*Aviation Unit and Intermediate Maintenance* PREP Publishing

The Preventive Maintenance Monthly is an official publication of the Army, providing information for all soldiers assigned to combat and combat duties. The magazine covers issues concerning maintenance, maintenance procedures and supply problems.

*Military Construction Appropriations for 1992: Justification of the budget estimates, Army*

Title shows resumes and cover letters of people who wish to obtain jobs in the aviation and travel field or to exit from the industry into new careers.

The title reveals techniques for finding aviation and travel industry jobs, and also provided are strategies for transferring skills and experience to other industries. The book contains more than 100 "real" resumes and cover letters tailored to aviation and travel backgrounds, and the purpose of the book is to give models or examples for people to use in creating their own resumes and cover letters tailored to the aviation and travel industry.

Readers will find resumes of commercial pilots, ground support equipment operators, airport managers, quality control inspectors, aircraft loading managers, and many others. This book will be of enormous help to people seeking employment in the aviation and travel industry and to people who desire to transfer their aviation and travel backgrounds into new occupational areas.
