*The Traveler's Gift*

Christian Large Print  
 From New York Times  
 bestselling author Andy

Andrews comes the sequel to *The Noticer!* In the quiet coastal town of Fairhope, Alabama, a mysterious old man named Jones has set up shop to do the one thing he knows best—"noticing" the little things that make a big difference in people's lives. Perspective is a powerful thing. Through a chance encounter at a local bookstore, Andy Andrews is reunited with the man who changed everything for him—Jones, also known as "The Noticer." Jones uses his unique talent of noticing the little things that make a big difference. And these little things grant the people of Fairhope, Alabama, a life-changing gift—perspective. Through the lens of a parenting class at the Grand Hotel in Point Clear, Jones guides a seemingly random group to ask specific questions inspired by his curious advice: "You can't believe everything you think." The questions lead to answers for which people have been searching for centuries: How do we begin to change the culture in which we live? What is the key to creating a life of success and value? What if what we think is the end...is only the beginning? Along

the way families are united and financial opportunities created, leaving the residents with powerfully simple solutions to the everyday problems we all face. What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone seeking to change their life. Jones' adventures continue in book three of *The Noticer* series: *Just Jones*.

A hope-filled money guide to increase savings, earnings, and giving and actually enjoy it all while designing a life of

freedom and eternal impact, from the founder of SeedTime Money. Broken down and stranded 1,000 miles from home with only \$7 left in his bank account, Bob Lotich had reached his breaking point. He was stuck in a dead-end job, living paycheck-to-paycheck, and overwhelmed by debt. Bob had been following the world's advice with money and this was the fruit of it. In desperation, he cried out to God for wisdom, for a different way. The answer was a simple four-part formula, one based on timeless biblical principles, and, most important, it worked. After applying this simple formula, Bob discovered that his financial stress melted away and he finally felt fully in control of his money. As he continued to follow the four steps, he paid off over \$400,000 in debt, reached a personal goal of giving \$1 million by age 40, and achieved a level of financial freedom he never dreamed possible. In his casual and approachable style, Bob (along with his fun-loving wife, Linda) shares everything he learned about achieving true financial freedom,

including: • How to create a money system so you can spend less time and get better results • The One-Category Budget: get 80% of the results with 20% of the work • The four keys to earning more in the digital era • How to automate your way to financial success in less than 10 minutes • The secrets of a six-figure giver • Three credit card rules that banks don't want you to know • How to save \$100s each month while still buying what you love • And much more! Whether you are doing "fine" or are in a financial crisis, the included 21-day kick-start will leave you with specific action items to guide you to success. You can have financial security, peace, significance, and eternal impact. Let Bob show you how to reimagine money as it was meant to be: simple.

Be inspired by the story of Kevin Atlas (formerly Laue), whose faith and perseverance helped him become an NCAA Division I basketball player, despite being born with only one arm. Even before entering the world, Kevin Atlas was a fighter. He should have died in childbirth, as the umbilical cord was wrapped around his neck twice, but he

survived because his left arm was in the middle of it, allowing blood to flow to his brain. But since circulation was cut off in that arm, he was born with his left arm ending just below his elbow. GET IN THE GAME is Kevin's story of transformation: Moving from anger to joy. From embarrassment to confidence. From the sidelines and wishing his life was different to getting in the game and showing who he is. Kevin's arduous journey to earning a scholarship to Manhattan College in New York City and becoming the first NCAA Division I basketball player missing a limb has given him keen insights to help anyone who feels trapped and defeated by less-than-perfect circumstances, whether physical, mental, or environmental. Kevin doesn't encourage readers to simply accept and live with their challenges, hurts, and losses. He spurs them on to believe any weakness can, in reality, become the one thing that propels them to achieve their greatest potential. As Kevin has learned throughout his life, you can't win if you don't get in the game!

This book is the result of the urgings of fellow Morgan State University Alumni to write an account of the life of my spouse, Carl Oliver Clark. Since he was the first in several areas to

accomplish success and open the way for others to follow, it seemed appropriate to record these experiences for his children, his family members, and his friends to know and remember his journey.

Bestseller Have you ever wondered why we spend so much time and energy thinking about the big challenges in our lives when all the evidence proves it's actually the little things that change everything? That's right... Absolutely everything. Little Things embodies Andy's own approach to life and work, detailing for the first time some of the exclusive material that he uses to teach and coach some of the most successful corporations, teams, and individuals around the world.  "Manchmal muss man die Dinge nur ein bisschen anders sehen". Diesen Satz kann Andy nicht vergessen. Dieser Satz von Jones, dem Mann mit dem Koffer, hat sein Leben zum Guten verändert, hat ihm Freude und Perspektiven fürs Leben gegeben. Wie Andy geht es vielen anderen in Orange Beach: einem Paar kurz vor der Trennung, jungen Leuten ohne Hoffnung, einem Unternehmer mit unsauberen Geschäften, zwei alten Menschen ohne Freude. Alle finden sie auf die Spur des Lebens zurück, alle erleben und entdecken sie Unglaubliches. Und alle fragen sie sich: Wer ist der Mann mit dem Koffer, der nie zu altern scheint?
