On the role and importance of oral literature in the development of written literature.

Shuwari East African Publishers

Haji Gora Haji, born in 1933 on the island of Tumbatu, Zanzibar, represents a living archive of poetic and philosophical knowledge, which is transformed into verses with a characteristic voice enriched by dialectal features (from Tumbatu and Unguja). As a recognition of his life-long commitment to Swahili language and literature, the editors and translators, Flavia Aiello and Irene Brunotti, decided to work hard on conceiving a publishing project of Shuwari, his poetical anthology or diwani, fashioned as a bilingual Swahili-English edition which, along with the poems, could offer some analytical insights into Haji Gora Haji's artistry.

Muundo mpya wa methali za Kiswahili East African Publishers

Mwenyezi Mungu, Kristo wa siku za mwisho, ambaye Ameonekana kufanya kazi Yake, anaonyesha ukweli wote ambao huwatakasa na kuwaokoa wanadamu, na

wote umejumuishwa katika Neno Laonekana katika Mwili. Hili limetimiza kile kilichoandikwa katika Biblia: "Mwanzoni kulikuwa na Neno, na Neno alikuwa na Mungu, na Neno alikuwa Mungu" (Yohana 1:1). Na kuhusu Neno Laonekana katika Mwili, hiyo pia ilikuwa mara ya kwanza Alipozungumza mengi hivyo, na kwa muda mrefu sana, kwa wanadamu wote. Ilikuwa ya kipekee kabisa. Na zaidi, matamshi haya yalikuwa maneno halisi ya kwanza yaliyoonyeshwa na Mungu miongoni mwa wanadamu ambapo Aliwafichua watu, akawaongoza, akawahukumu, na kuzungumza nao wazi wazi na kwa hiyo, pia, yalikuwa matamshi ya kwanza ambayo kwayo Mungu aliwaruhusu watu wajue nyayo Zake, mahali Anapokaa, tabia ya Mungu, kile Mungu anacho na alicho, mawazo ya Mungu, na sikitiko Lake kwa wanadamu. Inaweza kusemwa kwamba haya yalikuwa matamshi ya kwanza ambayo Mungu alikuwa amezungumza kwa wanadamu kutoka mbingu ya tatu tangu uumbaji, na mara ya kwanza ambapo Mungu alikuwa ametumia

utambulisho Wake wa asili kuonekana na kuonyesha sauti Yake kwa wanadamu katikati ya maneno.  Devil on the Cross, first published in Gikuyu as Caitaani Mutharabaini (1980) and here in Swahili as Shetani Msalabani, is a portrayal of corruption and how it has entrenched itself into the society. The celebration of corruption in all its forms, forces Wariinga, whom despair has driven out of Nairobi back to her home town of Ilmorog, to acknowledge that her life has been nothing more than passive acceptance of corruption itself. In this novel, the ancient rhythms of traditional story-telling are used in counterpoint to written styles. Ngugi provokes with the forces of Brecht, Bunyan, Swift and Beckett. NGUGI WA THIONG'O is Kenya's most prolific writer. His first work. Weep Not Child {1964}, launched him as a pioneer African writer and made the literary world realise that writers in Africa were making a

fresh and original contribution to the world of literature. Since then, there was no stopping Ngugi. The work was quickly followed by *The River Between* (1965) and *A Grain of Wheat* (1967), both of which confirmed Ngugi as a writer of great ambition. The subsequent novels, *Petals of Blood* (1977) and *Devil on the Cross* (1982) had great impact around the world due to their powerful political message. Besides writing novels, he is an internationally renowned playwright and literary critic, and has been an ardent advocate of writing in indigenous languages. His novels, *A Grain of Wheat* and *Caitaani Mutharabaini*, were nominated among Africa's 100 Best Books of the 20th Century.
