## AUGUST JAMIYA

**Eight Philosophers of the Italian Renaissance** The Story of Ferdinand "The Slant Book" by Peter Newell. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Brotherhood** Carcanet Press

This unique collection of documents with commentary explores the meaning of absolute monarchy by examining how Louis XIV of France became one of Europe's most famous and successful rulers. In the introduction, William Beik succinctly integrates the theoretical and practical nature of absolutism and its implications for the development of European states and society. The documents, newly translated and carefully selected for their readability, examine the problems of the Fronde, Colbert's grasp of the economic and fiscal dimensions of the kingdom, the taming of the rural nobility, the interaction of royal ministers and provincial authorities, the repression of Jansenists and Protestants, popular rebellions, and royal image-making. Explanatory notes, a chronology, a map, a genealogy chart, and 9 striking images further strengthen this volume's usefulness in the undergraduate classroom.

**Mutual Aid** Good Press

The Western Sephardic communities came into being as a result of confessional migration. However, in contrast to the other European confessional communities, the Sephardic Jews in Western Europe came to Judaism after a separation of generations from the religion of their ancestors. The contributions in this volume detail those transformations in the Early Modern Western Sephardic communities.

**Lightning Thief, The (Percy Jackson and the Olympians, Book 1)**

Little, Brown Books for Young Readers

This series is endorsed by Cambridge International Examinations and is part of Cambridge Maths.

**A Practical Manual for the Lay Student of Color** Dalkey Archive Press

Looks at the origins and impact of World War I, discusses the premiere of Stravinsky's ballet, and analyzes public opinion of the period.

**Cleopatra** Penguin

The Pulitzer Prize-winning biographer brings to life the most intriguing woman in the history of the world: Cleopatra, the last queen of Egypt. Her palace shimmered with onyx, garnets, and gold, but was richer still in political and sexual intrigue. Above all else, Cleopatra was a shrewd strategist and an ingenious negotiator. Though her life spanned fewer than forty years, it reshaped the contours of the ancient world. She was married twice, each time to a brother. She waged a brutal civil war against the first when both were teenagers. She poisoned the second. Ultimately she dispensed with an ambitious sister as well; incest and assassination were family specialties. Cleopatra appears to have had sex with only two men. They happen, however, to have been Julius Caesar and Mark Antony, among the most prominent Romans of the day. Both were married to other women. Cleopatra had a child with Caesar and--after his murder--three more with his protégé. Already she was the wealthiest ruler in the Mediterranean; the relationship with Antony confirmed her status as the most influential woman of the age. The two would together attempt to forge a new empire, in an alliance that spelled their ends. Cleopatra has lodged herself in our imaginations ever since. Famous long before she was notorious, Cleopatra has gone down in history for all the wrong reasons. Shakespeare and Shaw put words in her mouth. Michelangelo, Tiepolo, and Elizabeth Taylor put a face to her name. Along the way, Cleopatra's supple personality and the drama of her circumstances have been lost. In a masterly return to the classical sources, Stacy Schiff here boldly separates fact from fiction to rescue the magnetic queen whose death ushered in a new world order. Rich in detail, epic in scope, Schiff 's is a luminous, deeply original reconstruction of a dazzling life.

**The Biggest Secret** Oficina Raquel

The harrowing tale of British explorer Ernest Shackleton's 1914 attempt to reach the South Pole, one of the greatest adventure stories of the modern age. In August 1914, polar explorer Ernest Shackleton boarded the *Endurance* and set sail for Antarctica, where he planned to cross the last uncharted continent on foot. In January 1915, after battling its way through a thousand miles of pack ice and only a day's sail short of its destination, the *Endurance* became locked in an island of ice. Thus began the legendary ordeal of Shackleton and his crew of twenty-seven men. When their ship was finally crushed between two ice floes, they attempted a near-impossible journey over 850 miles of the South Atlantic's heaviest seas to the closest outpost of civilization. In *Endurance*, the definitive account of Ernest Shackleton's fateful trip, Alfred Lansing brilliantly narrates the harrowing and miraculous voyage that has defined heroism for the modern age.

**Assassin's Creed** Harper Collins

Percy Jackson is a good kid, but he can't seem to focus on his

schoolwork or control his temper. And lately, being away at boarding school is only getting worse—Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

**Home Education** Cambridge University Press

A collection of the best chronicles published in the Histórias de cego project, initially a blog and later a YouTube channel, where, in addition to telling a little about his experience in such a visual society, Marcos Lima shows us the world through his eyes. With his senses as sharp as his sense of humor, he tells how he spent a day in a wheelchair, fulfilled a childhood dream when he explored the island of Malta and how the sport changed his life.

