Comprehensive and definitive volume telling the complete story of how *Aliens* was made, featuring new interviews with some of the cast and production crew, and including many rarely seen photos and illustrations from the Fox archives. As one of the most highly regarded movie sequels of all time, *Aliens* quickly embedded itself in the minds of cinemagoers around the world when it was released in 1986.

Driven by the singular vision of director James Cameron and guided by producer Gale Ann Hurd, its relentless action and unforgettable characters helped cement its place as an undisputed classic of 1980s cinema. *The Making of Aliens* tells the complete story of how Cameron and Hurd, together with their immensely talented cast and crew, brought heroine Ellen Ripley back to the big screen--and upped the stakes by introducing a whole army of aliens for her to face. Interviews with the cast and crew, alongside revealing photography and fascinating concept art, illustrate the film's eventful journey from its beginnings as a sequel that nobody wanted to make through to its transformation into one of the highest-grossing blockbusters of the decade.

Star Wars the Mandalorian the Ultimate Visual Guide Marvel

Stegner's Pulitzer Prize-winning novel of personal, historical, and geographic discovery. Confined to a wheelchair, retired historian Lyman Ward sets out to write his grandparents' remarkable story, chronicling their days spent carving civilization into the surface of America's western frontier. But his research reveals even more about his own life than he's willing to admit. What emerges is an enthralling portrait of four generations in the life of an American family. "Cause for celebration . . . A superb novel with an amplitude of scale and richness of detail altogether uncommon in contemporary fiction." —The Atlantic Monthly "Brilliant . . . Two stories, past and present, merge to produce what important fiction must: a sense of the enchantment of life." —Los Angeles Times This Penguin Classics edition features an introduction by Jackson J. Benson. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
