A young Silicon Valley engineer stumbles into a hidden company with advanced technologies that could change the world. But at the same time, he learns this company, his life and the rest of civilization is threatened by a force even more advanced. And the opposition has a head start. The startling discoveries he encounters could point to the origin of life on Earth, and maybe

its final destruction. With the help of a beautiful and mysterious astrophysicist and a retired math professor, it's a race against time to expose the conspiracy. Following the clues takes them on a frantic chase to the dark side of the Moon in an experimental spacecraft and back to the streets of San Francisco. What he can't out-smart, he has to out fight. In the battle to save the Earth he must rely on his Silicon Valley training and ability to leverage the new technologies at his disposal. But will it be enough? What can one engineer, an astrophysicist and an old professor do to save the Earth? Whatever it takes. Shadows and Rose

Adults all over the world have rediscovered the joy of coloring with anti stress coloring books for adults. Not only is it incredibly fun to sit down and color your favorite adult coloring sheet, it is believed to be good for your health as well. We all know about the negative effect that stress has on our health and well-being. In fact, many scientists believe that stress is just as bad for our health as a poor diet. Art Therapy Adult Coloring Books are here to help. Coloring may actually help to reduce our normal day-to-day stress. When adults begin to color adult coloring books, the amygdala is able to relax. The amygdala is the fear center of the brain and gets activated with normal stress. When we color, the amygdala relaxes. This is not just a temporary benefit; stress is reduced after you've finished coloring your anti

stress coloring book. That's why psychiatrists like Carl Jung and many others have recommended coloring to their patients - adult coloring has so many benefits to it: Benefits of Anti Stress Coloring Books Anti stress coloring books provide many benefits, such as: Reduces stress Great social activity Increases focus Meditative Therapeutic The Forty-Five Guardsmen Clarissa Wild When Anthony Schumacher decided to run for a full term as President of the United States, one thing was abundantly clear - the Democrats would pull out all the stops to defeat him at the polls. Democratic presidential nominee Rosita Sanchez and her running mate, General T.D. Graham, know their best hope of winning is to convince the American people that President Schumacher is a danger to the country and they are the only hope for world peace. And they believe they have the perfect plan to carry them to victory on Election Day. But one other thing was also very clear - the Islamic terrorists are well aware the biggest obstacle in their quest for world domination is

President Schumacher. And they will do everything in their power to see him dead. When one of the 9/11 masterminds is put to death by the government, the enraged terrorists enter into an unholy alliance with Mexican drug cartels to see to it that President Schumacher and his FBI are never again able to wage war on their jihad and drug trafficking across the southern border. With all the chaos in the capital, the nation wonders whether President Schumacher will win the election, or more importantly, whether he will live to see another day. *Books in Print Supplement* Createspace Independent Publishing Platform Two stolen Pakistani nuclear bombs, a conspiracy to manipulate the global market in rare earths and a plot to assassinate the President of the United States. reduction, meditation, spiritual connection, prayer, centering, healing, and coming into your deep, true self. Ages 9 to 109. The drawings of Ancient Symbols: Meditative Coloring Book 3 feature timeless shapes and forms used by every culture on earth to remind us of the sacred. These drawings serve to inspire deeply meaningful, meditative, or prayerful experiences through coloring. Ancient and indigenous sacred images speak deeply to us, to our bones and bellies, to our cellular memory and wisdom, to our souls' yearnings. Native peoples throughout time and place see the sacred in all of life. For them, holiness IS life. Life is the manifestation of the holy in all things. Step out of the busy world and into calm and peace. Focus on an affirmation while you color, or on a wish or a prayer. Ask for understanding or wisdom. Allow expansion into more of what you are meant to be. Or simply color with an attitude of gentle, graceful willingness. This book includes 32 different original drawings, information about ancient symbols, suggestions for how to use this book, a guided meditation,

introduction to the artist, and open pages inviting you to record your own impressions. Five Volumes of Meditative Coloring Books: Angels, Crosses, Ancient Symbols, Hearts, and Labyrinths.

"As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they

improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

Eternal life. Eternal battle. Steve—Diomedes Tydides to his Trojan War buddies—just had a bad day on his charter fishing boat in San Diego, but when the goddess Athena calls on her faithful warrior for another secret mission, he’s ready. The bomb that exploded inside the Metropolitan Museum of Art isn’t the crime American authorities think it is. Someone also stole the Cup of Jamshid, and Diomedes knows its fortune-telling abilities won’t be used for anything benign. Though Diomedes recovers the Cup from a determined shaman holed up beneath Central Park, when he finds his allies slain and the Cup taken once more, he knows he’s up against a truly powerful enemy. Over a millennium has passed since Diomedes last contended with Medea of Colchis, deranged wife of Jason the Argonaut, but neither her madness nor her devotion to Hecate, goddess of witchcraft, has

waned, and she intends to use the Cup of Jamshid to release across the world a dark brand of chaos unseen in human history. Immortal since the Trojan War, Diomedes must once again fight for mortals he understands less and less, against a divine evil he may never truly defeat.

