The Bible has been translated more than any other piece of literature and is currently available in over two thousand languages, with several languages having numerous versions. Outlined here is the development of biblical translation, including a careful analysis of more than fifty versions of the Bible. One of the most respected living biblical scholars, Bruce Metzger begins this

engaging survey with the earliest translations of the Old and New Testaments before proceeding to English versions dating from the eleventh century to the present. Metzger explores the circumstances under which each translation was produced and offers insight into its underlying objectives, characteristics, and strengths. Having served on a number of modern translation committees, his insights into the evolution of Bible translation flow not only from careful research, but also from personal experience. Students, pastors, and interested readers will discover the history of the written Word and gain useful insight into which modern

translations best serve their own needs.

The Enduring Word Evangelische Verlagsanstalt
 Although Christian academics such as Dr. Stephen Webb, Margaret Barker, and Richard Mouw classify the Latter-Day Saints as Christian, most ordinary, believing Christians remain unaware of just how very Christ-centered the LDS Church is and what a strong position the

church holds scripturally and theologically. Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon, the prophet Joseph Smith, the historic Christian apostasy, and the prophecies of Gods great and marvelous latter-day work, which is a new dispensation to set things rightnamely the restoration we announce to the world. Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth.

 The Word Biblical Commentary delivers

the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization

Introduction—covers issues pertaining to the whole book, including context, date,

authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:

Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.

Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the

pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here.

Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.

Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues.

General Bibliography—occurring at the

end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Holman QuickSource Guide to Christian Apologetics American Bible Society

What the hell happened on the way to making the world a better place? We boomers were told our success would be unlimited. We had democracy and capitalism, and God was on our side. We took our religious teachings seriously, and set out to end bigotry, violence, and destitution. Inevitably, we collided with American Caesars, whose power and wealth was sufficient to dominate national and international affairs. Political and religious Caesars appropriated Jesus and used him to justify war, sexism, racism, dictatorships,

and poverty. What were the faithful to do? Lots of boomers I know tossed the spiritual baby out with the religious institution's bathwater, and became cynical about civic engagement. It is not time to abandon hope in our goodness, however, and it is not time to surrender our conscience to Caesar. Our experiences as boomers teach us that it is possible to bring the love of God to bear in our lives, despite Caesar's constant pressure to cherish power, wealth, celebrity, and things more than we cherish people. This book is for folks who are ready to get off Caesar's treadmill and dig deeply into their hearts and minds to see what remains of the Kingdom of God within.

[The New Oxford Annotated Bible with the Apocryphal/Deuterocanonical Books](#)

Oxford University Press

In this clear and accessible introductory text, the author supplies the reader with basic information about both the content and the historical background of the New Testament and shows the processes by which scholars seek to solve some of the chief literary problems of the Gospels. He offers a straightforward path through the unwieldy abundance of complex material, without distortion or oversimplification. He avoids technical discussions and critical debates, but shows the main problems to be considered in this type of study. The author does not emphasise novel theories, but presents a balanced account that represents the consensus of current New Testament scholarship. Long seen as one of the leading volumes

of its kind, this enlarged and revised edition will provide lasting knowledge to all who seek a deepened understanding of the forces that forged the New Testament.

Lexical Aids for Students of New Testament Greek Wipf and Stock Publishers

A standard Greek reference tool allowing students to learn vocabulary quickly by listing words according to their frequency of use in the New Testament.

The Bible in Translation The Text of New Testament

Die Zeitschrift Forum Exegese und Hochschuldidaktik: Verstehen von Anfang an setzt sich zum Ziel, die Diskussion über eine fachspezifische Hochschuldidaktik in den Bibelwissenschaften zu eröffnen und

voranzutreiben. Aus dieser Diskussion heraus soll die Qualität der Vermittlung exegetischer Methoden reflektiert und gestärkt werden. Damit füllt die Zeitschrift die Lücke innerhalb der theologischen Literatur, da sie exegetische Forschung und deren Vermittlung miteinander ins Gespräch bringt. Die Themenhefte bieten praxisnahe Beiträge zu spezifischen Themen und Herausforderungen in Lehre und Unterricht. Handreichungen zur Gestaltung und Durchführung von Veranstaltungen werden im Heft, aber auch digital gegeben. Verstehen von Anfang ist die Zeitschrift für zukunftsweisende didaktische Ansätze in den Bibelwissenschaften. Die Zeitschrift ist ab Heft 2 (2019) zweisprachig (Deutsch - Englisch) und ein peer-

reviewed journal (double-blind).
A Textual Commentary on the Greek New Testament Zondervan Academic
What words come to mind when we think of God? Merciful? Just? Compassionate? In fact, the Bible lays out God's primary qualities clearly: jealous, petty, unforgiving, bloodthirsty, vindictive—and worse! Originally conceived as a joint presentation between influential thinker and bestselling author Richard Dawkins and former evangelical preacher Dan Barker, this unique book provides an investigation into what may be the most unpleasant character in all fiction. Barker combs through both the Old and New Testament (as well as 13 different editions of the “Good Book”), presenting powerful evidence for why the Scripture

shouldn't govern our everyday lives. This witty, well-researched book suggests that we should move past the Bible and clear a path to a kinder and more thoughtful world.

Al, Faith, and the Future James Clarke
In this informative volume, dozens of eminent scholars explore how the Bible has influenced religious, ethical, artistic and philosophical traditions in more than 200 entries.

