*Emulation Ritual Pocket Book* Createspace  
Independent Publishing Platform

The perfect gift for the newly made Fellow Craft, providing him with an authoritative grounding in Masonic symbolism and practice and everything he needs for his next degree. This book contains - The complete ceremony of the Fellow Craft Degree, The Official Emulation Lectures explaining the symbolism of the Second Degree (some sections of which are as old as the ritual itself!), The questions to the candidate before the Third degree, [The Walking Charge and Other Masonic Performance Pieces](#) Lewis Masonic Pub Limited

Explored from the perspective of the little

practiced Scottish Rite degrees, this work combines elaborate descriptions, interpretative exploration and links to parallel symbolic constructs to form an understanding of the meaning behind this second step of becoming a Freemason. Picking up from where its predecessor, the Apprentice, concluded the Fellow of the Craft takes the reader on a journey through the rich symbolism and allegory of what it means to become a Fellow. Lewis Masonic Pub Limited  
The most detailed and authoritative text on the true meaning of the Taylors Masonic rituals! The principal contents of this book are the Official Taylors Lectures on the Three Degrees of Craft Freemasonry. These lectures deal with the description of the ritual of those Degrees along with their moral and symbolic significance and are of a formal nature, arranged as catechisms - that is by question and answer form. The

text can be studied at home or can be performed by two or more brethren in open lodge. Much evidence suggests that many sections of these lectures are as old as the degrees themselves. This book adds much to ones enjoyment and understanding of Freemasonry. [Emulation Ritual](#) Emulation Ritual  
This book contains the Official Emulation version of the Three Degrees of Craft Freemasonry and the installation ceremony with notes and guidelines on ritual procedure and practice. 12th edition 2007  
*A System of Morality* Greg Stewart  
English Freemasonry defines itself as a 'system of morality': but what does that phrase mean? This new study traces it back to the work of William Preston (1742-1818), who argued that Freemasonry teaches a philosophical approach to virtue. According to Preston,

the rituals of Freemasonry are designed to lead the initiate through the ethical thought of Aristotle. His view proved popular, and was decisive in shaping the ritual approved for use by the United Grand Lodge of England shortly after its formation in 1813. Almost all English lodges, and many others throughout the world, still use a ritual derived from this one, and, perhaps without realising it, continue to pay silent testimony to Preston and to Aristotle in their work.

*Handbook of Freemasonry* Legare Street Press

Mystical architecture is the chief weapon in the Illuminati's armory for the seduction of humanity. Who is behind this Architectural Colossus and what strange force compels its visionary builders and architects to complete their Great Work?

**Emulation First Degree Ritual** Lewis Masonic Pub Limited

"In the Interests of the Brethren" by Rudyard Kipling. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Emulation Working Today** Lewis Masonic Pub Limited

This book contains the official ritual of the order of the knights of Malta Ritual.

**The Masonic Trowel** Lewis Masonic Pub Limited

Is there anything wrong with a Christian being a member of the Lodge? Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself? Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership? In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths. Masons are promised that nothing in Masonry's teachings will ever conflict with their own Christian belief. Has Masonry lied to or deceived Christians? In this book you will find answers to all these questions from the Masonic ritual and the Bible itself.

**The Complete Workings of the Royal Arch Ritual** Good Press

This series of books sets out to provide for each Officer of a Lodge as accurate as possible a description of Emulation Working as it applies to his office. It is largely derived from the author's earlier book, *Emulation Working Today*, which does not slip conveniently into the pocket of a coat or apron, and it therefore aims to remedy that defect. Each book in the series, like its bigger brother, *Emulation Working Today*, is intended as a supplement to the *Emulation Ritual* book. It does not claim to be exhaustive as a description of Emulation Working, for in many, if not most, cases the *Emulation Ritual* is quite clear as to the procedure that is to be followed. There are, however, many instances where, despite what might be thought a clear description in the rubric of the Ritual, Brethren commonly fail to carry out the action described in accordance with the practice of Emulation Lodge of Improvement (which, it should not be forgotten, preserves as far as possible the only Craft ritual that has ever been formally approved by the Grand Lodge). There can be various reasons for such failures: sometimes a weak or ignorant Director of Ceremonies or preceptor may have allowed Brethren to fall into careless habits; conversely a strong Director of Ceremonies or preceptor may have enforced his own idiosyncratic views; whichever may be the case, that fickle and shifting concept, the tradition of the Lodge, is usually invoked as justification. Leaving aside such shortcomings in the ritual actions, there are also several "accident black spots" where the wording of the ritual is liable regularly to be rendered inaccurately. [The York Grand Lodge](#) Lewis Masonic Pub Limited

