"Selections from the Prose Works of Matthew Arnold" by Matthew Arnold. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

[An Objective History of English Literature Through Multiple-Choice Questions \(for UGC-NET/SLET,TGT & PGT\)](#) London : Longmans, Green

New essays demonstrate Gower's mastery of the three languages of medieval England, and provide a thorough exploration of the voices he used and the discourses in which he participated.

In The Western Canon: The Books and School of the Ages the American critic Harold Bloom claims that Shakespeare drew on Chaucer's Pardoner when creating the villain Iago for his Othello. This book turns Bloom's observation of influences within the canon of Western literature into a more complex intermedial analysis of dramatic and literary traditions at the waning of the Middle Ages and the dawn of the Renaissance. The discussion of verbal and non-verbal codes in Chaucer's presentation of the Pardoner and Shakespeare's depiction of Iago sheds light on the various strands of the Vice's development, and shows that Chaucer's pilgrim, who descends obliquely from the stage Vices, stands at the very beginning of the Vice tradition, while Iago is a late development of him, who adapts his role to new dramatic challenges.

[Chaucer on Screen](#) Peter Lang

Welcome to the George Inn near London Bridge; a cosy, wood-pannelled, galleried coaching house a few minutes' walk from the Thames. Grab yourself a pint, listen to the chatter of the locals and lean back, resting your head against the wall. And then consider this: who else has rested their head against that wall, over the last 600 years? Chaucer and his fellow pilgrims almost certainly drank in the George on their way out of London to Canterbury. It's fair to say that Shakespeare will have popped in from the nearby Globe for a pint, and we know that Dickens certainly did. Mail carriers changed their horses here, before heading to all four corners of Britain -- while sailors drank here before visiting all four corners of the world... The pub, as Pete Brown points out, is the 'primordial cell of British life' and in the George he has found the perfect case study. All life is here, from murderers, highwaymen and ladies of the night to gossiping pedlars and hard-working clerks. So sit back and watch as buildings rise and fall over the centuries, and 'the beer drinker's Bill Bryson' (TLS) takes us on an entertaining tour through six centuries of history, through the stories of everyone that ever drank in one pub.

Shakespeare Between the World Wars draws parallels between Shakespearean scholarship, criticism, and production from 1920 to 1940 and the chaotic years of the Interwar era. The book begins with the scene in Hamlet where the Prince confronts his mother, Gertrude. Just as the closet scene can be read as a productive period bounded by devastation and determination on both sides, Robert Sawyer shows that the years between the World Wars were equally positioned. Examining performance and offering detailed textual analyses, Sawyer considers the re-evaluation of Shakespeare in the Anglo-American sphere after the First World War. Instead of the dried, barren earth depicted by T. S. Eliot and others in the 1920s and 1930s, this book argues that the literary landscape resembled a paradoxically fertile wasteland, for just below the arid plain of the time lay the seeds for artistic renewal and rejuvenation which would finally flourish in the later twentieth century.

[Women and Curiosity in Early Modern England and France](#) Women and Curiosity in Early Modern England and France

Reveals the relevance of six poets to the current quest for an authentic spirituality and will excite the reader to rediscover and enjoy their work. The great English poets are at the centre of a cultural heritage which goes along with the world-wide spread of the English language, yet they are now more often the object of study than of pleasure. Scholarly, entertaining and often provocative, Poets and God reveals their relevance to the current quest for an authentic spirituality in a mostly church-less society, and will excite the reader to rediscover and enjoy their work.

Chaucer & the Rival Poet in Shakespeare's Sonnets Barnes & Noble

In Women and Curiosity in Early Modern England and France, the rehabilitation of female curiosity between the sixteenth and the eighteenth centuries is thoroughly investigated for the first time, in a comparative perspective that confronts two epistemological and religious traditions.

Chartism in the Select Novels of Thomas Martin Wheeler Springer

Excerpt from *Studies in English Literature Including Selections From the Five Great Classics, Chaucer, Spenser, Shakespeare, Bacon, and Milton, and a History of English Literature From the Earliest Times to the Death of Dryden* Caedmon. - The other poem is the Bible epic called Caedmon's (Kadmon's) Paraphrase. The only manuscript of it that remains, contains the first twenty-three chapters of Genesis, the thirteenth and fourteenth chapters of Exodus, a part of the last chapter of Second Chronicles, the first five chapters of Daniel, and lines upon Christ and Satan. There are parts of Genesis and Paradise Lost that resemble each other, but not a particle of evidence exists to show that Milton borrowed any thing from Caedmon. About the Publisher
