Bringing Words to Life
Scholastic Inc.

The Kamishibai man used
to ride his bicycle into
town where he would tell
stories to the children and
sell them candy, but
gradually, fewer and
fewer children came
running at the sound of
his clappers. They were all
watching their new
televisions instead.
Finally, only one boy
remained, and he had no

money for candy. Years
later, the Kamishibai man
and his wife made
another batch of candy,
and he pedaled into town
to tell one more story—his
own. When he comes out
of the reverie of his
memories, he looks
around to see he is
surrounded by familiar
faces—the children he
used to entertain have
returned, all grown up and
more eager than ever to
listen to his delightful
tales. Using two very
different yet remarkable
styles of art, Allen Say
tells a tale within a tale,
transporting readers
seamlessly to the Japan of
his memories.

The Golden Gate Bridge.
The impossible bridge,
some call it. They say it
can't be built. But
Robert's father is building
it. He's a skywalker--a
brave, high-climbing
ironworker. Robert is
convinced his pop has the
most important job on the
crew . . . until a
frightening event makes
him see that it takes an
entire team to accomplish
the impossible. When it
was completed in 1937,
San Francisco's Golden
Gate Bridge was hailed as
an international marvel.
Eve Bunting's riveting

story salutes the ingenuity and courage of every person who helped raise this majestic American icon. Includes an author's note about the construction of the Golden Gate Bridge.

Officer Buckle and Gloria
Penguin

A boy discovers his Native American heritage in this Depression-era tale of identity and friendship by the author of *Code Talker*. It's 1932, and twelve-year-old Cal Black and his Pop have been riding the rails for years after losing their farm in the Great Depression. Cal likes being a "knight of the road" with Pop, even if they're broke. But then Pop has to go to Washington, DC--some of his fellow veterans are marching for their government checks, and Pop wants to make sure he gets his due--and Cal can't go with him. So Pop tells Cal something he never knew before: Pop is actually a Creek Indian, which means Cal is too. And Pop has decided to send Cal to a government boarding school for Native Americans in Oklahoma called the Challagi School. At school, the other Creek boys quickly take Cal under their wings. Even in the harsh, miserable conditions of the Bureau

of Indian Affairs boarding school, he begins to learn about his people's history and heritage. He learns their language and customs. And most of all, he learns how to find strength in a group of friends who have nothing beyond each other.

Bud, Not Buddy Houghton Mifflin Harcourt

How the Leopard Got His Spots Scholastic

The Newbery Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul Curtis, author of *The Watsons Go To Birmingham—1963*, a Newbery and Coretta Scott King Honoree. It's 1936, in Flint Michigan. Times may be hard, and

ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of *Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself*. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. AN ALA BEST BOOK FOR YOUNG ADULTS AN ALA NOTABLE CHILDREN'S BOOK AN IRA CHILDREN'S BOOK AWARD WINNER NAMED TO 14 STATE AWARD LISTS "The book is a gem, of value to all ages, not just the young people to whom it is aimed." —The Christian Science Monitor "Will keep readers engrossed from first page to last." —Publishers Weekly, Starred "Curtis writes with a razor-sharp intelligence that grabs the reader by the heart and

never lets go. . . . This highly recommended title [is] at the top of the list of books to be read again and again." —Voice of Youth Advocates, Starred From the Hardcover edition.

Standards-Based

Connections Reading for grade 2 offers focused skill practice in reading comprehension. A skill assessment will point out students' learning gaps.

This allows teachers to choose appropriate student pages for individualized remediation. The student pages emphasize five important reading comprehension skills: summarizing, inferring, story elements, comparing and contrasting, and cause and effect. The book includes high-interest fiction and nonfiction, with texts about moving day, volcanoes, Laura Ingalls Wilder, planets, poetry, and more. --Each 96-page book in the Standards-Based Connections Reading series includes a skill assessment, an assessment analysis, targeted practice pages, and an answer key, making this series an ideal resource for differentiation and remediation. The skill assessments and assessment analyses help teachers determine individualized instructional needs. And,

the focused, comprehensive practice pages and self-assessments guide students to reflection and exploration for deeper learning!

Reading, Grade 2

Pavilion Children's Books
"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete

examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

Storm Is Coming!
