An award-winning journalist's dramatic account of a shooting that shook a community to its core, with important implications for the future On the last evening of summer in 2013, five shots rang out in a part of northeast Denver known as the Holly. Long a destination for African American families fleeing the Jim Crow South, the area had become an "invisible city" within a historically white metropolis. While shootings there weren't uncommon, the identity of the shooter that night came as a shock. Terrance Roberts was a revered anti-gang activist. His attempts to bring peace to his community had won the accolades of both his neighbors and the state's most important power

brokers. Why had he just fired a gun? In *The Holly*, the award-winning Denver-based journalist Julian Rubinstein reconstructs the events that left a local gang member paralyzed and Roberts facing the possibility of life in prison. Much more than a crime story, *The Holly* is a multigenerational saga of race and politics that runs from the civil rights movement to Black Lives Matter. With a cast that includes billionaires, elected officials, cops, developers, and street kids, the book explores the porous boundaries between a city's elites and its most disadvantaged citizens. It also probes the fraught relationships between police, confidential informants, activists, gang members, and ex-gang members as they struggle to put their pasts behind them. In *The Holly*, we see how well-intentioned efforts to curb violence and improve neighborhoods can go badly awry, and we track the interactions of law enforcement with gang members who conceive of themselves as defenders of a neighborhood. When Roberts goes on trial, the city's fault lines are fully exposed. In a

time of national reckoning over race, policing, and the uses and abuses of power, Rubinstein offers a dramatic and humane illumination of what's at stake.

You Couldn't Ignore Me If You Tried Createspace Independent Publishing Platform

A groundbreaking approach to creating memorable messages that are easy to process, hard to forget, and impossible to ignore—using the latest in brain science Audiences forget up to 90 percent of what you communicate. But people make decisions and act based on what they remember, so a pragmatic approach for the effective communicator is to be deliberate about the 10 percent that audiences do retain. Otherwise, content recall is random and inconsistent. Many experts have offered techniques on how to improve your own memory, but not how to influence other people's memory. Drawing on the latest research in neuroscience and cognitive psychology, Impossible to Ignore is a practical step-by-step guide that will show you how to control the 10 percent that your audiences do remember by creating content that attracts attention, sharpens recall, and guides decision-making toward a desired action.

[All the Light We Cannot See](#) Penguin

Data is fundamental to the modern world. From economic development, to healthcare, to education and public policy, we rely on numbers to allocate resources and make crucial decisions. But because so much data fails to take into account gender, because it treats men as the default and women as atypical, bias and discrimination are baked into our systems. And women pay tremendous costs for this bias, in time, money, and often with their lives. Celebrated feminist advocate Caroline Criado Perez investigates shocking root cause of gender inequality and research in Invisible Women†, diving into women's lives at home, the workplace, the public square, the doctor's office, and more. Built on hundreds of studies in the US, the UK, and around the world, and written with energy, wit, and sparkling intelligence, this is a groundbreaking, unforgettable exposé that will change the way you look at the world.

Fahrenheit 451 Harper Collins

#1 NEW YORK TIMES BEST SELLER • Investigator Lacy Stoltz follows the trail of a serial killer, and closes in on a shocking suspect—a sitting judge—in “one of the best crime reads of the year.... Bristling with high-tech detail and shivering with suspense.... Worth staying up all night to finish” (Wall Street Journal). In *The Whistler*, Lacy Stoltz investigated a corrupt judge who was taking millions in bribes from a crime syndicate. She put the criminals away, but only after being attacked and nearly killed. Three years later, and approaching forty, she is tired of her work for the Florida Board on Judicial Conduct and ready for a change. Then she meets a mysterious woman who is so frightened she uses a number of aliases. Jeri Crosby's father was murdered twenty years earlier in a case that remains unsolved and that has grown stone cold. But Jeri has a suspect whom she has become obsessed with and has stalked for two decades. Along the way, she has discovered other victims. Suspicions are easy enough, but proof seems impossible. The man is brilliant, patient, and always one step ahead of law enforcement. He is the most cunning of all serial killers. He knows forensics, police procedure, and most important: he knows the law. He is a judge, in Florida—under Lacy's jurisdiction. He has a list, with the names of his victims and targets, all unsuspecting people unlucky enough to have crossed his path and wronged him in some way.

How can Lacy pursue him, without becoming the next name on his list? *The Judge's List* is by any measure John Grisham's most surprising, chilling novel yet.

Don't miss *Evermore*, the first book in Alyson Noël's #1 New York Times bestselling *The Immortals* series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

Get Your Ex Back Doubleday

Do you feel like you are too nice? Sherry Argov's *Why Men Love Bitches* delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Get the Guy Knopf Books for Young Readers

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

After all, the best way to find out how far you can go is to go further than you've ever gone before."

