon and Schuster

Edward Griffin, this book introduces children to the history and nature of money, banking, inflation, savings, and bartering in an informative and entertaining format that both entertains and excites its young readers!"--Page 4 of cover.

Unfortunate Situations, Flawed Coping Mechanisms, Mayhem, and Other Things That Happened Gallery Books

A boy who lives every day twice uses his ability to bring down bullies at his new school in Mike Thayer's humor-filled middle grade novel, *The Double Life of Danny Day*. My name is Danny Day, and I live every day twice. The first time, it's a "discard day." It's kind of like a practice run. At the end of the day, I go to bed, wake up, and poof everything gets reset, everything except my memory, that is. The second time, everything is normal, just like it is for everyone else. That's when everything counts and my actions stick. As you could probably guess, "Sticky Day" Danny is very different from "Discard Day" Danny. When Danny's family moves across the country, he suddenly has to use his ability for more than just slacking off and playing video games. Now he's making new friends, fending off jerks, exposing a ring of cheaters in the lunchtime video game tournament, and taking down bullies one day at a time ... or is it two days at a time?

Solutions and Other Problems Penguin

It's All Absolutely Fine is an honest and unapologetic account of day-to-day life as a groaning, crying, laughing sentient potato being for whom things are often absolutely not fine. Through simple, humorous drawings and a few short narratives, the book encompasses everything from mood disorders, anxiety, and issues with body image through to existential conversations with dogs and some unusually articulate birds. Building on Rubyetc's huge online presence, *It's All Absolutely Fine* includes mostly new material, both written and illustrated, and is inspirational, empowering, and entertaining. Hope and tenacity abound in this book that is as heartening as it is hilarious. *Voted onto the 2018 GREAT GRAPHIC NOVELS FOR TEENS list by the American Library Association's YALSA (Young Adult Library Services Association)
