### Who Killed Mona Lisa?

West 26th Street Press

HE CALLS HIMSELF

"CARVER" He likes killing.

But he knows he must be patient, like an actor

preparing for a role. He must cast the part of the

victim. Stage the scene of the crime. Find the

motivation to kill. Then,

with blade in hand, he must make it real. So real,

it hurts... DEATH WEARS A

MASK NYPD profiler Lee

Campbell arrives to find

the victim lying in the lobby of her building. In a

pool of blood. Wearing a

white mask. When he

learns the girl was an

actress, he follows the

trail to an off-Broadway

theater where she was

rehearsing for a play. But

Campbell suspects the

killer was rehearsing,

too—for another

murder—because one of

the victim's co-stars has

just received a warning:

"You're next." Praise for

the Thrillers of C. E.

Lawrence "Pulse-racing,

compelling, first-rate."

—John Lutz "Startlingly

suspenseful...an

extraordinary page-

turner." —Cody Mcfadyen

"Fascinating characters. .

. . a great story." —J. T.

Ellison 16,800 Words.

Pride, Prejudice and

*Silent Victim* Titan Books

NATIONAL BESTSELLER •

"Elegant and wicked....

[This] might be the first

true-crime book that

makes the reader want to

book a bed and breakfast

for an extended weekend

at the scene of the

crime." —The New York

Times Book Review Shots

rang out in Savannah's

grandest mansion in the

misty, early morning hours

of May 2, 1981. Was it

murder or self-defense?

For nearly a decade, the

shooting and its aftermath

reverberated throughout

this hauntingly beautiful

city of moss-hung oaks

and shaded squares. John

Berendt's sharply

observed, suspenseful,

and witty narrative reads

like a thoroughly

engrossing novel, and yet

it is a work of nonfiction.

Berendt skillfully

interweaves a hugely

entertaining first-person

account of life in this

isolated remnant of the

Old South with the

unpredictable twists and

turns of a landmark

murder case. It is a

spellbinding story peopled

by a gallery of remarkable

characters: the well-bred

society ladies of the

Married Woman's Card

Club; the turbulent young

redneck gigolo; the

hapless recluse who owns

a bottle of poison so

powerful it could kill every

man, woman, and child in

Savannah; the aging and

profane Southern belle

who is the "soul of

pampered self-

absorption"; the

uproariously funny black

drag queen; the acerbic

and arrogant antiques

dealer; the sweet-talking,

piano-playing con artist;

young blacks dancing the

minuet at the black

debutante ball; and

Minerva, the voodoo

priestess who works her

magic in the graveyard at

midnight. These and other

Savannahians act as a

Greek chorus, with

Berendt revealing the

alliances, hostilities, and

intrigues that thrive in a

town where everyone

knows everyone else.

Midnight in the Garden of

Good and Evil is a sublime

and seductive reading

experience. Brilliantly

conceived and masterfully

written, this enormously

engaging portrait of a

most beguiling Southern city has become a modern classic.

Silent Stalker Thomas & Mercer

Silent Screams Pinnacle Books

Report of the Presidential Commission on the Space Shuttle Challenger Accident Open Book Publishers

Despite creating vast inequalities and propping up reactionary world regimes, capitalism has many passionate defenders—but not because of what it withholds from some and gives to others.

Capitalism dominates, Todd McGowan argues, because it mimics the structure of our desire while hiding the trauma that the system inflicts upon it. People from all backgrounds enjoy what capitalism provides, but at the same time are told more and better is yet to come. Capitalism traps us through an incomplete satisfaction that compels us after the new, the better, and the more. Capitalism's parasitic relationship to our desires gives it the illusion of corresponding to our natural impulses, which is how capitalism's defenders characterize it. By understanding this psychic strategy,

McGowan hopes to divest us of our addiction to capitalist enrichment and help us rediscover enjoyment as we actually experienced it. By locating it in the present, McGowan frees us from our attachment to a better future and the belief that capitalism is an essential outgrowth of human nature. From this perspective, our economic, social, and political worlds open up to real political change. Eloquent and enlivened by examples from film, television, consumer culture, and everyday life, *Capitalism and Desire* brings a new, psychoanalytically grounded approach to political and social theory.