[The Ultimate Guide to Win Your Lover Back](#) Abrams

What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, *Texts So Good He Can't Ignore!* In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. How to use mischievous "Feisty Girl" texts to get a man to finally ask you out (or ask you out AGAIN), while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. What to text a man to "let him down easy" but KEEP him interested whenever he sends an inappropriate or overly sexual text. Exactly what to text a guy who keeps "coming BACK from the DEAD" and suddenly starts taking an interest in you again. (Hint: These cheeky little texts can end his mind games for GOOD!) A simple method for starting conversations that IMMEDIATELY grabs his attention and makes him EAGER to text you back. What to text a guy you know and like to initiate his "Chase Mode" and make him see you as MORE than "just-a-friend." Game-changing answers to every woman's MOST PUZZLING questions about men's texting habits. And much, much more... Would You Like to Know More? Get started right away and discover how to text a man to finally get him OFF of his smartphone and ON more dates with you. Scroll to the top of the page and select the "buy button" now.

The Feminine Mystique Little, Brown Book Group

A BBC Two Between the Covers book club pick Simon and Schuster

A New York Times contributor offers a radical reexamination of a hot-button issue of the mother and son relationship and advocates the end of the "mama's boy" taboo. New York Times contributor Kate Stone Lombardi unveils the surprisingly close relationship between mothers and sons. Mother after mother confessed to Lombardi that her husband, brothers, and even female friends and family criticize the fact that she is "too close" to her sons. Many of these women are often startled by the strong connection they feel with their sons; but rarely do they talk about it because society tells them to push their little boys away and not "baby" them with too much cuddling and comforting. It is as if there were an existing playbook-based on gender preconceptions dating back to Freud, Oedipus, and beyond-that prescribes the way mothers and their sons should interact. Lombardi's much-needed narrative is the first and only book to share truly revealing interviews with mothers who have close relationships with their sons, as well as interviews with these women's sons and husbands. Lombardi persuasively argues that the rise of the new male-one who is more emotionally intelligent and more sensitive without being less "manly"-is directly attributable to women who are rejecting the "mama's boy" taboo. Highlighting new scientific studies, *The Mama's Boy Myth* begins a fresh story-one that will be welcomed by mothers, fathers, and sons alike.

Impossible to Ignore: Creating Memorable Content to Influence Decisions Grove Press

Simple advice for perpetual man-pleasers who want to stop repeating the same mistakes but don't know how. Have you ever cried, begged and bargained for a man to take you back? A Novel (Booker Prize Winner) Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the

most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Rework Harper Collins

Most women hope that one day, they will meet a guy who loves them and commits to them. We often date and date and date but come up empty-handed. Your future can change, though. There are four simple steps to getting everything you want in your love life... Love is probably the only thing that makes life worth living. Money, power, sex, and success provide a satisfaction that pales in comparison to the endless joy that a healthy relationship can bring. Life is not defined by how much money we make, how fancy our clothes are, and how many Instagram likes we get. Life is about the love we experience and share with others. Without love in our lives we are alone and aimless. So many women are raised with all the wrong lessons about love; maybe you were one of them, and now, you're ready for a real solution to your romantic woes. Finding love in all the wrong places can lead to trauma, heartache, and emotional turmoil. Bettering yourself and looking toward the future can fix these wounds and lead you toward the committed, respectful man you've always deserved but never had. No matter where you're from, how you were raised, or what your life goals are, you have probably felt the pull of love. It's scary and exhilarating at the same time, and it can make us go crazy. There are so many guys around and so many personal biases we have about whom we want that going after the right guys can be a painful, arduous process without the right information. Then, when we do find the guy, getting him to commit to us or even notice our presence can present its own challenges. There are four simple steps to getting everything you want in your love life covered in great detail in this book. Once you learn how to choose, tease, ignore, and then catch a man, you can relax in your own confidence that you are worthy of the exciting and passionate relationship you've always wanted. I want so badly for you to have this future, I've included all tips and tricks to ensure a bright, happy, and sexy future with a great man What you will gain: The four stages of making your dream guy yours (choose, tease, ignore, and catch) How to flirt like a pro and make him obsess over you The way men fall in love and what they seek in a female partner How to ensure that he stays interested and satisfied in your relationship once you do catch him Tips for texting him to keep the heat on even when you can't see him in person So much more! Some people spend their whole lives waiting for the right person to come along but unfortunately never find them. Your story doesn't have to end like this, though. Knowing how to entice the right man and make him fall for you can save you from this fate. Finding a loving, stable partner is the most satisfying experience of some women's lives... What are you waiting for? Scroll up and hit the BUY NOW button and let the hunt begin!

Taking Back Her Power

Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on.

From Doormat to Dreamgirl—A Woman's Guide to Holding Her Own in a Relationship Leslie Braswell

You've done it before. Saw something wrong with him--whether it was suspect grooming habits or ridiculously childish behavior--but let it slide. It's not that big of a deal. Except it totally was. You wanted to fall in love, but ended up going insane. You swore you'd never do it again. But did. Don't beat yourself up. In the search for love, we've all either blatantly ignored or completely missed red flags. Instead, smarten up. It's time to figure out what you missed and learn how to avoid similar flagtastic fiascos in the future. If you raise your red flag awareness now, you'll be able to greenlight a real relationship down the road.

The Mama's Boy Myth Penguin

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

A Novel Рипол Классик

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched . . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.
