### THOMAS JAMARCUS

*My Life and Stryper Revealed* Simon and Schuster

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fueled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

#1 NEW YORK TIMES BESTSELLER • It might seem like everyone you know took secret classes on budgeting, owning their career, and choosing the right wine—and you were sick that day. Enter: How to Skimm Your Life. With the Skimm's trademark mix of real talk, humor, and inspirational messaging, this book gives you the information you need to make informed and empowered decisions in your life. Covering everything from personal finance, to career, to stress management, global politics, and more, How to Skimm Your Life breaks down some of the less glamorous parts of adulthood and answers questions like: • "What's the difference between an ETF and a mutual fund?" • "How should I negotiate my salary when I'm offered a new job?" • "Should I claim standard or itemized deductions on my taxes?" • "How should I tip while traveling abroad?" • "How do I read the wine list without breaking out a dictionary?" And much more . . . Wine & Food • Travel • Networking • Job Searching • Personal Growth • Mental Health • Time Management • Budgeting • Investing • Health Insurance • International Relations • US Government With life hacks for anyone who's starting out in the real world, looking to make a change, or just wants a reset, How to Skimm Your Life will be time well spent—making it the perfect gift for graduation, birthdays, or your best friend "just because."

*A Visual History: 1983 - 1990* Random House

This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age, and Soulsavers documents his years as a singer and drug addict in Seattle in the '80s and '90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just "an arrogant, self-loathing redneck waster seeking transformation through rock 'n' roll." Little did he know that within less than a decade he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle, to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees, from a brawling, acid-rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with addiction, culminating in homelessness, petty crime, and the tragic deaths of his closest friends. From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage, and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history—from a survivor who lived

to tell the tale. Gritty, gripping, and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes, and keep living and creating. "Mark Lanegan—primitive, brutal, and apocalyptic. What's not to love?" —Nick Cave, author of *The Sick Bag Song* and *The Death of Bunny Munro*

**And Other Lies** Harper Collins

INSTANT NEW YORK TIMES BESTSELLER At the one-year anniversary of his death, legendary musician Prince's first wife shares a uniquely intimate, candid, and revelatory look inside the personal and professional life of one of the world's most beloved icons. In *The Most Beautiful*, a title inspired by the hit song Prince wrote about their legendary love story, Mayte Garcia for the first time shares the deeply personal story of their relationship and offers a singular perspective on the music icon and their world together: from their unconventional meeting backstage at a concert (and the long-distance romance that followed), to their fairy-tale wedding (and their groundbreaking artistic partnership), to the devastating losses that ultimately dissolved their romantic relationship for good. Throughout it all, they shared a bond more intimate than any other in Prince's life. No one else can tell this story or can provide a deeper, more nuanced portrait of Prince—both the famously private man and the pioneering, beloved artist—than Mayte, his partner during some of the most pivotal personal and professional years of his career. *The Most Beautiful* is a book that will be returned to for decades, as Prince's music lives on with generations to come.

**Sex, and Drugs, and Guns N' Roses** Harper Collins

*The Dirt* Confessions of the World's Most Notorious Rock Band Harper Collins

**The hilarious #1 bestseller from the national treasure** Harper Collins

*This Is Gonna Hurt* is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of *The Heroin Diaries*. A combination of powerful prose and dramatic photographs, *This Is Gonna Hurt* is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world. *Living Like a Runaway* Simon and Schuster

In *Horseshoes and Hand Grenades*, John Corabi recounts his life from the mean streets of Philadelphia to the Sunset Strip. Take a look behind the scenes at Corabi's time fronting Mötley Crüe, Union, and The Dead Daisies, as well as his time playing rhythm guitar with Ratt and even his stint as a long-haul trucker. Whether it's detailing his parents' difficult divorce, his family's dark history of abuse, his run-in with a serial killer, or simply the best way to arrive at a wedding—which maybe is by helicopter and maybe it isn't—he pulls no punches and outlines the good and bad of it all in this raucous.

*My Life in Rock* Hachette Books

Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock 'n' roll debauchery. You've seen *The Dirt* on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess. Vince's break with the band and his arduous re-uniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the heart of the matter. *Tattoos and Tequila* reveals the real Vince Neil, from his many vices—booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy,

shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

**The Autobiography** Hal Leonard Corporation

(Book). Kickstart My Heart: A Motley Crue Day-by-Day is an exciting chronology that celebrates in innovative form through the use of day-by-day entries and supporting band quotes mostly collected firsthand by the author, as well as memorabilia shots and photography the crazy lives lived by Vince, Mick, Nikki, and Tommy at the booze-drenched apex of the rock-'n'-roll food chain. Augmented with entries that help place the band in a wider rock context, Popoff presents a swift-moving, action-packed symphony of text and visuals that reprises his collaboration with Backbeat on similarly structured titles about Iron Maiden and Ozzy Osbourne. With very few Motley Crue-related books on the market, Kickstart My Heart will likely serve for years to come as the most complete and completely party-hardy celebration of this band now 35 years on and in the midst of completing its final tour ever.