*Introduction to Schizoanalysis* Thomas & Mercer

Holmes and Watson find themselves caught up in a complex chess board of a problem, involving a clandestine love affair and the disappearance of a priceless sapphire. Professor James Moriarty is back to tease and torment, leading the duo on a chase through the dark and dangerous back streets of London and beyond.

**Social Democracy in the Making** CreateSpace  
Describes how patterns of

information, knowledge, and cultural production are changing. The author shows that the way information and knowledge are made available can either limit or enlarge the ways people create and express themselves. He describes the range of legal and policy choices that confront.

**Why (and How) Sovereign Funds Should be Managed by the People for the People** Pinnacle Books

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and

interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will

be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989. Capitalism and Desire Oxford University Press 'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING

- impression.' 'This is one of those booksthat stands the test of time and is worth rereading.' 'Five epic, no-wonder-this-book-is-so-well-loved stars!'

**Silent Screams** Light Technology Publishing  
What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read Amusing Ourselves to Death, but his ascent would not have surprised Postman." -CNN  
Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. Amusing Ourselves to Death is a prophetic look at what happens when politics, journalism, education, and even religion become subject to

the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, *The Washington Post Book World*

*Amusing Ourselves to Death* DIANE Publishing

*Pygmalion* is a play by George Bernard Shaw, named after a Greek mythological figure. It was first presented on stage to the public in 1913.

*A Century of Artists Books* Yale University Press

Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success, motivation, and the role of adversity in shaping our lives, from the bestselling author of *The Bomber Mafia*. Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a stone and a sling, and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't

have won. Or should he have? In *David and Goliath*, Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, or cope with a disability, or lose a parent, or attend a mediocre school, or suffer from any number of other apparent setbacks. Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago. From there, *David and Goliath* examines Northern Ireland's Troubles, the minds of cancer researchers and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms—all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity. In the tradition of Gladwell's previous bestsellers—*The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*—*David and Goliath* draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us.

### **Introductory Essays**

Crooked Lane Books  
Editor and sleuth Claire Rawlings and her 12-year-old sidekick Meredith visit a cozy New England inn where murder is an unwanted guest.

[Political and Religious Roots of European Socialism](#) Oxford University Press

Plato's frontal attack on poetry has always been a problem for sympathetic students, who have often minimized or avoided it. Beginning with the premise that the attack must be taken seriously, Mr. Havelock shows that Plato's hostility is explained by the continued domination of the poetic tradition in contemporary Greek thought. The reason for the dominance of this tradition was technological. In a nonliterate culture, stored experience necessary to cultural stability had to be preserved as poetry in order to be memorized. Plato attacks poets, particularly Homer, as the sole source of Greek moral and technical instruction--Mr. Havelock shows how the *Illiad* acted as an oral encyclopedia. Under the label of mimesis, Plato condemns the poetic process of emotional identification

and the necessity of presenting content as a series of specific images in a continued narrative. The second part of the book discusses the Platonic Forms as an aspect of an increasingly rational culture. Literate Greece demanded, instead of poetic discourse, a vocabulary and a sentence structure both abstract and explicit in which experience could be described normatively and analytically: in short a language of ethics and science.

Mulholland Books

Arguing that the European and white American destruction of the native American people was the most massive act of genocide in the history of the world, Stannard attempts to set the records straight on what befell American Indians over the last five centuries.

