 Most of us now know that Reiki is the

universal life-force energy . . . but what happens when we allow that to live in and through us? How does Reiki help us to become 'more spiritual' in our day to day lives? In this book Keith shares his path in and through Reiki - out of the therapy centre and into our pasts and futures. *Dictionary of Natural Healing* Rowman & Littlefield  
 "It has helped change my life for the better! Highly recommended!"—John Perkins  
*Energy Healing for Everyone* offers an accessible healing technique for body, mind, and spirit that is easy to learn and master. Drawing from a series of personal mystical experiences, world-renowned energy healer Brett Bevell reveals an ancient technique of communing with the divine source of eternal light which

underlies the web of all creation. In this light, we can release our wounds and fears, and embrace the knowledge that all things are aspects of this one divine presence. For the first time, Brett reveals the secret of how to share, teach, and extend this inspired healing technique to anyone for any condition needing healing. *Energy Healing & Empowerment* B. Jain Publishers  
 Christian F. Brunner, author of several books on shamanism in the Alps, has practiced ancient healing methods for over twenty years. He is also a Druid in the Order of Bards, Ovates and Druids, contributing regularly to the Order's monthly magazine, "Touchstone." The author invites you to take a stroll with him through his beloved Alps, where myths

and folk customs still sing of the people who lived there in antiquity, the Celts. Walk with the author along the narrow ridge between history and otherworld, which we encounter behind many a jagged rock, in a deep forest, or dark cave. We will meet giants there, mystical ladies, and the Kasermandl; and all have fascinating stories to tell. Learn what the Alpine people of old thought about Vervain and how ancient magical spells connected folks on continent with their brethren on the British Isles. And finally, you can go with Christian Brunner on a shamanic journey to Mutter Perchtl and thus participate in the remembrance of the Great Goddess.

Since originating in Japan in 1922, Reiki has been adapted to cultural traditions across the world. Reiki practitioners use a technique called palm healing or hands-on healing through which a "universal energy" is transferred through the palms of the practitioner to the patient in order to encourage emotional or physical healing. Reiki is used for healing oneself and others and for spiritual development. It works by combining two things: initiations that awaken and open your energy channels and techniques for using your hands, eyes, and intention to direct this energy flow where needed. Anyone who wishes to do this work must prepare by following particular methods and steps, all wonderfully explained in this introductory guide. Discover why Reiki is so unique and learn about its origins, five precepts, attunements, basic hand positions, and special treatments created by Reiki's founder, Mikao Usui. All the spiritual practices here have been specifically chosen to guide readers on a path of love, light, healing, and self-knowledge.

### **Exploring Reiki** Lotus Press

This book is a personal narrative detailing a transformative healing journey. Fifty years after polio struck Deborah's little three-year-old body, she was diagnosed with post-polio syndrome, with its overwhelming fatigue and muscle weakening. But, she did not accept the possibility of losing the use of her legs, again. Instead, she met the challenges head-on, healing her emotional wounds and strengthening her physical body. Her story is told through her experiences of learning essential life lessons - life lessons available to every person - to manifest a healing journey. Although her strong faith was developed through traditional religious beliefs, she discovered other spiritual realities, leading to an exploration of alternative healing methods. Learning the energy healing method of Reiki, finding solace in connecting with deceased relatives, and working through emotional issues with a shamanic intuitive healer are just a few of her experiences along this amazing path. Deborah's story resonates with anyone seeking mind, body, and spiritual healing. Every person can discover the power to heal. Believe And It Is True is a reality for all.

Christian Friedrich Brunner, Autor des Romans „Fliegenpilz“, ist seit über zwanzig Jahren schamanisch tätig sowie Druide beim britischen Order of Bards, Ovates,

and Druids. Aufgewachsen in Österreich, lebt er derzeit in den USA, verbringt aber soviel Zeit wie möglich in seinen geliebten Alpen. Der Autor lädt Sie mit diesem Buch ein, ihn auf einer mystischen Wanderung durch die Berge zu begleiten, wo uns noch heute uralte Sagen und nach wie vor gelebtes Brauchtum Hinweise auf unsere keltischen Vorfahren geben. Spazieren Sie mit dem Autor auf dem schmalen Gratwanderweg zwischen Historischem und der Anderswelt, auf die man hinter jedem Fels, im tiefen Wald, oder in einer finsternen Höhle stoßen kann. Man begegnet dort weißen Gämsen, Riesen, magischen Jungfrauen und dem Kasernmandl, und alle haben Interessantes zu berichten. Lernen Sie was die Alten über das Eisenkraut dachten und erfahren Sie, wie uralte Zaubersprüche die Menschen auf dem europäischen Kontinent einst verbanden. Und schließlich

können Sie mit Christian Brunner auf eine magische Reise zur Mutter Percht gehen und so an der Erinnerung an die Große Göttin teilhaben.