Рипол Классик

Neben den vier biblischen Evangelien entstanden im frühen Christentum zahlreiche Texte zu Jesus, die keinen Eingang in die Bibel fanden. Vor allem die "Kindheitsevangelien" haben die christliche Frömmigkeit - Liturgie, Festtraditionen, bildliche Darstellungen - nachhaltig beeinflusst. Andere Texte wie

das Thomasevangelium wurden erst im 20. Jahrhundert wiederentdeckt. Jens Schröter beschreibt die wichtigsten apokryphen Schriften zu Jesus, beleuchtet ihr Verhältnis zu den kanonischen Evangelien und erklärt ihre Bedeutung für die Geschichte des Christentums.

God University Press of America
 Former Gay Activist Paves the Way to Peaceful Conversation
 Homosexuality and gay marriage stand among perhaps the greatest defining cultural battles of our age. There's no escaping the inevitable conversations--so how does a Christian respond with love and biblical truth without adding fuel to the fire? Drawing on nearly thirty years of counseling people struggling with homosexuality, former gay activist Joe

Dallas takes readers through virtually every argument they are likely to hear in favor of normalizing homosexuality. He helps readers understand the views of LGBT people they may know and respond with clarity, confidence, and compassion. He shows the most effective ways to engage the subject on social media and in everyday encounters with guidelines for talking points, dialogue, approach, and tone, and even provides sample dialogue. Anyone who has been searching for ways to have productive, loving conversations surrounding this critical topic will find this incredible resource a must-have. "At one time or another every twenty-first-century Christian is likely to be confronted about his or her views on homosexuality. But how can we

approach this challenging issue in a way that faithfully reflects Jesus's heart and mind? Joe Dallas answers that question in this clear and compelling guide for engaging others with both gentleness and biblical truth."--Jim Daly, president, Focus on the Family "I've often said no one understands the subject of same-sex sexuality better than my friend Joe Dallas. This book, his best yet, only confirms my conviction. I'm not speaking merely of Joe's formidable knowledge of truth, but also the wisdom of its application through crystal-clear and concise communication. In the wake of the June 2015 US Supreme Court's redefinition of marriage, Speaking of Homosexuality will equip you to engage a topic that is foundational to human civilization."--Hank Hanegraaff,

president, the Christian Research Institute; host of the Bible Answer Man broadcast "Speaking of Homosexuality is one of the most clear and informative books on the subject. Dallas responds to the most common Revisionist arguments with clarity, but also genuine kindness. If you want one book to offer biblical and historical truth about homosexuality, but also how to lovingly put that truth into action, then you won't find a better book."--Sean McDowell, PhD, professor of Christian apologetics, Biola University; author, Same-Sex Marriage and Apologetics for a New Generation "In answer to the urgency of our world's current situation, Joe Dallas has now crafted a resourceful tool filled with biblical truth and insightful strategies. Speaking of Homosexuality is essential

for every person in need of answers for themselves, a family member, or a friend struggling with same-sex attraction."--Joni Lamb, cofounder, Daystar Television Network "There is no question that one of the most difficult issues facing the church today is the subject of homosexuality. But God didn't leave us in the dark on the topic of human sexuality. He gave us clear directives for this part of our lives so that we might experience the abundant life He promises. But speaking those guidelines to a confused church and a hardening culture isn't easy. No one does it better than Joe Dallas. Like no other voice I hear, Joe both lives and ministers with that continual balance of truth and love on this most contentious topic. In a day where Christians are

growing more silent, we need a book like this to teach us how to winsomely engage while never retreating from God's protective Truth. This is a must-read for the church today!"--Janet Parshall, nationally syndicated talk show host

The Text of New Testament

Clarendon Press

Churches do an excellent job of

discipling members in daily application of the principles of Christianity.

Traditional Bible study groups tend to focus on individual books. But where do inquisitive Christians find answers to topics – sometimes perplexing – about their faith? Dr. Barton's first book, *Seeking Understanding Faith*, focused on exploring God and interactive faith. This book explores answers to questions about the Bible. When did time begin? Did Jesus really have to die? Why do we celebrate Jesus' birth at Christmas? What happened to the apostles? *Have You Ever Wondered?* addresses such questions.

Psalms 101-150, Volume 21 WestBow Press

Em cerca de 300 verbetes elaborados por 140 especialistas no Antigo e no

Novo Testamento, nesta obra o leitor encontrará - a história edificante e escandalosa, mas sempre movimentada e notável, do 'povo eleito'; descrição dos principais lugares onde se desenrolou o drama bíblico, como Canaã, Galiléia, Judéia, Jerusalém e Palestina; os personagens do advento do cristianismo, como José e Maria, Jesus, João Batista, Maria Madalena, os Doze Apóstolos e os Evangelistas; e verbetes temáticos, como Anjos, Mulheres, Doutores da Lei e Tribos de Israel. O volume traz também 8 mapas em cores, acompanhados por índice dos lugares; referências cruzadas, que permitem ao leitor consultar temas inter-relacionados; e índice remissivo, com mais de 1.500 possibilidades de consulta.

Hunting for the word of God Baker Academic

The refugee that has come to your church, the pastor of the immigrant church in your town, and you yourself all come before the same Bible, even the same verse, and walk away with completely different understandings and applications. In an increasingly globalized and multicultural world, how can we learn to see beyond our own cultural influences, understand those of others, and learn from each other in order to better understand and apply the word of God? How do we stay faithful to

the text when our contemporary cultural perspective is so different from the original author's? This book will enable you to understand the common pitfalls and dangers related to cross-cultural hermeneutics while also equipping you with principles and real-life examples for how to interpret Scripture in such situations. Additionally, given the fact that our world is increasingly digitized and people are less and less likely to read, we will consider the issue of oral hermeneutics and how those who can't read or choose not to read can interpret Scripture faithfully.
