I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad

things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up doesn't-deserve-to-be-that-confident, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But Satan's spawn

just grins and signs us up for every. Single. Thing. Fine. "Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game...

My Wedding Date Penguin Plötzlich Prinzessin - oder doch nicht? Eigentlich wollte Rebecca Porter, genannt Bex, sich in Oxford ganz auf die Uni konzentrieren. Doch als sie in das gleiche exklusive Wohnheim wie

Prinz Nicholas, zukünftiger König von England, einquartiert wird, kommt alles anders. Trotz seiner allgegenwärtigen Bodyguards und überbesorgter Freunde kommen Bex und Nicholas sich näher – und Bex wird in eine Welt geworfen, die ihr völlig fremd ist, sowohl die guten Seiten (tolle Urlaube, Dinner im Palast) als auch die schlechten (Klatschpresse, nervige Familie). Und am Abend vor der Hochzeit des Jahrhunderts muss Bex sich fragen, ob sie für ihre

große Liebe Nicholas wirklich ihr ganzes Leben aufgeben kann ...

 Erica Conner is a carefree yoga instructor who's fine going solo to her friend Kaitlin's wedding, but when her ex's mother tells her he'll be attending with his new fiancée, Erica reaches for the nearest date—an uptight corporate guy who soon has her wishing for her own happily ever after. Erica Conner is a carefree yoga instructor who is fine going solo to her friend's

wedding until her uptight ex's mother tells her he'll be attending with his new fiancée. When she pities Erica for not having a plus-one, the criticism triggers Erica to pretend her wedding date is the new guy from yoga class who has been very friendly toward her lately. Josh Taylor overhears Erica claiming he's her wedding date and decides to play along. While he impresses her nemesis by revealing he's a successful corporate guy, Erica's excitement about him sinks since her ex is a

workaholic who never prioritized her. As Erica debates asking Josh out for real, he requests a shocking favor in exchange for being her wedding date: that she help him win back his ex-girlfriend. Erica is disappointed but agrees to the deal. As she plays Josh's girlfriend in front of his ex to make him seem like marriage material, she discovers he's ambitious, but also caring and supportive. While on their fake dates, she's laughing and having fun and finally comfortable

being herself around a guy for the first time ever. As their faux relationship grows, Erica loses her heart to Josh. And when he spontaneously kisses her she doesn't know if it's for show or for real. If Erica risks her heart and reveals her feelings to Josh, will he turn her down? Or will he be her wedding date for real, and maybe the love of her life? \*\* A spin-off from the USA TODAY Bestselling Better Date than Never series!! \*\*