A Deranged Killer's

Twisted Urges In the

streets of New York City,

the Slasher chooses his

victim--and makes his

move. As he wraps his

fingers around the girl's

pretty throat, his power

increases. As he carves into her skin, his words become flesh. As he arranges her lifeless body in a loving tableau, his fantasies demand new, more violent sacrifices. . . . A Profiler's Cunning Plan At first, NYPD detectives suspect a jealous boyfriend. But criminal profiler Lee Campbell senses something darker, even ritualistic, about the murder. More chilling, he's convinced he's witnessing the genesis of a full-blown serial killer. But time is running out. A new victim has been chosen. Campbell must search the most terrifying recesses of the human mind--and his own past--before the screaming starts again. . . . "Pulse-racing, compelling, first rate. Lawrence knows how to build and hold suspense with the best of them. Once you get into this one, you can't get out. A wild ride down a dark road." --John Lutz, New York Times bestselling author of Urge to Kill "C. E. Lawrence has achieved a rare level of authenticity, not only in character development but also in the realistic use of behavioral science. If you want to read a serial-killer thriller that's solidly based on frightening reality, this is

the one." --Louis B Schlesinger, Ph.D., professor of forensic psychology, John Jay College of Criminal Justice "C. E. Lawrence delivers finely honed suspense, with unique twists, and accurately captures the logic and intuition of a profiler under pressure." --Katherine Ramsland, professor of forensic psychology, De Sales University, and author of The Devil's Dozen "Criminally compelling, Silent Screams by C.E. Lawrence nails you to your seat with a fascinating NYPD profiler who's hurled into the case of his lifetime. From the Bronx to Manhattan, Catholic churches to university classrooms, this journey into violence and the soul is unforgettable." --- Gayle Lynds, New York Times bestselling author of The Book of Spies and The Last Spymaster "Silent Screams is a wickedly brilliant, carefully wrought thriller where the roles of hunter and hunted are skillfully blurred. Team up with a virtuoso profiler and a street-wise Bronx detective as they are thrown into an escalating torrent of murder that threatens to sweep them away. It's ride that neither they, or you, will soon

forget." --Gregg McCrary, author of *The Unknown Darkness: Profiling the Predators Among Us* "By setting the horror of fictional killings against the background of 9/11, C.E. Lawrence constantly reminds the reader that life is infinitely stranger than anything which the mind of man could invent. The deviant perpetrator of grisly murders is described as someone who has a sophisticated knowledge of forensic investigations. The same can be said of the author. *Silent Screams* beckons C.E. Lawrence to become a repeat offender in this genre." --Marina Stajic, Ph.D., President of American Board of Forensic Toxicology  
*The Books in My Life*  
 Routledge  
 In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.  
*Silent Victories* ABRAMS

When a different kind of justice is needed---swift, effective, and personal---a new type of avenger must take action. *VENGEANCE* features new stories by bestselling crime writers including Lee Child, Michael Connelly, Dennis Lehane, and Karin Slaughter, as well as some of today's brightest rising talents. The heroes in these stories include a cop who's seen too much, a woman who has been pushed too far, or just an ordinary person doing what the law will not. Some call them vigilantes, others claim they are just another brand of criminal. Edited and with an introduction by Lee Child, these stories reveal the shocking consequences when men and women take the law into their own hands. Full list of contributors: Alafair Burke Lee Child Michael Connelly Mike Cooper Brendan DuBois Jim Fusilli Michelle Gagnon Darrell James C.E. Lawrence

**Cicero, Against Verres, 2.1.53-86** Faber & Faber  
 Eugene W. Holland provides an excellent introduction to Gilles Deleuze and Felix Guattari's *Anti-Oedipus* which is widely recognized as one of the most influential texts in philosophy to have appeared in the last thirty years. He lucidly presents the theoretical concerns behind *Anti-Oedipus* and explores with clarity the diverse influences of Marx, Freud, Nietzsche and Kant on the development of Deleuze & Guattari's thinking. He also examines the wider implications of their work in revitalizing Marxism, environmentalism, feminism and cultural studies.
