PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible.

Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general.

This section is interleaved with blank sheets for the readers notes. The Author

need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, - and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange

for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, - the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are

fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we don't deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Study & Master Life Skills has been specially developed to support the Curriculum and Assessment Policy Statement (CAPS). The innovative Teacher's Guide with CD-ROM includes: * a detailed work schedule for the whole year * step-by-step guidance on the teaching of each lesson and form of assessment, as well as Remedial and Extension activities for each Unit * photocopiable record sheets and templates * recordings to support the Performing Arts topic. *Boererate* Gadown Press A series of handbooks provides strategies for studying and writing about frequently taught literary topics, with each volume offering study guides, background information, suggestions

for areas of research, and a list of secondary sources.

Indigenous Healing Plants Genootskap Vir Afrikaanse Volkskunde

After exploring more than twenty other African nations using only public transport, Sihle Khumalo this time roams within the borders of his own country. The familiarity of his own car is a luxury, but what he finds on his journey through South Africa ranges from the puzzling to the downright bizarre. Voyaging from the northernmost part of South Africa right to the south, the author noses his car down freeways and back roads into small towns, townships, and villages, some of which you'll have trouble finding on a map. But this is no clichéd description of beautiful landscapes and blue skies. Khumalo is out to investigate the state of the nation, from its highest successes to its most depressing failures. Whether or not he's baffled, surprised, or sometimes plain angry, Sihle Khumalo will always find warmth in his fellow South Africans: security guards, religious visionaries, drunks, political activists and the many other colourful personalities that come

alive in his riveting account.

Draer van 'n droom

Applewood Books

In the wild night hours, or during the heat of the day - whenever man's thoughts whirl feverishly - then truth and fantasy, the past and the future, life and death are indiscriminately mingled on Toorberg, home of the Moolman family. So the magistrate is to learn as he investigates the strange circumstances of the death of little Noah, child of grief, who was not entirely of this world. Every day the case becomes more complex, until it challenges the very foundations of the law. It seems as if the magistrate will have to judge an entire dynasty, both the living and the dead. Everyone's guilt has to be affirmed, or denied, and this means he will have to rip open the lives of all. The Moolmans are a tribe who have long since learned how to deal with their own. Parents cut children out of their lives, shunt them aside to live as stepchildren, scrag-ends of the clan, or as city-dwellers whose names are never uttered. The Moolmans cannot forgive; not when their tribal blood is betrayed.

Come of Age

Open Letter Books

Two scientists, Reitz Steyn and Ben Maritz, find themselves in a "transit camp for those temporarily and permanently unfit for battle" during the Boer War. Captured on suspicion of desertion and treason during a trek across an unchanging desert of bushes, rocks, and ant hills to help transport a fellow-soldier, who has suffered debilitating shell-shock, to his mother they are forced to await the judgment of a General Bergh, unsure whether they are to be conscripted into Bergh's commando, allowed to continue their mission, or executed for treason. As the weeks pass, and the men's despair at ever returning

to their families reaches its peak, they are sent on a bizarre mission ... A South African Heart of Darkness, Ingrid Winterbach's *To Hell with CronjT* is a poetic exploration of friendship and camaraderie, an eerie reflection on the futility of war, and a thought-provoking re-examination of the founding moments of the South African nation.

Veld Medicine from the Klein Karoo

Random House

Most African countries have a population composed of a multitude of language groups and most African citizens have a varied repertoire. David Laitin addresses the problem of language planning in Africa and the role of language politics in the process of state formation.