**Gramática Básica Del Estudiante de Español, Versión Inglés** Tredition Classics

The Story of Ferdinand Penguin

**Shackleton's Incredible Voyage** Harper Collins

The *Jungle Book* (1894) is a collection of stories by the English author Rudyard Kipling. Most of the characters are animals such as Shere Khan the tiger and Baloo the bear, though a principal character is the boy or "man-cub" Mowgli, who is raised in the jungle by wolves. The stories are set in a forest in India; one place mentioned repeatedly is "Seonee" (Seoni), in the central state of Madhya Pradesh.

**Homo Deus** Atlas Books

While Rome lies in ruins and in the shadow of the Borgia family, Ezio, the master assassin, seeks to avenge his uncle's death.

**My Life in Theatre and Politics** Stanford University Press

The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."

**Children's Book of Virtues** Shambhala Publications

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, *Goodnight Moon* is a must for every bookshelf and a time-honored gift for baby showers and other special events.

[The Story of Ferdinand](#) Houghton Mifflin Harcourt  
Appendix - "The Medieval Antecedents of Renaissance Humanism"

[The Great War and the Birth of the Modern Age](#) Studies in Jewish History and

"Great art has dreadful manners," Simon Schama observes wryly at the start of his epic and explosive exploration of the power, and whole point, of art. "The hushed reverence of the gallery can fool you into believing masterpieces are polite things; visions that soothe, charm and beguile, but actually they are thugs. Merciless and wily, the greatest paintings grab you in a headlock, rough up your composure, and then proceed in short order to re-arrange your sense of reality. . . ." With the same disarming force, *The Power of Art* propels us on an eye-opening, breathtaking odyssey, zooming in on eight extraordinary masterpieces, from Caravaggio's *David and Goliath* to Picasso's *Guernica*. Jolting us far from the comfort zone of the hushed art gallery, Schama closes in on intense make-or-break turning points in the lives of eight great artists who, under extreme stress, created something unprecedented, altering the course of art forever. The embattled heroes—Caravaggio, Bernini, Rembrandt, David, Turner, Van Gogh, Picasso and Rothko—each in his own resolute way, faced crisis with steadfast defiance, pitting passion and conviction against scorn and short-sightedness. The masterpieces they created challenged convention, shattered complacency, shifted awareness and changed the way we look at the world. With vivid

storytelling and powerfully evocative descriptive passages, Schama explores the dynamic personalities of the artists and the spirit of the times they lived through, capturing the flamboyant theatre of bourgeois life in Amsterdam, the passion and paranoia of Revolutionary Paris, and the carnage and pathos of Civil War Spain. Most compelling of all, *The Power of Art* traces the extraordinary evolution of eight "eye-popping" world-class works of art. Created in a bolt of illumination, such works "tell us something about how the world is, how it is to be inside our skins, that no more prosaic source of wisdom can deliver. And when they do that, they answer, irrefutably and majestically, the nagging question of every reluctant art-conscript . . . 'OK, OK, but what's art really for?'"

**Rites of Spring** Disney Electronic Content

Examines the many reasons and motivations for the destruction of books throughout history, citing specific acts from the smashing of ancient Sumerian tablets to the looting of libraries in post-war Iraq.

**Hamlet and the Baker's Son** Penguin

This book is a guide to help you clear away the mystery of enlightenment that is very difficult to come by. Have you ever wondered what 'prana' is? Well Dr. Rampa will explain it in Supplement A which consists of valuable breathing exercises that will help clear your mind. He elucidates on what the Kundalini is, the subconscious mind, the devil, Zen, love and so much more; all in easy to understand plain English. Reading Dr. Rampa's books is

the first step to understanding the sutras and treatises on enlightenment and well worth reading over and over again to finally 'see the light'. Lobsang Rampa was one of the mystic pioneers, bringing the 'unknown' to the Western worlds. Reading his adventures will enrich any person.

[Discovering the World](#) Macmillan Higher Education

Dieses Werk ist Teil der Buchreihe TREDITION CLASSICS. Der Verlag tredition aus Hamburg veröffentlicht in der Buchreihe TREDITION CLASSICS Werke aus mehr als zwei Jahrtausenden. Diese waren zu einem Grossteil vergriffen oder nur noch antiquarisch erhältlich. Die Buchreihe dient zur Bewahrung der Literatur und Forderung der Kultur. Sie trägt so dazu bei, dass viele tausend Werke nicht in Vergessenheit geraten

[The Magic of Oz Illustrated](#) David Icke Books

E. H. Carr's classic work on international relations published in 1939 was immediately recognized by friend and foe alike as a defining work. The author was one of the most influential and controversial intellectuals of the 20th century. The issues and themes he developed continue to have relevance to modern day concerns with power and its distribution in the international system. Michael Cox's critical introduction provides the reader with background information about the author, the context for the book, and its main themes and contemporary relevance.
