Indes Galantes Rameau On The Piano Volume The second volume in pianist Stephen Gutman's three-disc survey of Rameau's complete keyboard music begins with the composer's harpsichord transcriptions of the ballet music from his opera Les Indes galantes, heard in what appears to be their first recording on a modern concert grand. Gutman's booklet notes present detailed analyses of how Rameau carefully went about his business of "de-orchestration". Rameau On Piano? And How! - Classics Today RAMEAU ON THE PIANO, VOLUME THREE. 2. The two suites recorded on this disc are from the Nouvelles suites de pièces de clavecin of 1729 or 1730, Rameau's final collection of solo keyboard music. Like those of his Pièces de clavessin (1724), they are contrasted both in tonality and character. The Suite in A minor and major is dominated by dances and includes only three character pieces, whereas the Suite in G major and minor consists almost exclusively of pieces with character titles.