*Sing Backwards and Weep* Simon and Schuster

An uncensored Hollywood tell-all filled with explicit tales of love, sex, and revenge from the video vixen made famous by Warrant's rock anthem "Cherry Pie." SHE'S MY CHERRY PIE. Tastes so good, make a grown man cry. Who could forget the sexy "Cherry Pie" girl from hair metal band Warrant's infamous music video? Bobbie Brown became a bona fide vixen for her playful role as the object of lead singer Jani Lane's desires. With her windblown peroxide mane, seductive scarlet lips, and flirtatious curves, she epitomized every man's fantasy. But the wide-eyed Louisiana beauty queen's own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. . . . Ever wonder what it 's like to f\*\*\* a rock star? After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage days later to Pamela Anderson—Bobbie decided it was time Hollywood's hottest bachelors got a taste of their own medicine. Step one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts her encounters with some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy's Jay Gordon, and many more. Who's got the most titanic dick in Tinseltown? Whose bedroom did Bobbie (literally) set on fire? No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party—barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told.

*This Book Will Save Your Life* Simon and Schuster

'Man, there's nothing like being told you're dying to make you feel alive.' In 2013, Dr Feelgood founder, Blockheads member and musical legend Wilko Johnson was diagnosed with terminal cancer. With ten months to live, he decided to accept his imminent death and went on the road. His calm, philosophical response made him even more beloved and admired. And then the strangest thing happened: he didn't die. Don't You Leave Me Here is the story of his life in music, his life with cancer, and his life now - in the future he never thought he would see.

*On Tour with the Carnival of Sins* Harper Collins

THE #1 SUNDAY TIMES BESTSELLER: a hilarious and heartfelt new autobiography from the national treasure Sir David Jason 'There are British telly icons and then there is Sir David Jason. This book is such gold . . . an absolute delight' ZOE BALL 'During my life and career I have been given all sorts of advice and learned huge amounts from some great and enormously talented people. I've been blessed to play characters such as Derek Trotter, Granville, Pop Larkin and Frost, who have changed my life in all sorts of ways, and taught me lessons that go far beyond the television set. And I've worked a few things out for myself as well, about friendship, ambition, rejection, success, failure, adversity and fortune. With any luck, some of these thoughts and observations will chime with episodes and challenges you have faced, or are facing, in your own life. And if they don't. . . well, hopefully, at the very least you'll get to have a good old laugh at my expense. So lean back, pour yourself a glass, and try not to fall through the bar flap . . .'

'An absolute delight . . . a romp with so much detail. Offers wisdom in difficult times . . . like being invited into his living room' BBC BREAKFAST 'It's beautifully written . . . so conversational and chatty . . . it's so lovely and warm' CHRIS MOYLES

*Horseshoes and Hand Grenades* Grand Central Publishing

"Heavy metal's leading female rocker (Rolling Stone) bares all, opening up about the Runaways, the glory days of the punk and hard-rock scenes, and the highs and lows of her trailblazing career Wielding her signature black guitar, Lita Ford shredded stereotypes of female musicians throughout the 1970s and '80s. Then followed more than a decade of silence and darkness—until rock and roll repaid the debt it owed this pioneer, helped Lita reclaim her soul, and restored the Queen of Metal to her throne. In 1975, Lita Ford left home at age sixteen to join the world's first major all-female rock group, the Runaways—a "pioneering band" (New York Times) that became the subject of a Hollywood movie starring Kristen Stewart ad Dakota Fanning. Lita went on to become "heavy rock's first female guitar hero" (Washington Post), a platinum-selling solo star who shared the bill with the Ramones, Van Halen, Motley Crue, Bon Jovi, Def Leppard, Poison, and others and who gave Ozzy Osbourne his first Top 10 hit. She was a bare-ass, leather-clad babe whose hair was bigger and whose guitar licks were hotter than any of the guys'. Hailed by Elle as "one of the greatest female electric guitar players to ever pick up the instrument," Lita spurred the meteoric rise of Joan Jett, Cherie Currie, and the rest of the Runaways. Her phenomenal talent on the fret board also carried her to tremendous individual success after the group's 1979 disbandment, when she established herself as a "legendary metal icon" (Guitar World) and a fixture of the 1980s music scene who held her own after hours with Nikki Sixx, Jon Bon Jovi, Eddie Van Halen, Tommy Lee, Motorhead's Lemmy, Black Sabbath's Tony Iommi (to whom she was engaged), and others. Featuring a foreword by Dee Snider, *Living Like a Runaway* also provides never-before-told details of Lita's dramatic personal story. For Lita, life as a woman in the male-dominated rock scene was never easy, a constant battle with the music establishment. But then, at a low point in her career, came a tumultuous marriage that left her feeling trapped, isolated from the rock-and-roll scene for more than a decade, and—most tragically—alienated from her two sons. And yet, after a dramatic and emotional personal odyssey, Lita picked up her guitar and stormed back to the stage. As *Guitar Player* hailed in 2014 when they inducted her into their hall of fame of guitar greats: "She is as badass as ever." Fearless,