The Candy Maker's Guide

Penguin Random House

South Africa

Angus Buchan gained international attention in the wake of the book and film *Faith Like Potatoes*. He has filled the largest stadiums in South Africa to capacity and spoken to large gatherings in Britain and Australia. But behind the scenes he remains a straight-talking, tough farmer, still working with his sons to run the family

farm, still seeking to remain obedient to God's voice. Angus's bold faith has carried him through droughts, family tragedies, and financial crises. And God has used him mightily. Angus has developed a particular ministry to men, holding many rallies specifically for men and proving capable of communicating with ordinary guys who would never get closer to a church than the freeway. He loves to preach the good news of Jesus. "Doubt and fear may be contagious," he says. "But so is faith." Now in his sixties, Angus has also had to come to terms with his own mortality after collapsing in the middle of a rally and being airlifted to a hospital. Forced to reappraise his priorities, he now focuses his efforts upon mentoring younger men, encouraging them to develop their own spiritual maturity, to truly come of age.

A Latin Reader for Matriculation and Other Students University Press of Kentucky

From June 1963 to October 1964, ten anti-apartheid activists were tried at South Africa's Pretoria Supreme Court. Standing among the accused with Nelson

Mandela, Ahmed Kathrada, and Walter Sisulu was Denis Goldberg. Charged under the Sabotage and Suppression of Communism Acts for "campaigning to overthrow the government by violent revolution," Goldberg was found guilty and sentenced to life imprisonment. The only white man convicted during the infamous Rivonia trial, he played a historic role in the struggle for justice in South Africa. In this remarkable autobiography, Goldberg discusses growing up acutely aware of the injustice permeating his homeland. He joined the South African Communist Party and helped found the Congress of Democrats. It was his role as an officer in the armed underground wing of the African National Congress (ANC), however, that led to his life sentence -- the outcome of which was a staggering twenty-two years behind bars. While he was incarcerated, the racist dogma of apartheid imposed complete separation from his black comrades and colleagues, a segregation that denied him both the companionship and the

counsel of his fellow accused. Recounted with humor and humility, Goldberg's story not only provides a sweeping overview of life in South Africa both during and after apartheid, but also illuminates the experiences of the activists and oppressors whose fates were bound together.

The Uncrowned King of the Transvaal [Cape

Town] : Jewish Publications-South Africa, Kaplan Centre for Jewish Studies and Research, University of Cape Town On Route in South Africa is an invaluable guide and companion to travel in this country. The book tours the length and breadth of South Africa, recounting the stories and legends, both amusing and tragic, of every hamlet, village, town and city. '

This classic is still making
its mark over 80 years

since its debut. Author
Johanna Brandt shares a
personal journey of living
with cancer and her
discovery of how the
beneficial properties of
grapes cured her disease
by refreshing and
purifying cell structures.

The virtues of
naturopathy are extolled,
and readers are
encouraged to detoxify
their bodies and prevent
disease (namely cancer)
through a combination of
fasting and a diet of
grapes.

Tumi Morake modelled
her public persona on her
mother, a charming and
contentious woman who

used her big, bold voice to
say what others were
afraid to utter. It's the
personality that Tumi took
on stage in the mostly
male space of stand-up
comedy, and the one that
gave her the courage to
join a white, Afrikaans
radio station and
comment about apartheid
on air. But there's only so
much you can find out
about Tumi from the
stage, the screen and the
internet. And Then Mama
Said ... is the voice of
Tumi in private, as well as
a behind-the-scenes
perspective of a
pioneering South African
star who has been both
deeply loved and viciously
hated by her audiences.
Tumi gets frank about the
race row at Jacaranda FM;
the Jaguar car accident
that cyber bullies said she
deserved; the body-
shaming she endured on
the set of *Our Perfect
Wedding*; and her
tumultuous relationship
with her beloved husband.
Throughout her story, she
carries the voice of her
mother, and with it the
indispensable life lessons
that made her who she is
today.

The Book of Jacob

Houghton Mifflin Harcourt

Originally published in
1931 this book was the
first detailed ethnographic
study of the Bavenda
people. It pays particular
attention to the double
system of kinship groups
which is unusual among
the Bantu peoples. Richly
illustrated with over 60
black and white plates,
this books discusses the
history and geography of
the Bavenda, as well as
social, economic,
religious, political and
legal aspects of their life,
as well as medicine,
magic and folklore.