From USA Today  
Bestselling author Katerina Martinez A hunter becomes the hunted. A witch faces down her nemesis. The stakes have never been higher. The veil of

shadows surrounding my nemesis is lifted when a contact of Collette's comes forward with information he claims is valuable. The catch? He's all the way in Berlin, the German capital, and he isn't leaving his circle of protection for any witch. Making the decision to go and find this witch is easy, but living with it isn't; not when Aaron comes out of left-field with a question I wasn't sure I was ready to hear until I heard it. Collette's contact could be the key to defeating Acheris or, at the very least, he might become an ally in the fight, so I have no choice but to travel to Europe even though Aaron can't come with me. But a mysterious blocking of communications separates me from the rest of the coven back home, leaving Collette and I alone to defend against whatever the devil's witch and her minions have in store for us. Meanwhile, back in sleepy Raven's Glen, an ill wind blows; and Frank, Damien, and Aaron are about to run into trouble of their own... Inspired by fantastic authors such as Karen Marie Moning, Richelle Mead, and Shannon Mayer, *True Witch* is the first book in

Katerina's remastered Amber Lee series of urban fantasy novels. Like deep mysteries, magick so real you could almost touch it, and plenty of romantic twists and turns? This is the book for you! Note that this book was once called *The Red Witch*. It has been remastered and re-branded in order to bring it up to speed, but it is the same book; the story has only changed in minor ways. Do not buy this book if you have already bought and read *Red Witch*. THE AMBER LEE SERIES 1. *True Witch* 2. *Dark Witch* 3. *Shadow Witch* 4. *Red Witch* 5. *Devil's Witch* (Coming Soon...) Buy *Red Witch* today, and enjoy the ride!

Azerick has had enough of death and wants nothing more than a home and to train his young apprentice, but death is far from finished with him. An enemy he had hoped to have left behind sets out to destroy him by sending an assassin of uncanny ability and unspeakable evil to avenge the death of his son. A shadow war rages across the kingdom, and it is only a matter of time before Azerick is dragged into it and is forced to put an end to Duke Ulric's schemes once and for all.

*A Path for Evolving Souls Living Through Personal and Planetary Upheaval* Number Five Publishing LLC

In the not too distant future, an ancient bacterium is discovered by a group of scientists in the depths of the Amazon River basin. Found to have miraculous healing powers on the human brain, it fills the research team, led by noted Neurologist Dr. Lemuel Sanderson, with tremendous hope. That is until something goes terribly wrong. An unknown force is creating an army of undead bent on the destruction of the

human race. Dr. Sanderson, with the assistance of an eccentric billionaire, sets out to track down one of his former test subjects. One he firmly believes holds the key to putting an end to this nightmare. Major Charles "Butch" Bradley has been entrusted with the evacuation of Washington D.C. Along the way he rescues a group of college students, a mother and her two children, and a stubborn outdoorsman with a penchant for blowing things up. He is now responsible for their safety as he and his men navigate this dangerous new world, looking for a safe haven. As events unfold, the Major and Dr. Sanderson find themselves on a collision course whose outcome may determine the fate of humanity.

This antiquarian book contains Alexandre Dumas's 1893 historical novel, "The Forty-Five Guardsmen". A sequel to "Marguerite de Valois" and "Chicot the Jester", it tells the story of Diane de Méridor's quest for revenge upon Duc d'Anjou for his heinous betrayal of Bussy d'Amboise. A must-read for those who have enjoyed the previous

books in this saga, "The Forty-Five Guardsmen" is worthy of a place on any bookshelf, and is not to be missed by the discerning collector. Alexandre Dumas (1802-1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including "The Three Musketeers" and "The Count of Monte Cristo". Despite making a great deal of money from his writing, Dumas was almost perpetually penniless thanks to his extravagant lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. Many of the earliest books, particularly those dating back to the 1900s and before, are extremely scarce and increasingly expensive. We are republishing this antiquarian book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author. *The Three Realms* Read Books Ltd Gracanica. Kosovo, 1689: Elena, an Albanian peasant girl, has sacrificed her own future to keep her family from starving, but one horrific night they are taken from

her, murdered by monsters out of her nightmares. She seeks refuge at the nearby monastery, where she meets Stjepan, a Serbian monk familiar with creatures that stalk the night. Elena longs to return to her farm, but piecing her life back together may be impossible. Stjepan draws her into a dark conspiracy involving an ancient brotherhood, and as war looms, a stranger named Lek appears, threatening to overturn everything she thought she knew about her family and herself. Sarajevo, Bosnia and Herzegovina, 1999: Since surviving the showdown between the vampire Yasamin and the terrorist group Sleyman's Blade, Adam Mire has lived in hiding, posing as an unassuming Czech librarian. His life is upended again, however, when a new threat arises—one intent on using Dracula's legacy to unleash another wave of violence across the already war-ravaged nation. Meanwhile, Clara MacIntosh, the love Adam left behind, has come to Eastern Europe to find him. While tracking him down, she becomes entangled in a string of grisly murders-deaths

Adam is investigating as well. As they both follow clues literally written in blood, time runs short to unmask the killer before history comes full-circle and chaos engulfs the region again.