*The Complete Royal Arch Ritual* - updated to incorporate the necessary amendments and additions following the convocation of Supreme Grand Chapter on the 10th of November 2004. This volume includes both mandatory changes to the Address after Exaltation and The Historical Lecture plus the new "permissive alternative" versions of the Symbolical and Mystical Lectures alongside the traditional versions. *Stability Ritual* Lewis Masonic Pub Limited ?

*100 Days to Learn Masonic Ritual* Lewis Masonic Pub Limited

The Perfect Ceremonies are the lineal ancestors of the official Emulation ritual and lectures.

[The Inner Guard's Work Today](#) Digireads.com

This pocket-sized book is aimed at lodge mentors and both new and established members. New members are full of

questions about Freemasonry, and are sometimes afraid to ask established members, thus turning to the Internet to be confronted by an array of websites; some filled with misinformation. This book gives the opportunity to answer those questions, and would be perfect for mentors in lodges on both sides of the Atlantic. The pocket book includes an easy-to-understand guide to Freemasonry—an all-questions-answered approach, providing a brief history of Freemasonry, and a quick guide to Masonic ritual, all in a question-and-answers section with a full index, covering the roles of the officers, the festive board, toasting, and an examination of all the current English Masonic rituals: Emulation, Bottomley, Nigerian, the Bristol, York and Hull working. Effectively, the handbook is an easy-to-understand beginners guide—a why, how, and when of Craft Freemasonry. [Duncan's Ritual of Freemasonry](#) Lewis Masonic Pub Limited

*The Transformation of Freemasonry* looks at how Freemasonry in England and Wales adapted after the Unlawful Societies Act of 1799, and how the Craft became tinted with the stigma of Revolution, only to transform itself in the Victorian period to become the most enduring and enigmatic of secret societies. Harrison delves into Masonic links with the slave trade, especially in Liverpool and the Trans-Atlantic links with the USA, and discusses the mysterious Liverpool Masonic Rebellion and the Wigan Grand Lodge. Harrison also looks at how Freemasonry transformed itself during the 19th century, and how the Craft began to appeal to Victorian Occultists. This fascinating new book is a must for any reader who enjoyed Harrison's first book *The Genesis of Freemasonry*, and will be enjoyed by both Freemasons and general readers alike. *"In the Interests of the Brethren"* Sagwan Press

This new book by award winning Masonic author Dr David Harrison tells the story of the staunchly independent Grand Lodge of All England at York and its rise and fall during the eighteenth century; looking at its leaders, its ritual and its influence on modern Freemasonry. The book also puts forward new evidence that reveals that the York Grand Lodge may have survived longer than originally thought, and how it may have influenced that other northern rebellious body of Freemasons - The Wigan Grand Lodge. Any one that enjoyed Harrison's previous works *The Transformation of Freemasonry* and especially *The Liverpool Masonic Rebellion* and the Wigan Grand Lodge will certainly enjoy this new book, which aims to

enlighten readers in respect to the more independent styles of eighteenth century Freemasonry.

**In Three Parts, with an Explanatory Introduction to the Science and a Free Translation of Some of the Sacred Scripture Names** Lewis Masonic Pub Limited

The Brill Handbook of Freemasonry is a pioneering work that brings together, for the first time, leading scholars on Freemasonry—the largest, oldest, and

most influential secret society in the world.

*Illustrations of Masonry* Lewis Masonic Pub Limited

A must for every Mason, this volume is a guide for neophytes as well as a reference for the initiated. 100 illustrations accompany simple, accurate explanations of gestures, symbols, and terms. Containing the History, Charges, Regulations, &c. of that Most Ancient and Right Worshipful Fraternity. For the Use of

the Lodges Rivercrest Publishing

This text provides an authentic record of the Emulation Ritual. It is intended to be useful to officers learning the work.

*Fellow of the Craft - a Treatise on the Second Degree of Freemasonry* BRILL

An in depth guide to the ritual of Installation from the Emulation Ritual Association. Includes the ceremony of installation, inner working, induction of the past master, master continuing in office for a second year.
