 Imam Muslim (Muslim ibn al-Hajjaj) was born in 202 AH in Naysabur (817/818CE) and died in 261AH (874/875CE)also in Naysabur. He traveled widely to gather his collection of ahadith (plural of hadith), in-cluding to Iraq, Saudi Arabia, Syria and Egypt. Out of 300,000 hadith which he evaluated, approximately 4,000 were extracted for inclusion into his collection based on stringent acceptance criteria. Each report in his collection was checked and the veracity of the chain of reporters was painstakingly established. Sunni Muslims consider it the second most authentic hadith collection, after Sahih Bukhari. However, it is im-portant to realize that Imam Muslim never claimed to collect all authentic traditions as his goal was to col-lect only traditions that all Muslims should agree on about accuracy. It is complete book 2 and book 3 of sahih muslim to guide the readers towards the path of

sunnah

### The Ideal Muslimah ISBS

"Allah's are the names most beautiful. Whatever is in the heavens and earth extols His glory."—The Qur'an (Al-Hashr 59:24) "Allah has 99 names. He who remembers these will certainly enter Paradise."—Prophet Muhammad (Bukharhi Hadith Kitab Ad-Dawat, 2,949) Remembering the Names of Allah is a sacred tradition in Islam. Both the Qur'an and sayings of the Prophet (Hadiths) state the importance of learning them and promise reward for reciting them in supplications and prayers. This beautiful presentation of Allah's most revered nintety-nine names draws the reader nearer to the Divine through contemplation and reflection of Allah's names, their meaning, and how each impacts our daily lives. They help to conceptualize Allah, Whose limitless greatness and glory is impossible to grasp. Each name is presented in the original Arabic and its translation into English. Accompanying each name is a commentary that is concise and easy to understand but rich in meaning. Abdur Raheem Kidwai (b. 1956) is a professor of English at the Aligarh Muslim University, India, and a visiting fellow at the School of English, University of Leicester, United Kingdom. He earned his two PhDs in English from the Aligarh Muslim University and the University of Leicester. He is a well-known author of many works on the Qur'an and Islam, including: The Qur'an: Essential Teachings; Daily Wisdom: Islamic Prayers and Supplications; Daily Wisdom: Selections from the Holy Qur'an; and What Should We Say?

This book is the second of two volumes which highlight the concept of financial inclusion from the Islamic perspective. An important element of the Sustainable Development Goals (SDGs), financial inclusion has been given significant prominence in reform and development agendas proposed by

the United Nations and G-20. The significance of Islamic financial inclusion goes beyond improved access to finance to encompass enhanced access to savings and risk mitigation products, as well as social inclusion that allows individuals and companies to engage more actively in the real economy. It represents one of the important drivers of economic growth. This volume explores the financial risks associated with lending to low-income groups due to high poverty levels and the lack of collateralization mechanisms. The first book on the market to provide empirical evidence of Islamic microfinance, deposit insurance and micro-entrepreneurship through the analysis of models and country case studies, this edited collection will be of value to those researching development finance, financial inclusion and Islamic finance.

Throughout human history, people have been assembling for various purposes. Commercial, cultural, political, and recreational purpose have drawn thousands if not hundreds of thousands. But nothing compares to the Hajj-a gathering of millions. The Hajj is an assembly of believers bound together for a single reason: to answer the call of the Lord of the Worlds, "Declare to the people the Hajj. They will come on foot and on every lean camel. They will come from every remote path." [22: 27] The result is an awe-inspiring gathering of faith. The Hajj-all of its motions and utterances-are for the sake of glorifying, exalting and surrendering to Allah. A Pilgrim's Journey explores the profound meanings and symbolism that exists in the Hajj.

The Guiding Helper is a practical guide to the Din that the Prophet Muhammad (May Allah bless him and give him peace) brought. The Guiding Helper is based on a famous metered verse song written by a scholar named Ahmad ibn 'Ali ibn 'Abd al-Wahid ibn 'Ashir born in Spain and raised in Fez, Morocco about seven hundred years ago. This scholar divided his song into three books: (1) one about Islamic beliefs, (2) one about Islamic law, and (3) one about Islamic spirituality. He based the first book on a famous text of beliefs called The Mother of Proofs for the Tenets of Belief written by Muhammad ibn Yusuf al-Sunusi al-Husayni. He based his second book on a renown text of Maliki law called The Concise Text written by Khalil Ibn Ishaq ibn Ya'qub. He based his third book on a popular text on spirituality called The Letter of Qushayri written by 'Abd al-Karim al-Qushayri. The Maliki Fiqh is used to describe the practices of Islam.

The story of Hajj, the pilgrimage to Makkah, begins over 4000 years ago when, following the Divine command, the Prophet Ibrahim travelled for a long distance till he reached the hot, barren lands of Arabia. There he left his wife, Hagar, and his little baby, Ismail. The story goes on to tell how Hagar struggled to find water for her baby and how at last the miraculous Zamzam spring came gushing out and saved their lives. This is followed by the great sacrifice of Ibrahim, the building of the Kabah and the call to Hajj. This book explains the importance of the annual pilgrimage—one of the pillars of Islam—with a special focus on the Prophet Muhammad's Hajj. These exciting historical events are presented in a simple, informative style, with beautiful illustrations, so that young people may understand and enjoy them.