revealing, and compulsively readable, Lita Ford's *Living Like a Runaway* is the long-awaited memoir from one of rock's greatest pioneers—and fiercest survivors.

**My Undercover Life in the Mafia** The DirtConfessions of the World's Most Notorious Rock Band Donnie Brasco takes on both the Russian and Italian mobs. But this time, it's not his life on the line—it's his daughter's life.

*Motley Crue* Chronicle Books

A founding member of Guns N' Roses shares the story of his career and private life, covering the band's rise to fame, overcoming alcoholism, and his experiences as a husband and father.

*Motley Crue* Simon and Schuster

18 *And Life on Skid Row* tells the story of a boy who spent his childhood moving from Freeport, Bahamas to California and finally to Canada and who at the age of eight discovered the gift that would change his life. Throughout his career, Sebastian Bach has sold over twenty million records both as the lead singer of Skid Row and as a solo artist. He is particularly known for the hit singles I Remember You, Youth Gone Wild, & 18 & Life, and the albums Skid Row and Slave To The Grind, which became the first ever hard rock album to debut at #1 on the Billboard Top 200 and landed him on the cover of Rolling Stone magazine. Bach then went on to become the first rock star to grace the Broadway stage, with starring roles in Jekyll & Hyde, Jesus Christ Superstar and The Rocky Horror Picture Show. He also appeared for seven seasons on the hit television show The Gilmore Girls. In his memoir, Bach recounts lurid tales of excess and debauchery as he toured the world with Bon Jovi, Aerosmith, Motley Crue, Soundgarden, Pantera, Nine Inch Nails and Guns N' Roses. Filled with backstage photos from his own personal collection, *18 And Life on Skid Row* is the story of hitting it big at a young age, and of a band that broke up in its prime. It is the story of a man who achieved his wildest dreams, only to lose his family, and then his home. It is a story of perseverance, of wine, women and song and a man who has made his life on the road and always will. *18 And Life On Skid Row* is not your ordinary rock memoir, because Sebastian Bach is not your ordinary rock star.

*To Hell and Back with One of Rock's Most Notorious Frontmen* HarperCollins

It seems excessive...but that doesn't mean it didn't happen.

*Runnin' with the Devil* Hodder & Stoughton

"You won't leave this hypnotic book without feeling that James Brown is still out there, howling."—The Boston Globe From the New York Times bestselling author of *The Good Lord Bird*, winner of the 2013 National Book Award for Fiction, Deacon King Kong, and *Five-Carat Soul* Kill 'Em and Leave is more than a book about James Brown. Brown embodied the contradictions of American life: He was an unsettling symbol of the tensions between North and South, black and white, rich and poor. After receiving a tip that promises to uncover the man behind the myth, James McBride goes in search of the "real" James Brown. McBride's travels take him to forgotten corners of Brown's never-before-revealed history, illuminating not only our understanding of the immensely troubled, misunderstood, and complicated Godfather of Soul, but the ways in which our cultural heritage has been shaped by Brown's enduring legacy. Praise for *Kill 'Em and Leave* "A tour de force of cultural reportage."—The Seattle Times "Thoughtful and probing."—The New York Times Book Review "Masterly . . . powerful."—Los Angeles Review of Books "McBride provides something lacking in most of the books about James Brown: an intimate feeling for the musician, a veracious if inchoate sense of what it was like to be touched by him. . . . It may be as close [to 'the real James Brown'] as we'll ever get."—David Hajdu, *The Nation* "A feat of intrepid journalistic fortitude."—USA Today "[McBride is] the biographer of James Brown we've all been waiting for. . . . McBride's true subject is race and poverty in a country that doesn't want to hear about it, unless compelled by a voice that demands to be heard."—Boris Kachka, *New York* "Illuminating . . . engaging."—The Washington Post "A gorgeously written piece of reportage that gives us glimpses of Brown's genius and contradictions."—O: The Oprah Magazine

**Dirty Rocker Boys** Harper Collins

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band biography *The Dirt* on bestseller lists around the country. Mötley Crüe is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album *Shout at the Devil* through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Mötley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.

**Confessions of the World's Most Notorious Rock Band** Ballantine Books

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.
